Age of Magic-Elise Kova 2018-09-10 A new age has dawned. Will Jo be its savior, or its downfall? The Society is over and its members are now free in a new world. But freedom is not what it seems, and their true enemy is still at large. Joining together one last time, the members lend their magic and knowledge to Jo to finally put an end to the madness of Chaos and finally free Snow. There's no easy path to victory, and securing the future of the new Age of Magic may cost Jo everything. Will her plan be enough to finally end a divine war that has spanned across thousands of years? Or is this new Age of Magic merely a precursor to the final Age of Oblivion? Age of Magic is a full length fantasy/paranormal romance novel that's the third book in the Wish Quartet, a four-book series that establishes the Age of Magic universe. It's perfect for readers who love time travel, twisty slow-burn stories, and steamy (sexy) romance.
Fuzzy-Tom Angleberger 2016-08-16 From the minds of Tom Angleberger, the New York Times bestselling author of the wildly popular Origami Yoda series, and Paul Dellinger, an adult science-fiction writer, comes a funny middle school story with a memorable robot title character. Reluctant readers and robot lovers in elementary and middle school will enjoy this fast-paced read that shows just how strange a place middle school can be, particularly when the new student is a state-of-the-art robot. When Max—Maxine Zelaster—befriends her new robot classmate Fuzzy, part of Vanguard One Middle School's new Robot Integration Program, she helps him learn everything he needs to know about surviving middle school—the good, the bad, and the really, really, ugly. Little do they know that surviving seventh grade is going to become a true matter of life and death, because Vanguard has an evil presence at its heart: a digital student evaluation system named BARBARA that might be taking its mission to shape the perfect student to extremes! With a strong female main character who will appeal to all readers, Tom Angleberger and Paul Dellinger's new novel offers readers a fresh take on robots. Fuzzy will find its place in the emerging category of bestselling books featuring robots, including Jon Scieszka' s Frank Einstein series and James Patterson's House of Robots. Be sure to check out all of Tom Angleberger's other acclaimed books for middle-grade readers, including Poop Fountain!, The Rat with the Human Face; Horton Halfpott; Fake Mustache; and the bestselling Origami Yoda series: The Strange Case of Origami Yoda, Darth Paper Strikes Back, The Secret of the Fortune Wookiee, Emperor Pickletine Rides the Bus,Princess Labelmaker to the Rescue, and Jabba the Puppet. For younger readers Tom wrote the picture book McToad Mows Tiny Island, illustrated by John Hendrix, and for chapter book readers, Tom wrote the Inspector Flytrap series, illustrated by his wife Cece Bell.
Separated-Shane Peacock 2016-09-20 When Adam's grandfather first suggests taking him on a quick trip to Sweden to celebrate his upcoming thirteenth birthday, visions of being in one of the coolest places on earth—and he's not thinking of the temperature—dance in Adam's mind. But on his way there he reads that Swedes have a darker past, and present, than he ever imagined. Then he finds himself alone and separated from his grandfather in busy Stockholm. He is followed by unsmiling strangers, chased by ghosts down alleyways and constantly watched by the strangest girl he's ever seen. And then another's terror. But perhaps bigger than the terror of being lost, begins to overwhelm him. In this fast-paced prequel to Last Message and Double You, the outwardly confident but often secretly anxious Adam wanders the streets of Stockholm.
Rogue Mage-Brandon Barr 2017-08-10 Out of the ruin of civilization rises good men and dark-hearted bastards. Eighteen-year-old Payetta is particularly fond of killing the bastards. Payetta hungers for payback against Titannus, the mage who wiped her village off the map. She bides her time by protecting the innocent farmers of the Meadowlands from the mage's raiders and awaits the day she can fight Titannus face to face using her own deadly magic. That day comes in like a storm. Sweeping into the fray is a loner with a personal mission to restore civilization. He carries with him a swift sword and his legendary ancestor's tenacious desire for justice. An epic showdown awaits in the Meadowlands and when it happens? Heads will fly. Set on the foundation laid by the Kurtherian Gambit Series, Rogue Mage tells an entirely new story in the Age of Magic—and of the heroes and villains who battle for control of its destiny.
The Abominables-Eva Ibbotson 2013-10-08 Renowned literary great Eva Ibbotson delivers a final novel in her classic, much-loved style. A previously unpublished work from this favorite author, The Abominables follows a family of yetis who are forced, by tourism, to leave their home in the Himalayas and make their way across Europe to a possible new home. Siblings Con and Ellen shepherd the yetis along their eventful journey, with the help of Perry, a good-natured truck driver. Through a mountain rescue in the Alps and a bullfight in Spain, the yetis at last find their way to an ancestral estate in England—only to come upon a club of voracious hunters who have set their sights on the most exotic prey of all: the Abominable Snowmen. Briskly funny and full of incident, The Abominables is vintage Ibbotson. With unforgettable characters and thoughtful messages about the environment and advocacy, it's a generous last gift to her many devoted fans. Praise for The Abominables STARRED REVIEWS "A satiric farewell from a favorite author." --Kirkus Reviews, starred review "A memorable finale to a treasured body of work." --Publishers Weekly, starred review "The novel is full of whimsy, charm, and sly humor. The yetis will tug at readers' heartstrings and make them laugh. The writing is lean, witty, and subtle. Ibbotson manages to touch on ethical messages of human rights, advocacy, and environmentalism without being obvious." --School Library Journal "The writing is skillful, precise, and frequently funny, and it offers an effective counterbalance to some of the story's more serious social criticism..." --Bulletin of The Center for Children's Books "Readers will enjoy Ibbotson's final book." --Library Media Connection

Dawn of Destiny-Amy Hopkins 2017-12-13 When the greatest horrors exist in the mind, how do you deal with a man who puts them there? Julianne is the strongest mystic of her generation. Her mental magic might even be getting stronger... it's hard to tell when her practice time is eaten up by paperwork and leading her people. That is, until a rogue mystic cult shows up, trying to drag Julianne into their plot for world domination. Crossing the dangerous Madlands and issuing a slap down to the bad guys is just the kind of trip she needs - some quiet solitude and the chance to kick some ass. If only her smartass companions had stayed at home... Set on the foundation laid by the Kurtherian Gambit Series, Dawn of Destiny tells an entirely new story in the Age of Magic.

Daughters of the Storm-Kim Wilkins 2018-03-06 Five very different sisters team up against their stepbrother to save their kingdom in this Norse-flavored fantasy epic—the start of a new series in the tradition of Naomi Novik, Peter V. Brett, and Robin Hobb. FIVE ROYAL SISTERS. ONE CROWN. They are the daughters of a king. Though they share the same royal blood, they could not be more different. Bluebell is a proud warrior, stronger than any man and with an ironclad heart to match. Rose's heart is all too passionate: She is the queen of a neighboring kingdom who is risking everything for a forbidden love. Ash is discovering a dangerous talent for magic that might be a gift—or a curse. And then there are the twins—vain Ivy, who lives for admiration, and zealous Willow, who lives for the gods. But when their father is stricken by a mysterious ailment, these five sisters must embark on a desperate journey to save him and prevent their treacherous stepbrother from seizing the throne. Their mission: find the powerful witch who can cure the king. But to succeed on their quest, they must overcome their differences and hope that the secrets they hide from one another and the world are never brought to light. Because if this royal family breaks, it could destroy the kingdom. The saga continues in . . . SISTERS OF THE FIRE Praise for Daughters of the Storm ("Daughters of the Storm) is a twisty high fantasy . . . exploring political machinations and the relationships between sisters; betrayal lurks at every turn."—The Washington Post "This fantastic series opener, powered by an engaging, female-led cast of characters, is riveting from page one right through to the end, with almost every scene bringing new excitement and intrigue. All of the five leading women are richly drawn, with distinct voices and multidimensional personalities that never slip into caricature. [Kim] Wilkins sketches these royals with nuance and sensitivity, making even the vexing characters like careless Ivy and the villainous Wylm feel worthy of our sympathy. . . . Wilkins has struck gold with her thrilling high fantasy world. Book two can't arrive soon enough!"—RT Book Reviews "Readers who enjoy epic journeys and strong female protagonists will enjoy Wilkins's first installment of her new Sisters of the Fire series."—Booklist

The Thief's Apprentice-Bryan Methods 2016-10-01 Oliver, the meek son of a wealthy British industrialist, discovers the identity of a notorious thief, a man who has been skillfully evading Scotland Yard and snatching priceless artifacts for sport: Mr. Scant, his family butler. Falcon Wild-Terry Lynn Johnson 2017-09-19 An action-packed, contemporary novel about surviving in the wilderness. Thirteen-year-old Karma is desperate to become a certified falconer. At her dad's bird education center, she helps give demonstrations to guests and can fly the birds. But when her favorite rescued falcon, Stark, hurts Karma, her parents insist that they return the bird to its previous owner—in Canada. On the way to bring Stark back, a car accident in the middle of nowhere leaves Karma's dad trapped, and it's up to Karma to fly to rescue him and her younger brother. When Karma loses her way trying to get help, she crosses paths with Cooper, a troubled teenaged boy. Lost for three days, the two figure out how to survive, and Karma teaches Stark to hunt like an actual bird of prey. Karma may be closer than she thinks to becoming a real falconer and having a real friend.

The Gathering Storm-Robert Jordan 2009-10-27 Follows the efforts of Dragon Reborn Rand al'Thor to unite a fractured network of kingdoms and alliances to prepare for battle against the Shadow.

Storm Riders-Margaret Weis 2013-07-16 Daring dragon-riders fight to save a uniquely magical world from destruction by vengeful outcasts, in Storm Riders by Margaret Weis and Robert Krammes In a world where magic is intrinsic to the fabric of everyday life, two kingdoms, centuries-long enemies, have long sought a powerful magical weapon that will win them lasting dominance. But neither realm is ready when they are both attacked by the Bottom-Dwellers, a bitter people whose own land was destroyed, and who now live only to take vengeance on those they blame for a wretched life in the storm-tossed abyss they inhabit. Using contramagic strengthened by blood sacrifice to attack the world above, they threaten to bring down whole cities, or even the island kingdoms themselves. Freya and Rosia are forced to put aside their age-old conflict to defend themselves, or risk losing everything. As the Bottom-Dwellers' contramagic eats away at the magic of the dragons that helps protect the world above, a former dragon-riding hero gathers a ragtag group to form a new dragon brigade, the one desperate hope of the two kingdoms to defeat the fiends who threaten their world. As the effects of contramagic bring the world ever closer to disaster, the new dragon brigade fight the vengeful adversary. Their high-flying heroics will be to no avail, though, unless they can somehow uncover forbidden knowledge, long hidden by the Church, without which they will never be able to prevent the world's destruction. Storming the Magic Kingdom-John Taylor 1988

Dynamacist-Lee Hunt 2020-02-20 Would it kill you to create something genuinely new? In Robert's world, it used to. Supernatural vengeance for invention is now a thing of the past. Young, optimistic, quick of mind and quick to act, Robert thinks being invited to the New School is an invitation to change the world. But change is difficult when there is no history of innovation. He is initially successful in his studies, but nothing is as simple as he naively imagines. His classmates confuse and frustrate him. One is a drunk, while another two constantly stalk him. Is it for love or something more sinister? Robert's optimism is further tested by protestors who circle the campus, decrying the newly invented breed of grain. They claim it is poison and that the New School should be punished by Nimrheal, the god who formerly murdered inventors. Robert suspects foreign business influences are behind the protests, but he quickly finds that investigating their cause is dangerous. Robert's most difficult challenges are his unresolved childhood issues. His mother died while he was a child. Robert's formative helplessness and inability to remember her face projects into a powerful and blinding protectiveness towards all women. When a campus assault pushes Robert over the edge, his hopes of even staying at the New School are jeopardized. He cannot aspire to change the world if he does not even know himself. At the same time as Robert struggles on campus, a powerful, ruthless and emotionally closed man known only as the Lonely Wizard journeys across an empty wilderness to return home. As Robert and the Lonely Wizard move closer together, Robert finds that instead of entering a golden era of invention, he may instead be on the brink of a cold war and an endless, unchanging dark age.

The Fall-Garth Nix 2008 Tal tries to steal a sunstone, but during his act of thievery it is thrown off the Castle of Seven Towers by a powerful Spiritshadow Keeper. He falls down to the iceworld below, where he is captured by Icecarls. To save his life, he must team up with Milla - a Shield-Maiden in training - and offer his aid to the nomads. The Savage Earth-P. T. Hylton 2017-04-26 It's been over a century since the humans lost the war for Earth. Cities have been reclaimed by nature, and the planet is quiet and empty by day. At night, feral vampires-more beast than man-roam the lands, hungry for blood. The few thousand surviving humans live on a massive airship that circles the Earth, moving with the rotation of the planet so it's always in sunlight. Alexandria Goddard is a member of the elite Ground Mission Team, a group tasked with making dangerous runs to the planet's surface for the supplies needed to keep the ship airborne. But even as the team fights for their people's survival, dangerous forces are working against them. A growing movement abroad the airship believes it's time for humans to resettle the Earth, and they are willing to go to extreme measures to make their vision a reality. As the situation aboard the ship becomes more desperate, Alex and her team discover a terrifying secret about the vampires infesting the Earth. P.T. Hylton, author of Regulation 19 and the Zane Halloway series, and Jonathan Benecke, a bold new voice in science fiction, bring you a post-apocalyptic vision of a world where vampires rule, humanity is on the run, and safety is an illusion as fleeting as a shadow.

A Wizard of Earthsea-Ursula K. Le Guin 2012-09-11 Originally published in 1968, Ursula K. Le Guin's A Wizard of Earthsea marks the first of the six now beloved Earthsea titles. Ged was the greatest sorcerer in Earthsea, but in his youth he was the reckless Sparrowhawk. In his hunger for power and knowledge, he tampered with long-held secrets and loosed a terrible shadow upon the world. This is the tumultuous tale of his testing, how he mastered the mighty words of power, tamed an ancient dragon, and crossed death's threshold to restore the balance. This ebook includes a sample chapter of THE TOMBS OF ATUAN. Through the Magic Door-Arthur Conan Doyle 1909

The Warrior Returns-Allan Cole 1997-03 A powerful young sorcerer and a would-be conquering king begin their dangerous adventures in this first part of a breathtaking new fantasy series -- by the acclaimed author of The Warrior Returns. Crossroads Burning-Layla Nash 2018-03-29 Sass Luckett is cursed. Not because her truck keeps breaking down, her bank account's on life support, and she's constantly dodging packs of dire wolves looking for a witch-sized snack. No, Sass's family is literally cursed: they must stay and guard their small town of Rattler's Run from the Crossroads, the Bermuda Triangle of the prairie. If Sass and her sisters flee, the uncontrolled magic will wipe the town straight off the map—and the world will be overrun by the unnatural critters that emerge from the cataclysm. Not to mention that there's a couple generations of Luckett ghosts hanging around the attic, just itching to point out how she's failing. Sass dreams of a completely different, completely normal life far away from Rattler's Run. But that would require money and magic she just doesn't have. And then some fast-talking, big city researchers offer her a fat paycheck to play tour guide on the Crossroads. When all hell breaks loose—literally—Sass realizes they're not tracking normal wolves at all. The strangers are actually government agents investigating the magical shenanigans in and around Rattler's Run, and somehow they think Sass is the key to restoring balance in the Crossroads. There's only so much cursing a witch can take, and Sass is running out of friends and patience. It's just a matter of time until she's sh*t-outta-Luckett.

The Terror of the Bigfoot Beast-Laurie Sutton 2014 A relaxing weekend at a cabin in the woods turns into an adventure when Scooby Doo and the gang apparently encounter Bigfoot—and the reader must help them solve this mystery.

Sacred Economics-Charles Eisenstein 2011-07-12 Sacred Economics traces the history of money from ancient gift economies to modern capitalism, revealing how the money system has contributed to alienation, competition, and scarcity, destroyed community, and necessitated endless growth. Today, these trends have reached their extreme—but in the wake of their collapse, we may find great opportunity to transition to a more connected, ecological, and sustainable way of being. This book is about how the money system will have to change—and is already changing—to embody this transition. A broadly integrated synthesis of theory, policy, and practice, Sacred Economics explores avant-garde concepts of the New Economics, including negative-interest currencies, local currencies, resource-based economics, gift economies, and the restoration of the commons. Author Charles Eisenstein also considers the personal dimensions of this transition, speaking to those concerned with "right livelihood" and how to live according to their ideals in a world seemingly ruled by money. Tapping into a rich lineage of conventional and unconventional economic thought, Sacred Economics presents a vision that is original yet commonsense, radical yet gentle, and increasingly relevant as the crises of our civilization deepen.
