The Rural Diaries-Hilarie Burton 2020-05-05 The beloved actress and star of One Tree Hill, White Collar, and Lethal Weapon, Hilarie Burton Morgan, tells the story of leaving Hollywood for a radically different kind of life in upstate New York with her husband Jeffrey Dean Morgan—a celebration of community, family, and the value of hard work in small town America. While Hilarie Burton Morgan's hectic lifestyle as an actress in New York and Los Angeles gave her a comfortable life, it did not fulfill her spiritually or emotionally. After the birth of their first son, she and her husband Jeffrey Dean Morgan, the star of The Walking Dead, decided to make a major change: they bought a working farm in Rhinebeck, New York, and began a new chapter in their lives. The Rural Diaries chronicles her inspiring story of farm life: chopping wood, making dandelion wine, building chicken coops. Burton looks back at her transition from urban to country living—discovering how to manage a farm while raising her son and making friends with her new neighbors. She mixes charming stories of learning to raise alpacas and buying and revitalizing the town's beloved candy store, Samuel's Sweet Shop, with raw observations on the ups and downs of marriage and her struggles with secondary infertility. Burton also includes delicious recipes that can be made with fresh ingredients at home, as well as home renovation and gardening tips. Burton's charisma, wide eyed attitude, and fortitude—both internal and physical—propels this moving story of transformation and self-discovery. The Rural Diaries honors the values and lifestyle of small-town America and offers inspiration for anyone longing to embark on their own unconventional journey.  
Anthology of Short Fiction-Ruth Rockefeller 2001-06-01 If you like the works of Richard Brodigan, Clifford Simak (sci-fi), and the inordinate imagination of Rod Serling, you'll enjoy R.Rockefeller's Anthology of Short Fiction designed to entertain as well promote thinking along new pathways. Magnus at the Fire-Jennifer Armstrong 2005-05-01 Magnus lives and works at the Broadway Firehouse. He knows that when the fire alarm clangs, he and his partners, Billy and Sparks, are supposed to spring into action. Without them the firemen would never be able to move the gigantic steam pumper. And without a pumper the crew wouldn't be able to put out fires. Then one day the captain drives into the firehouse on a loud, newfangled contraption called a motorized fire truck. It doesn't need horses to pull it to a fire. So just like that, Magnus, Sparks, and Billy are out of a job. A little history, a little humor, and a whole lot of heart are artfully blended in this rousing tale of one high-spirited horse who can't accept being put out to pasture. And thank goodness! Because it's this steadfast sense of duty that ultimately saves the day.  
Sara Lost and Found-Virginia Castleman 2016-02-09 Sisters Anna and Sara must rely on each other for strength as they face being separated by the foster care system in this heartwrenching tale of sisterhood, family, and survival. Sara and Anna Olsen face an uncertain world. Their mother left home and may—or may not—be coming back. Their father is a drummer in a band and comes home long after the girls go to sleep—if he comes home at all. Too often, ten-year-old Sara and twelve-year-old Anna are left to fend for themselves. Then one night, three loud knocks at the door change everything: their father is in jail and social services has come to take the girls away. Rather than risk being split up, Sara and Anna decide their only option is to run away. But the girls don't get very far, and when the authorities catch up with them, Sara and Anna are forced back into the foster care system. Along the way, the girls encounter good people who want to help them but they also meet people who have no patience for mistakes or accidents. As Anna begins to act out or withdraw completely, Sara knows that it's up to her to take care of her older sister. But what if she can't anymore? What if she finds a forever home that may not include Anna? Will Sara keep the promise she made to her mother to stay with her sister or will she find the courage to do what's best for herself? In a starred review VOYA said "Sara's story will tug at heart strings; Readers will cheer for her to succeed." Inspired by true events, this heartrending and hopeful novel of survival, friendship, and sisterhood, tells the tale of two sisters who must find the strength to face anything that life may throw their way.

Kiss River-Diane Chamberlain 2019-03-11 Return to Kiss River in the second emotional novel in the acclaimed trilogy from bestselling author Diane Chamberlain. Separated by a continent from her child, Gina Higgins comes to Kiss River with little more than a desperate plan. Now, saving her daughter depends on whether she can uncover a message buried deep below the ocean's surface. Kiss River's historic nineteenth-century lighthouse has all but fallen into the sea, taking with it the huge Fresnel lens that once served as its beacon. Gina is desperate to find a way to raise the lens; the glass holds the key to her future, her fortune and her only chance to save the one person who matters to her. Clay O'Neill lives in the old light keeper's house, a home he shares with his sister, Lacey. When Lacey invites her to stay with them, Gina eagerly accepts. As Gina begins her quest to raise the lens, Clay finds himself drawn to her struggle, and to Gina herself. But the answers lie deep below the ocean. And the lighthouse holds secrets that neither Clay nor Gina can anticipate... Originally published in 2003

Shanghai Business Travel Guide-Lawrence Frank Deangelo 2006-01-15 An e-book that contains information from experienced Shanghai travelers on travel, hotels, entertainment, health issues, safety, and business etiquette. This Shanghai Business Travel Guide assumes you are a North American businessperson traveling directly from North America to Shanghai, China. The Guide's goal is to provide you with practical and current information that will allow you to plan and execute your trip most effectively. The Guide contains information written by business people who have lived, worked, and played in Shanghai. The Guide is different from most China travel guides, which are written for tourists not business people and are not frequently updated. Travel guides usually contain glowing reports of life in a particular country, we tell it like it is! This Guide helps you prepare for your trip by advising you how much to budget for your trip, how to get a visa, and what vaccinations you should have. We suggest the best hotels and help you find your way from the airport to your hotel. Of course the main purpose of your trip is business, and understanding Chinese business etiquette may mean the difference between a successful trip and a failure. We explain how the Chinese conduct business and guide you through business meetings and dinners. The Guide is packed with advice from experienced Shanghai travelers on all the things we love about the city and many of the problems we have encountered. We tell you how to power up your laptop and where to find the best restaurants and bars and what to do in an emergency. The Guide is packed with hyperlinks to relevant sites and even has a chapter on critical Chinese phrases you will need. And you can hear a native speaker recite the phrases. This is an electronic document that will be emailed to you (Be sure to include your email address with your order.) The document is in PDF format and can be read with free Adobe Acrobat Reader software ([www.adobe.com](http://www.adobe.com)).

Bodies of Truth-Rita Kesselring 2016-10-12 Bodies of Truth offers an intimate account of how apartheid victims deal with the long-term effects of violence, focusing on the intertwined themes of embodiment, injury, victimhood, and memory. In 2002, victims of apartheid-era violence filed suit against multinational corporations, accusing them of aiding and abetting the security forces of the apartheid regime. While the litigation made its way through the U.S. courts, thousands of victims of gross human rights violations have had to cope with painful memories of violence. They have also confronted an official discourse claiming that the Truth and Reconciliation Commission of the 1990s sufficiently addressed past injuries. This book shows victims' attempts to emancipate from their experiences by participating in legal actions, but also by creating new forms of sociality among themselves and in relation to broader South African society. Rita Kesselring's ethnography draws on long-term research with members of the victim support group Khulumani and critical analysis of legal proceedings related to apartheid-era injury. Using juridical intervention as an entry point into the question of subjectivity, Kesselring asks how victimhood is experienced in the everyday for the women and men living on the periphery of Cape Town and in other parts of the country. She argues that the everyday practices of the survivors must be taken up by the state and broader society to allow for inclusive social change in a post-conflict setting.  
Control Systems for Heating, Ventilating, and Air Conditioning-Roger W. Haines 2006-06-01 Control Systems for Heating, Ventilating and Air Conditioning, Sixth Edition is complete and covers both hardware control systems and modern control technology. The material is presented without bias and without prejudice toward particular hardware or software. Readers with an engineering degree will be reminded of the psychrometric processes associated with heating and air conditioning as they learn of the various controls schemes used in the variety of heating and air conditioning system types they will encounter in the field. Maintenance technicians will also find the book useful because it describes various control hardware and control strategies that were used in the past and are prevalent in most existing heating and air conditioning systems. Designers of new systems will find the fundamentals described in this book to be a useful starting point, and they will also benefit from descriptions of new digital technologies and energy management systems. This technology is found in modern building HVAC system designs.

A Review of the Principles of Such Methodists as Are Under the Direction of the Rev. Mr. John Wesley. by John Muirhead,John Muirhead 2018-04-24 The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. + + + + The below data was compiled from various identification fields in the bibliographic record of this title. Cart Before the Horse-Bernadette Marie 2011-05 Happily ever after doesn't always start with "first comes love." Gabriel Maguire thought he'd buried his past until the night he met Holly, only to lose the woman he cared about, again. Holly Jacobs has always put the cart before the horse. A prodigy who shot to stardom in textile design, she never knew a normal life-and there's nothing she longs for more than to be normal. Pregnant before she even knows the name of her baby's father, Holly has put the cart miles ahead of the horse this time. But when she and Gabe meet for the second time, they decide to have their baby together. Holly finally begins to accept her unique way of doing everything backward, but Gabe's very normality drives her up the walls. Then his tragic past rears up: pain and loss threaten to destroy forever the fragile bond that has blossomed between him and Holly. Sometimes the only way to get where you need to be is to put the cart before the horse.

Dandelion Wishes-Vicki Connellan 2019-12-03 How many times did you let someone break your heart before you stopped forgiving them? How many times did you let yourself hope for things to change, before you gave up and moved on? How long do you keep loving someone after they were gone? Marnie had lost people she loved, some weren't able to come back, others, one in particular, well, he stayed away by choice, and that hurt. It hurt every day, even six years on. It still hurt. Nevertheless, facing the man again was inevitable. Sharing her secret with him was inevitable. Still loving the man who had captured her heart since the day they met, that was inevitable too, after all, the heart wants what the heart wants. But forgiving Reed Tucker for walking out of her life and not looking back, well, that was another story. Marnie might still be in love with her childhood sweetheart, but that meant nothing if she couldn't trust the man, or forgive him, and right now, she could do neither of those things. There hadn't been a day go by in the past six years where Reed Tucker hadn't thought about Marnie. In the beginning, he missed her like crazy, now, all he did was wonder if she would ever forgive him for cutting her and his father out of his life. He doubted it. Marnie had always been strong willed, and if she thought you'd wronged her, then you had little chance of a future with her in it, and boy had he wronged her. Now, six years on, Reed had to face the woman he loved, and own up to the actions of his past. The only thing was, would he be able to walk away again, especially once he discovered the secret his father and Marnie had kept from him all these years.
