Show of Evil-William Diehl 1996 Lawyer Martin Vail confronts a legal nightmare that he helped create when a chain of serial murders resurrects the demonic Aaron Stamper, the psychotic killer whom Vail had rescued from the electric chair

Small Town Focus-Renee Pawlish 2016-09-16 From an Amazon #1 Bestselling Author - over 1 million books in circulation. "This series just keeps on getting better." - Amazon review Reed Ferguson is back! "I think my father might have killed my mother." With this one sentence, Gina Smith immediately draws Denver private investigator Reed Ferguson into a case. Questioning her past and yearning to find the mother she's never met, Gina hires Reed to find answers. With the help of his wife, Willie, his best friend Cal, and the always amusing Goofball Brothers, Reed's search for Gina's mother leads him to a rural Colorado town and a puzzling mystery that involves a decades-old kidnapping, a powerful small-town mayor, a seductively charming pastor, and an unsolved murder. And if Reed isn't careful, the murderer's focus could turn to him. Small Town Focus is a suspense-filled mystery, with a Bogie-wannabe detective, a dose of humor, and a clever homage to film noir. From the award-winning author of This Doesn't Happen In The Movies. Great for fans who love a fast-paced, humorous read, without a lot of swearing or sex. More Great Reviews of this private investigator series: Kirkus Reviews: The promising kickoff to Pawlish's comic mystery series, starring far-from-perfect private investigator Reed Ferguson. Pawlish earns high marks for plot construction, with twists and turns naturally unfolding as Ferguson, inexperienced but not incapable, feels his way through the case. A good-humored mystery series worth following. 5 star review: Oh how I've missed the Sam Spade and Philip Marlowe characters that saw me with a flashlight in the dead of night flipping pages to see what happened next. Thank you Ms. Pawlish for bringing back to life this long-lost art of the detective battling against all odds and getting to the bottom of things. Devoted-Arron Chambers 2014-09-01 Being a disciple of Jesus is an issue of devotion rather than duty. Before Peter began the most important act of his life—discipleship—Jesus didn’t ask him, “How many chapters of the Torah did you read today?” or “Are you attending services at the synagogue each week?” or “Did you give your tithe today?” No, before Peter began his journey of discipleship, Jesus asked him, “Do you love Me?” Arron Chambers thinks that we are asking new disciples of Christ the wrong questions and that it’s time to start truly following the example of Christ by asking of disciples what Christ asked of Peter: devotion, not duty. In Devoted, Arron presents a new paradigm for discipleship: falling in love with Jesus. This approach to discipleship emphasizes passion for Jesus as opposed to a plan for following Jesus.

Odd Interlude-Dean Koontz 2013-01-01 Small-town guy meets big-time evil... A spine-tingling Odd Thomas novella.

An Act of Kindness-Chuck Hustmyre 2007 Recounts the true account of how Genore Guillory, an avid animal lover who cared for stray dogs, was found shot, stabbed, beaten with a baseball bat, raped, and mutilated in a small Louisiana town.

The Lottery-Shirley Jackson 2008 A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

The Congregationalist and Christian World- 1916

Tumhare Sapne Hue Apne-Ravinder Singh 2014-11-20 ‘It can’t be love . . .’ he thinks and immediately his heart protests. They are complete opposites! She’s a small town girl who takes admission in Delhi University (DU). An idealist, studies are her first priority. He’s a Delhi guy, seriously into youth politics in the DU. He fights to make his way. Student union elections are his first priority. But then opposites attract as well! A scandal on campus brings them together, they begin to walk the same path and somewhere along, fall in love . . . But their fight against evil comes at a heavy price, which becomes the ultimate test of their lives. Against the backdrop of dominant campus politics, Your Dreams Are Mine Now is an innocent love story that is bound to evoke strong emotions in your heart. Note: This book is in the Hindi language and has been made available for the Kindle, Kindle Fire HD, Kindle Paperwhite, iPhone and iPad, and for iOS, Windows Phone and Android devices.

Home Before Dark-Riley Sager 2020-06-30 In the latest thriller from New York Times bestseller Riley Sager, a woman returns to the house made famous by her father’s bestselling horror memoir. Is the place really haunted by evil forces, as her father claimed? Or are there more earthbound—and dangerous—secrets hidden within its walls? What was it like? Living in that house. Maggie Holt is used to such questions. Twenty-five years ago, she and her parents, Ewan and Jess, moved into Baneberry Hall, a rambling Victorian estate in the Vermont woods. They spent three weeks there before fleeing in the dead of night, an ordeal Ewan later recounted in a nonfiction book called House of Horrors. His tale of ghostly happenings and encounters with malevolent spirits became a worldwide phenomenon, rivaling The Amityville Horror in popularity—and skepticism. Today, Maggie is a restorer of old homes and too young to remember any of the events mentioned in her father's book. But she also doesn’t believe a word of it. Ghosts, after all, don’t exist. When Maggie inherits Baneberry Hall after her father's death, she returns to renovate the place to prepare it for sale. But her homecoming is anything but warm. People from the past, chronicled in House of Horrors, lurk in the shadows. And locals aren’t thrilled that their small town has been made infamous thanks to Maggie’s father. Even more unnerving is Baneberry Hall itself—a place filled with relics from another era that hint at a history of dark deeds. As Maggie experiences strange occurrences straight out of her father’s book, she starts to believe that what he wrote was more fact than fiction.

Marlborough Man-Alan Carter 2020-07-21 Nick Chester is working as a sergeant for the Havelock police in the Marlborough Sound, at the top of New Zealand's South Island. If the river isn't flooded and the land hasn't slipped, it's paradise. Unless you are also hiding from a ruthless man with a grudge, in which case, remote beauty has its own kind of danger. In the last couple of weeks, two locals have vanished. Their bodies are found, but the Pied Piper is still at large. Marlborough Man is a gripping story about the hunter and the hunted, and about what happens when evil takes hold in a small town.

Hear No Evil-J M Dalgliesh 2020-11-03 The celebration of the Viking Festival of Scira ensures that thousands descend annually on the small coastal town of Sheringham, but when a man dies amidst the grand finale, DI Tom Janssen investigate how he met such a grisly end.

Circle of Nine-Valerie Biel 2014-09-24 Brigit Quinn's secret wish on her 15th birthday is for a normal life - an impossible dream when your mom practices an ancient pagan religion and everyone believes she's a witch. Instead, Brigit learns she's descended from a legendary Celtic tribe that serves as guardians of the ancient stone circles. A spellbound book of family history reveals the power of her ancestors, and Brigit is shocked to discover she's inherited a magical talent that will only set her further apart from the normal world. Unsure she wants any magical powers at all, she's terrified to learn someone evil is willing to destroy who she is in order to steal her family's strength. Will Brigit's unique heritage help her survive the danger, or is it safer for her to reject it for the normal life she's always wanted?

Horror Literature through History: An Encyclopedia of the Stories that Speak to Our Deepest Fears [2 volumes]-Matt Cardin 2017-09-21 This two-volume set offers comprehensive coverage of horror literature that spans its deep history, dominant themes, significant works, and major authors, such as Stephen King, Edgar Allan Poe, and Anne Rice, as well as lesser-known horror writers. • Describes horror literature during different periods, thus helping readers understand the roots of modern horror literature, how works of horror have engaged social issues, and how horror has evolved over time • Connects horror literature to popular culture through sidebars on film adaptations, television shows, video games, and other nonliterary, popular culture topics • Includes excerpts from selected literary works that exemplify topics discussed in the entries that support English language arts standards by enabling students to read these excerpts critically in light of the entries • Prompts students to consider the nature of horror as a genre, the relationship of horror literature and social issues, and how horror literature intersects with mainstream supernatural concerns, such as religion

Dark Game-Michael Robertson Jr 2020-11-13 A small town. Three unexplained disappearances. One sinister evil. Less than twenty-four hours after the horrific events that forced him to flee his hometown, Lance Brody steps off a bus into a whole different nightmare. The small town of Westhaven seems ordinary on the surface, but Lance can feel the evil lurking in the air ... and it knows Lance has arrived. After meeting two new friends--one of this world, and one of another--Lance learns that young men have been disappearing from Westhaven without a trace. No clues left behind, no answers. Left with no choice but to use his unexplainable gifts--the ones that allow him to see beyond the veil and into the shadows--Lance sets out to restore peace to Westhaven before another boy can vanish ... But the darkness Lance felt the moment he arrived will do everything it can to stop him. No matter the lives lost. Dark Game is the first novel in Michael Robertson Jr's supernatural suspense series featuring LANCE BRODY. With a troubled young hero, mysterious foes, and plenty of paranormal action, fans of Odd Thomas, Supernatural, and the dark unknown are sure to love Lance. Pick up Dark Game and join Lance Brody in his latest mystery today!

The World's Work- 1908 A history of our time.

Ghosts in Glass Houses-Kay Charles 2017-09-05 Marti Mickleson sees ghosts. Only her great-grandmother believes her. Since she died the day before Marti was born, her support isn't worth much in the world of the living. When Marti wakes up in a compromising position with her estranged father standing over her, she thinks he owes her a big apology. After all, he's dead and talking to her-and she talks back. Instead, he claims he was murdered and demands she go home and do something about it. She agrees-anything to get her father out of her life and into his own afterlife. In Bicklesburg, she finds her once formidable mother in the throes of dementia, her perfect-prom-queen sister now a lawyer married to a not-so-perfect man, and her bad-boy high school boyfriend a private security guard watching over the family fortress. When her mother wanders away and is found cradling a bloodstained garden gnome, she and Grandma Bertie must uncover a murderer before Marti ends up a ghost herself.

Youth's Companion- 1894

I Am Rich, I Am Very Rich-Mister Money 2017-10-29 Show off your outrageous disposable income with this amazing, ridiculous, opulent, luxurious manuscript. This book is perfect for: An item to show off on your #richkidsofinstagram feed A conversation starter for your next outrageous caviar laden 1,000 year old wine and cheese / single issue advocacy reception A coffee table book for your evil lair, island get-a-way, or fifth vacation home. The multi-millionaire who will not be shamed into responsibly, socially conscious uses of their money. A gift to a loved one, namely myself because of the royalties this book is worth. But seriously, this book is written as both a shameless capitalist endeavor and a social experiment. By a shameless capitalist spirit, I mean that we are supposed to be living in a new world, where the internet gives us an amazing opportunity to develop wealth in an entrepreneurial manner. However, everytime I wikipedia some famous internet billionaire, I find that they went to the absolute best schools in the nation, had a degree in computer science, and some start-up money from a family member to launch a website or product. Instead, I'm sitting here with a PhD in a social science, typing these words in an attempt to see if anything with a half-assed marketing plan will actually sell Now if you are a #richkidsofinstagram or trust-fund baby who wasted much of the opportunity you had in your elite schools, well, there will be a simple version of this book made available if you take enough pity upon me to buy it. As for the social experiment, perhaps this book functions as an avenue to see how foolish people can be on the internet. Perhaps this book will result in an amazing peer-reviewed article in a prestigious journal, thus eternally out of reach of any graduate student without access to a library with a specific set of journal subscriptions. Perhaps the social experiment is inverted, as I am already rich and just wanting something to talk about at my next decadent social extravaganza. Actually, more than any of the aforementioned reasons, the primary impetus for this book was to win a metaphorical bet with my wife. We are too poor to wager anything against each other, and the effort is pointless with a joint bank account, but good God almighty will I never shut up about this book and that bet if this book sells a single damn copy. If you've actually read this far, then great. You are a man/woman/alien/child who stole their parent's credit card and will hopefully click enough buttons to buy this book. However, instead of talking about what this book means for you, and your ever increasing vanity or need to feel completion, attainment, and psychological sense of security through the purchase of material goods with a socially constructed hierarchy, let's take a moment to talk about what the purchase of this book means for me. Actually, another moment, since I just used half of this description to talk about myself and my needs above. When you purchase the full paperback version of this book, you'll be providing me with a 2,000 dollar royalty (don't cheap out and go for the kindle version, that just shows you a "middle class"). What does that mean for me and my family? It means a lot actually: 10 months of my toddler's health insurance 2.5 months of my mortgage That 401k I never started A college fund, else my child will be eternally stuck making less than 10 dollars an hour or faking a disability for government benefits Does your facebook have a ton of people posting gofundme links for their health insurance? Probably not, because again, you have to be insanely rich to even buy this book. Well, consider this the classy version of a gofundme account, just on amazon, and written as a lackluster book that may or may not be complete garbage once you buy it.

Who Murdered Uncle Ebenezer?: 18k Small Town Estate Christian Cozy Mystery Series-S. F. Nightingale 2019-01-12 When you thought being a Christian was safe... If you like clean, wholesome cozy mysteries that keeps you guessing until the very end, you MUST read this book! When a menacing storm is upon Kingsvale, New Hampshire, little does Reverend Devin Grant suspect that there's anything more menacing than the ruthless winds and blinding snowflakes when he arrives at Ebenezer Spencer's estate for final preparations for his friend, Ken's wedding. But as evening turns into sinful night, a dead body is found... and the murderer is likely to be in the house. A house no one can leave because of the storm... Can Reverend Grant get to the bottom of this mysterious death before the snowstorm ends or will evil get away with murder on Uncle Ebenezer's estate? This is a standalone short story in this fun cozy mystery series with no cliffhangers Read it now for FREE with Kindle Unlimited! Bonus recipe and chapter included!

The Northwestern Druggist- 1914

The Actress-Michael Hicks Thompson 2016-10-02 The most famous actress in America, Tullulah Ivey, is in Solo, Mississippi to film a controversial movie. A prominent Solo citizen has been shot and killed outside her rented bedroom window. A typewritten love note was found clenched in his hand. Martha investigates the who, what, and why of the shooting. It's a twisty, suspenseful murder mystery.

Believe Like a Child-Paige Dearth 2011 Alessa is just seven years old when her uncle rapes her for the first time. As the years pass, his sexual appetite becomes more voracious and his perversion more twisted, until the abuse has become almost a daily ritual, with the unspoken involvement of the girl's mother. At the age of sixteen, after the death of her only friend, Alessa finds herself at the mercy of her real-life monster, with no relief in sight. She flees her home to escape this hell, only to find herself descending into a more dangerous one. Alone and helpless in the streets of North Philadelphia, she encounters more human predators who want to take over her life and devour her. About to hit rock bottom, Alessa manages to break away from her new tormentors and finds refuge in a shelter for homeless and abused women. Wherever she goes, however, trouble keeps seeking her out, until she meets three people who change the course of her life forever. Though Alessa's bittersweet journey is perpetually fraught with challenges, she does, nevertheless, manage to find fleeting moments of joy along the way. But as she begins to settle down, a ghost from the past comes to haunt her again, threatening to destroy the very foundation of her small world and plunging her back into an abyss of despair, until she makes her final bid for escape.

The One You Want-GENA SHOWALTER 2015-03-01 New York Times bestselling author Gena Showalter introduces the Original Heartbreakers--about sexy bad boys each meeting their match--with a special prequel novella! In small-town Oklahoma, reputation is everything, and Kenna Starr will do anything to overcome hers. The supposed bad girl is determined to walk the straight and narrow, a seemingly impossible task when Tall, Dark and Sexy shows up... Rich and

powerful, Dane Michaelson is every woman's dream. When he returns to Strawberry Valley after a sixteen-year absence, he is unprepared for the redheaded girl he's never been able to forget. She's all woman now-and he's never wanted anyone more. But to have her, he'll have to break through her defenses...and surrender his own. Look for the next books in the Original Heartbreakers-The Closer You Come, The Hotter You Burn and The Harder You Fall.

The Inland Printer- 1888

The Abstainers' Advocate- 1895

Darklings-Ray Garton 2014-11-27 The emergency room is no stranger to death, but not like this. Normally, a death serves as a final ending. Now, as a parasite straight out of hell slithers from the body of a serial killer, death has only begun its terrifying, grisly rampage through the small hospital and town. A surgeon, a fugitive, a pregnant mother, a hospital worker-each serves as host for this spawn of the Devildevil, driven to commit the vilest of acts. Murder, infanticide, nymphomania, cannibalism-their flesh and bones become puppets in service of Satan's grotesque theater. Some brave few may try to stand against this evil, but as the Darklings closes in around them, are they digging for clues or digging their own graves?

Honor Among Thieves-Renee Pawlish 2017-04-16 From an Amazon #1 Bestselling Author - over 1 million books in circulation. It's 1949, and Denver private investigator Dewey Webb isn't thinking about murder, he's pondering the stack of bills he can't pay. Then he runs into an old army acquaintance, Roy Jefferson, who is well-dressed, flashing cash, and wanting Dewey's help. Dewey has his suspicions, however, Roy pays him substantially just to meet him later and hear his problem. Dewey agrees, but before they can talk, Roy dies, an apparent suicide. But is that the case? Since Dewey has taken Roy's money, he feels honor-bound to look into Roy's death. What Dewey discovers leads him to believe someone from Roy's sordid past may have murdered him. And that same someone may now be after Dewey as well. As Dewey works to find a possible killer, he's forced to question many things, including his own sense of honor.

A hard-boiled, historical mystery that's great for fans who love a traditional detective crime story with a noir flavor, but without a lot of sex or swearing. Notes, explanatory and practical, on the New Testament. ed. by R. Frew-Albert Barnes 1884

Eclipse of the Sun-Michael D. O'Brien In this fast-paced, reflective novel, (the second in a trilogy following Strangers and Sojourners) Michael O'Brien presents the dramatic tale of a family that finds itself in the path of a totalitarian government. Set in the near future, the story describes the rise of a police state in North America in which every level of society is infected with propaganda, confusion and disinformation. Few people are equipped to recognize what is happening because the culture of the Western world has been deformed by a widespread undermining of moral absolutes. Against this background, the Delaney family of Swiftcreek, British Columbia, is struck a severe blow when the father of the family, the editor of a small newspaper which dares to speak the truth, is arrested by the dreaded Office of Internal Security. His older children flee into the forest of the northern interior, accompanied by their great-grandfather and an elderly priest, Father Andrei. Their little brother Arrow also becomes a fugitive as the government seeks to remove any witnesses, and eradicate all evidence of its ultimate goals. As O'Brien draws together the several strands of the story into a frightening yet moving climax, he explores the heart of growing darkness in North America, examining events which have already occurred. The reader will take away from this disturbing book a number of urgent questions: Are we living in the decisive moment of history? How dire is our situation? Do we live in pessimistic dread, or a Christian realism founded on hope? This is a tale about the victory of the weak over the powerful, courage over terror, good over evil, and, above all, the triumph of love.

The Examiner- 1863

Secrets and Lie-Renee Pawlish 2016-11-07 From an Amazon #1 Bestselling Author - over 1 million books in circulation. Secrets and Lies The past has a way of coming back with a vengeance. On an October day in 1949, private eye Dewey Webb's life is turned upside-down when his long-lost father shows up and asks for Dewey's help. It seems simple: find Gus's friend Len. But is there more to this request than Gus is saying? Dewey puts aside his bitter feelings for the father who abandoned him as a child and begins a hunt for Len, but discovers that Gus and Len have been involved in dangerous illegal activities, and that one of their targets may be after the two men. Things take a murderous turn and Dewey finds himself rubbing elbows with Denver's wealthy and powerful elite while dodging mobsters and searching for his father, who has gone missing. Can Dewey unravel a myriad of secrets and lies to find a killer before he strikes again? A hard-boiled, historical mystery that's great for fans who love a traditional detective crime story with a noir flavor, but without a lot of sex or swearing. Lessons of Loss-Robert Neimeyer 2005-06-01 Lessons of Loss explores how we react to loss, both physical and social, and adapt to it. Within the diversity of types of loss, Neimeyer recognizes and explores common themes and challenges that characterize the loss experience. The book is organized into three parts: those who grieve, those who help, and personal applications. This new edition has been updated and expanded to include all caregivers, not just the professional therapist.
