Just a Spoonful of Laughter Helps the Medicine Go Down-Richard D. Edgerly, MD 2011-03-29 Just a Spoon Full of Laughter...is a great read for anyone that's been to a doctors office and made it out alive. Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales. "The funniest book I ever read." Says Dr. Zhivago "Yes! Yes! Yes!" Says Dr. No

Bringing Down this House-Patrick Odionikhere 2008 For freedom to have a meaning, it must come through the sacrifice of the people. It is on this notion that the book narrates the journey of Nigeria and its people from the colonial perspective; it highlights contemporary realities with critical thoughts and gives an in-depth understanding of power politics. The book is a thorough work on Nigeria's historical and political evolution since the inception of its self-rule, with special appraisal on its political leaders. It provides insight on how Nigeria can be re-shaped by a new definition of power. The author argues persuasively, the road that should be taken by the people of Nigeria, in restoring the meaning of citizenship.

Complete Nothing-Kieran Scott 2014-09-30 True's matchmaking skills are the stuff of legend! The second novel in Kieran Scott's delightful teen romance series that TeenVogue.com called "the next Twilight." True is not exactly loving New Jersey. Banished from Mount Olympus and tasked with helping couples find love without using her powers, the goddess-formerly-known-as-Cupid is having a tough time. Especially now that True's immortal love, Orion, has also appeared at her New Jersey high school—but with no memory of their relationship. To distract herself from seeing Orion flirt with another girl, True focuses her efforts on making a match: Peter and Claudia. Peter is the star quarterback and the most popular guy in school. But he's insecure about his future, so he preemptively dumps Claudia, his girlfriend. (If she won't want to be with him later, why stay together now?) Claudia doesn't take the breakup too well, and she's ready to show the quarterback of their rival school just how ready she is to get over it. But True sees something in these two seniors. She believes they should be together—but can she help them find their way back to each other (and get herself closer to home)? Or have things already spun too far out of control?

Marriage Bargain with His Innocent-Cathy Williams 2019-05-01 Their engagement is accidental. Indulging their passion is deliberate... Commanding tycoon Matias Silva is less long-term romance, more million-dollar business deals. Until his sweet childhood friend Georgie White anxiously confesses his family believes they're engaged. Matias never does anything by halves—if they're going to pretend, he's all in. Whisking Georgie to his sprawling coastal mansion, he'll ensure everyone believes their charade. But discovering Georgie's true innocence suddenly makes their fake relationship feel unexpectedly—deliciously!—real... Atlantos-Robin Maxwell 2015-07-15 Inspired by the writings of Plato 12,000 years in the past... On two primeval sister-planets two magnificent civilizations hurtle towards their cataclysmic destinies. Poseidon and Athens Ra are the two rival brothers who govern them. They possess advanced technos and all-too-human passions. Are they gods or are they men? Level-headed Terresian explorer and scientist Poseidon Ra commands an expedition to Erthe where a routine genetic protocol on the aboriginal population has unexpectedly triggered a staggering leap in human evolution. He quickly realizes that he's traveled 940 million miles across the solar system only to fall in love with a planet...and its exceptionally advanced, exquisite native daughter. Sensualist and bad boy Athens Ra has been tasked with governing the mining colony of Mars - a life-sustaining mission crucial to the survival of the home world. The drilling spawns riches beyond imagining, and enemies that are the stuff of nightmares. One brother discovers a love that will change the course of history, the other...monsters, madness and death.

The Spectrum of Psychotic Disorders-Daryl Fujii 2007-03-08 The spectrum of psychotic disorders encompasses as many as 25 different etiologies, ranging from the primary psychoses through those secondary to medical conditions, drugs and medications, and sensory impairments. This 2007 book provides a one-stop, comprehensive review of these disorders and gives quick comparisons for diagnostic decision-making to help with difficult differential diagnoses. Every chapter is uniformly structured to show comparisons between each disorder of presentation, course, and underlying neuropathology. Evidence for each etiology is also rated, indicating the confidence level the reader can place in the current findings. The international team of authors also examines data supporting a unitary neurobiological model of psychosis and the hypothesis that psychosis is a neurobiological syndrome similar to aphasia or apraxia. This book represents a paradigm shift in understanding, classifying and diagnosing these disorders, providing directions for future research and treatment. It will be of great interest to psychiatrists and neuroscientists alike.

Journal of Alfred Ely-Alfred Ely 2008-10-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Intermediate Accounting, Working Papers, Volume 1-Donald E. Kieso 2010-09-28 Due to the emergence of IFRS as the required convention for reporting to stock exchanges in the European Union and other important markets, accountants must gain a strong understanding of these standards. Intermediate Accounting integrates this new information throughout the chapters so they'll learn how to apply the new global accounting standards. Global examples are presented to clearly show how the information is utilised in the field. The use of various currencies is also explored, which is critical for accountants to know in today's global businesses environment.
