Studies on Mystical Tarot-Yolanda M. Robinson, Ph.d. 2013-05-24 Succinct and powerful, this study of the sixteen Court cards in Tarot deserves a place in every Hermetic library. Tarot through the lens of transformational psychology serves to reinforce the ways that the Renaissance and Humanism framed the consciousness of future generations. The Courts are here presented as archetypal energies and mystical tools for transformation, following the western esoteric traditions of the Golden Dawn and Builders of the

Adventures in Urban Mysticism-Jason Walter (M.A) 2012-11-01 Adventures in Urban Mysticism (AUM)

Vol. 1: Rebirth spans a year in the Life of JMAW, a human+being, as he put the pieces together after losing what mattered most to him. Years before, he had been issued a higher calling by a messenger of the spirit after a near-death experience. Despite this, fear crippled him from embodying love, and as a result, his choices created suffering in his life and those he cared about, time and time again. By searching for a more intuitive, natural, and mystical way of being, JMAW found a deeper connection in spirit. He did this by praying for dreams, following signs, interpreting their symbols, and honoring each with a step in faith. Doing this work allowed him to see the sacred reflection of Aloha ke Akua (God is Love), by finally finding that mirror within himself. JMAW was ultimately guided to spiritual work and has served people from around the world in a variety of roles, including psychic, guide, and teacher. AUM Vol. 1 explores all of this and expands through the range of consciousness from light to dark and the grey in between. This entirely true story even includes a cameo appearance by the devil himself.

Mystical Origins of the Tarot-Paul Huson 2004-05-26 Thoroughly examines the original historical source of each tarot card, how the card's divinatory meanings evolved from these symbols, and provides authentic spreads and divination techniques from the eighteenth and nineteenth centuries. Original.

Magical Tarot, Mystical Tao-Diane Morgan 2003-03-19 Blending Western tradition and Eastern Taoist thought, this unusual guide explains how to use that Tao Te Ching as a framework for interpreting the Tarot cards. Original. 20,000 first printing.

New thoughts on tarot-Mary Katherine Greer 1989-05-01

Whole Lotta Led: Our Flight With Led Zeppelin-Ralph Hulett 2005-09-01 In September 1968, four English lads gathered together for the first time in a small, stuffy London rehearsal room in a basement filled with wall-to-wall amplifiers. It was their first big tryout as musicians, and each of them was nervous. Would they come together as a band? Or would they crash and burn, becoming nothing but a rock footnote? Then the room exploded, with wailing chords, howling vocals, and a locked-tight rhythm section—a sonic assault of heretofore unknown power. Here for the first time was Led Zeppelin: the screaming rock guitar of Jimmy Page, the scorching blues vocals of Robert Plant, the driving jazz bass of John Paul Jones, and the power drumming of John Bonham. The session was amazing, electrifying, and stunning. The Zepp had arrived. There was no turning back. And rock entertainment would never be the same again. Told by the band, the musicians, the groupies, and the fans themselves, this chronicle of one of rock's greatest and most innovative bands comes alive with the hiss of turntables, the sweat of the crowd at the Fillmore East, the hustle and bustle of backstage life, and the electricity of small clubs where rock history was about to be made. It's a story about a band's influence on two impressionable guys, and the countless others who came to get the Led out and stayed to become part of rock 'n' roll legend. With exclusive and rare photos

International Books in Print- 1994

A Rhetorical Analysis of Under the Volcano-Dana Grove 1989 This is a rhetorical exploration of Malcolm Lowry's novel Under the Volcano, which seeks to elucidate the techniques that Lowry employed to amplify the fragmentation of the Consul and his world. It offers a critical examination of the book, on a chapter-by-chapter basis, for its techniques, themes and sources. This study seeks to provide a synthesis of what has been thought and said about the novel. It also contains a comprehensive bibliography of other critical studies of Under the Volcano (including book reviews).
