The Houston Crime Scene Collection-DiAnn Mills 2020-03-03 Bestselling author DiAnn Mills's romantic suspense Crime Scene: Houston novels are now available in one e-collection. The Chase To the FBI it's a cold case. To Kariss Walker it's a hot idea that could either reshape or ruin her writing career. And it's a burning mission to revisit an event she can never forget. Five years ago, an unidentified little girl was found starved to death in the woods behind a Houston apartment complex. A TV news anchor at the time, Kariss reported on the terrifying case. Today, as a New York Times bestselling author, Kariss intends to turn the unsolved mystery into a suspense novel. Enlisting the help of FBI Special Agent Tigo Harris, Kariss succeeds in getting the case reopened. But the search for the dead girl's missing mother yields a discovery that plunges the partners into a witch's brew of danger. The old crime lives on in more ways than either of them could ever imagine. Will Kariss's pursuit of her dream as a writer carry a deadly price tag? Drawing from a real-life cold case, bestselling novelist DiAnn Mills presents a taut collage of suspense, faith, and romance in The Chase. The Survivor Is it her next bestseller? . . . Or her last words? Kariss gets the chance to tell her most powerful story yet. But will it revitalize her writing career? Or bring it to a violent end? Kariss meets Dr. Amy Garrett, who survived a brutal childhood attack in which the assailant was never found. Now Dr. Garrett wants her story written in a novel. Kariss wishes she could seek the advice of Special Agent Tigo Harris, but she broke off the relationship a few months prior and seeing him again would be too painful. She interviews Amy and conducts her own research, stepping unaware into danger. Tigo misses Kariss and wants her back, but he understands why she broke off their relationship. Instead, he concentrates on solving a car bombing and bringing the killer to justice. As Kariss's new story attracts an onslaught of danger that she never expected, can Tigo save the woman he loves and find out who wants her dead for writing about an unsolved cold case?

The Survivor-Gregg Hurwitz 2013-07-30 Anticipating suicide only to foil a bank robbery and receive a blackmail note from one of the robbers, Nate, a former soldier, is kidnapped by a mobster who threatens Nate's family to force him to complete the robbery he interrupted.

Deadlock-DiAnn Mills 2015-09-17 Two murders have rocked the city of Houston. Are they the work of a serial killer, or is a copcayt trying to get away with murder? That is the question facing Special Agent Bethany Sanchez, who is eager for her new assignment in violent crimes but anxious about meeting her new partner. Special Agent Thatcher Graves once arrested her brother, and he has a reputation for being a maverick. Plus, their investigative styles couldn't be more opposite: he operates on instinct, while she goes by the book. When hot leads soon fizzle out, their differences threaten to leave them deadlocked. But an attempt on their lives turns up the heat and brings them closer together, and a third victim might yield the clue that will help them zero in on a killer. This could be the case of their careers . . . if they can survive long enough to solve it.

Attracted to Fire-DiAnn Mills 2011-10-12 Special Agent Meghan Connors' dream of one day protecting the president of the United States is about to come true. Only one assignment stands in her way. After the vice president's rebellious daughter is threatened, Meghan is assigned to her protective detail on a secluded ranch in West Texas. Unfortunately, working with Special Agent in Charge Ash Zinders may be as tough as controlling her charge. Ash has a reputation for being critical and exacting, and he's also after the same promotion as Meghan. But when the threats escalate and security on the ranch is breached, it becomes clear this isn't the work of a single suspect—it's part of a sophisticated plan that reaches deeper and higher than anyone imagined. And only Ash and Meghan can put the pieces together before it's too late.

Pursuit of Justice-DiAnn Mills 2010-10-01 Special Agent Bella Jordan is assigned to investigate a series of murders in West Texas that are linked to the Spider Rock Treasure. Since she spent the first fifteen years of her life in this area, FBI authorities believe she can get the job done. What they don't know is that one of their prime suspects—a man who's been on their wanted list for years—is deeply connected to Bella's past. The other prime suspect is Carr Sullivan, the man who owns the ranch where the murders occurred. Carr was once one of the wealthiest businessmen in Dallas and has a shady past a mile long. But it appears he's turned his life around. Can Bella trust him, or is he just trying to cover his tracks? As Bella probes deeper into the case, threats on her own life convince her the killer is someone she knows. But it soon becomes clear he's not working alone, and she'll need to face the past she's tried so desperately to forget in order to solve the case and prevent more murders.

Double Cross-DiAnn Mills 2015-03-20 FBI Agent Laurel Everson's investigation into a scam targeting the elderly takes an unexpected twist when key evidence leads her to Morton Wilmington, a felon she arrested five years ago on her first undercover assignment. That case has haunted her since, and though she's vowed to forget Wilmington—and what she sacrificed to put him away—he is now her best lead. Houston Police Officer Daniel Hilton fears his grandparents may be the scammer's next targets, and he'll do anything to protect his family—even force interagency cooperation. But he's quickly drawn to Laurel's empathy and zeal and agrees to follow her lead . . . even if it means teaming up with a felon. As the unlikely trio uncovers evidence suggesting the scam is more extensive and deadly than they imagined, both Laurel and Daniel find themselves in the crosshairs of a killer. Together they must decide if they can trust Wilmington's claims of redemption, or if he's leading them straight into a double cross.

Houston-Melissa Bell 2014-05-12 Houston and his brothers are looking for a fresh start, can they make a go of it with 'Five Brothers Security' in Queensland, Australia. Houston an ex-federal agent meets Cameron a police detective that has just transferred back into the area. The two join forces to work a difficult case. Is it possible there could be more than meets the eye, Houston is tall, dark, handsome and cursed? Cameron is a strong independent woman, she's had to fight hard to get her detective's shield in a male-dominated world, should she trust Houston to help her with the case that could make or break her career?

Deadly Encounter-DiAnn Mills 2016-08-01 Airport Ranger volunteer Stacy Broussard expected a peaceful Saturday morning ride around the perimeter of Houston's airport. What she encounters instead is a brutal homicide and a baffling mystery. Next to the body is an injured dog, the dead man's motorcycle, and a drone armed with a laser capable of taking down a 747. Though FBI Special Agent Alex LeBlanc sees a clear-cut case of terrorism, his past has taught him to be suspicious of everyone, even witnesses. Even bleeding-heart veterinarians like Stacy. But when her gruesome discovery is only the first in a string of incidences that throw her life into a tailspin, Alex begins to wonder if Stacy was targeted. As a health emergency endangers Stacy's community, and the task force pulls in leads from all directions, Alex and Stacy must work together to prevent another deadly encounter.

Fatal Strike-DiAnn Mills 2019-09-03 There's a killer on the loose in Galveston, targeting law enforcement officials and using a fatal injection of snake venom to take them down. Authorities have reasons to believe the Veneno gang is behind the hits, and FBI Agents Leah Riesel and Jon Colbert team up to track down those responsible. Their best lead is an eyewitness who identifies a young man dumping the third body on a church doorstep. But their suspect has gone into hiding, and those closest to him are reluctant to reveal anything that might help investigators find him. As Leah and Jon check connections among the victims and dig deeper into motives, they discover appearances may be deceiving. Someone is desperate to keep their secrets hidden, and Leah and Jon must face their greatest fears in order to stop the next fatal strike.

Possessed-Kathryn Casey 2016-09-27 A WALKING NIGHTMARE—IN SIZE-NINE SILETTOS . . . The officer responding to a 911 call at one of Houston's hippest high-rises expected the worst. After all, domestic violence situations can be unpredictable. But nothing could've prepared him for what he found: a beautiful woman drenched in blood . . . an older man lying dead on the floor . . . and a cobalt blue suede stiletto with tufts of white hair stuck to its five-and-a-half-inch heel. With her stunning looks, magnetic personality, and erratic behavior, Ana Trujillo had a notorious reputation on the downtown Houston scene. She spoke often of occult powers, though few knew how deeply she believed such boasts. Stefan Andersson was a gentle soul, a Swedish transplant with a good career and trusted friends, who was desperate to find someone special. Theirs is a story of obsession, madness, and tragedy. Because once Stefan fell head over heels for Ana, he was under her control—and he didn't have a chance in hell.

Chase Darkness with Me-Billy Jensen 2019-08-13 ***With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more*** Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of I'll Be Gone in the Dark, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allenstown Four. And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, Chase Darkness with Me is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.

The Glass Castle-Joannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Under Strange Circumstances-James Halloran 2020-05-22 "What's this dream?... What could it mean?" He was an atheist, he didn't believe in the supernatural. His line of thoughts didn't seem to touch that aspect. He was looking for all logical explanations for this very bad dream. He was in a state of deep thought when he wondered into wonderland.

Vampire-Kevin M Sullivan 2014-12-02 VAMPIRE: The Richard Chase Murders is the tale of a diabolical, homicidal madman running amok, mutilating and murdering the unsuspecting residents in the quiet neighborhoods of Sacramento, CA. His diabolical and unrelenting desires, not just to kill his victims but to drink their blood, unleashed a terror within the city unlike anything the residents had ever known. By the time Richard Trenton Chase graduated high school, everyone knew he was strange. But no one had any idea how bizarre he'd become, or what dark impulses were flowing through his troubled brain. The transformation from the outwardly strange young man to the diabolical killer he ultimately became, was gradual and would not become known until it was too late. First it was the killing of small animals and birds, and the drinking of their blood. However, when these sacrifices failed to satiate his needs, Richard Chase would seek out the highest form of life, and the city of Sacramento, California would react in horror to the hideous murders and mutilations committed by his hands. For those living in the quiet neighborhoods where the murders occurred, it was nothing less than a time of terror until the fiend was captured. VAMPIRE is an in-depth look into the life and disturbed mind of a killer, his family, and his many victims, the living as well as the dead. Within these pages you'll discover what it was like for the police, and what a difficult job they had finding a killer they knew wouldn't stop until he was apprehended. It was a race against time, in a series of murders that would stun even the most hardened investigators. It is the story of a city under siege, held captive by the man whose appetite for blood could not be satiated.

The Postman Always Rings Twice-James M. Cain 2010-11-03 An amoral young tramp. A beautiful, sullen woman with an inconvenient husband. A problem that has only one grisly solution—a solution that only creates other problems that no one can ever solve. First published in 1934 and banned in Boston for its explosive mixture of violence and eroticism, The Postman Always Rings Twice is a classic of the roman noir. It established James M. Cain as a major novelist with an unsparring vision of America's bleak underside, and was acknowledged by Albert Camus as the model for The Stranger.

God's Crime Scene-J. Warner Wallace 2015-08-01 There are four ways to die, and only one of them requires an intruder. Suicides, accidental, and natural deaths can occur without any evidence from outside the room. But murders typically involve suspects external to the crime scene. If there's evidence of an outside intruder, homicide detectives have to prepare for a chase. Intruders turn death scenes into crime scenes. Join J. Warner Wallace, former atheist, seasoned cold-case detective, and popular national speaker as he tackles his most important case ... with you on the jury! With the expertise of a cold-case detective, J. Warner examines eight critical pieces of evidence in the "crime scene" of the universe to determine if they point to a Divine Intruder. If you have ever wondered if something (or someone) outside the natural realm created the universe and everything in it, this is the case for you.

Savage Appetites-Rachel Monroe 2020-07-07 A "necessary and brilliant" (NPR) exploration of our cultural fascination with true crime told through four "enthraling" (The New York Times Book Review) narratives of obsession. In Savage Appetites, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim's family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women's complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, Savage Appetites is a "corrective to the genre it interrogates" (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

Mercy-David L. Lindsey 1990 Carmen Palma is a Homicide Detective in Houston, a strong female in a world that is still almost exclusively male. When two women are found murdered in an identical, bizarre fashion, Palma suspects the worst: a sexually motivated serial killer. When a third woman is murdered, Palma discovers that the victims are all part of an underground ndetwork of upper-class women living secret double lives, and she realizes that she is way out of her depth. Written with shocking yet fascinating realism based on authentic research, MERCY's complex psychological suspense, vivid settings and powerful characterisation make it a superb and compulsive thriller - with all the heart-stopping tension of Thomas Harris and John Grisham at their best.

Country Charm-DiAnn Mills 2006 Rising from the ashes of the past, a Houston woman seeks life's charm amid some of its deepest pain. A rift between mother and daughter deepens when widowed Paula moves to start a B&B. When Paula finds love again, will she lose her daughter?

Practical Criminal Investigation-Manuel S. Pena 2000 This book describes criminal investigation from the beginning stages through the more advanced techniques for handling cases involving all major crimes. The book covers preparing cases for presentation to the prosecutor, a grand jury, or a court of law. It features material on the latest laboratory services, sources of investigative information, and scientific techniques to assist the investigator. The book claims it is essential that investigators have knowledge of the various combinations of elements that constitute the basic criminal laws. In addition, investigators should develop proficiency in evaluating complaints received from the public. The first officers arriving should isolate the crime scene, and the scene should be evaluated as to the need for laboratory or other specialists and for selection of a standard search method. Victims and witnesses must be separated for independent interviews. The book contains 17 chapters, each devoted to a specific aspect of the criminal investigation. Each chapter includes a summary, discussion questions, and key terms and concepts. Figures, tables, glossary, index.

The 13 Critical Tasks: An Inside-Out Approach to Solving More Gun Crime-Peter Gagliardi 2019-10-08 This book describes the people, processes, and technologies needed to extract actionable intelligence from the inside, and outside, of crime guns.

Sworn to Protect-DiAnn Mills 2010-05-12 Two years ago, her husband was shot and killed trying to help undocumented immigrants, the very people Danika, a Border Patrol agent, is responsible for deporting. His murder was never solved. Now a recent string of attacks and arrests leads Danika to believe her husband's death may have been part of a larger conspiracy, and it appears that she's the next target. With the help of the only person she can trust she searches for answers before more innocent lives are destroyed.

Capital Crimes-Stuart Woods 2004 When the deaths of several high-level politicians are linked to a single professional killer, new president Will Lee, with the help of his CIA director wife, follows leads from a quiet D.C. suburb to an island hideaway in Maine.

The Last Book on the Left-Ben Kessel 2020-04-07 An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left Since its first show in 2010, The Last Podcast on the Left has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kessel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, The Last Book on the Left will satisfy the bloodlust of readers everywhere.

Houston Noir-Gwendolyn Zepeda 2019-05-07 "Brooklyn Noir came first in 2004, and now, 15 years later, Houston Noir--14 stories of intrigue, betrayal and death set from Tanglewood to Third Ward penned by current or former Houston authors--goes on sale." --Houston Chronicle "Akashic Books's long-running Noir Series tasks writers with imagining the dark sides of their communities, spinning gritty, shocking tales atop the local landscape. Recently the publisher tapped writer and former Houston poet laureate Gwendolyn Zepeda to serve as editor on a collection of stories about her native Bayou City. The end result is Houston Noir, out this month, which sets 14 entries explore the murder, betrayal, and brujeria lurking everywhere from River Oaks to the Ship Channel to a trailer park off FM 1960." --Houstonia Magazine "Houston is a city on the rise when it comes to crime fiction--something about all those lonely highways, gravity-defying overpasses, and drastic urban sprawl (and of course, the crime rate) make Houston a perfect setting for noir. This port city of close to five million residents is ready for a new reputation as a world capital of literature, and we're here to support Akashic's new collection of noir tales from Texas's most complex city." --CrimeReads, included in The Best New Crime Fiction of May 2019 "With sprawl and serial killers, Houston Noir packs a mean punch...Houston Noir is a welcome addition to the city's slowly filling bookcase." --Texas

Observer "When Edgar Allen Poe proclaimed two centuries ago that no one should write anything that can't be read in one sitting, he couldn't have anticipated how well that constraint serves today's frenetic, uber-scheduled modern millennium. The Houston Noir short story collection is what Poe meant: solid, quick, satisfying reads that fit perfectly between appointments, in waiting rooms, carpool lines, coffee breaks, or when you just need a quick escape from reality." --Lone Star Literary Life Included in CrimeReads's Most Anticipated Crime Books of Summer 2019! Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct neighborhood or location within the respective city. Brand-new stories by: Tom Abrahams, Robert Boswell, Sarah Cortez, Anton DiSclafani, Stephanie Jaye Evans, Wanjiku Wa Ngugi, Adrienne Perry, Pia Pico, Reyes Ramirez, Icees

Fernandez Rojas, Sehba Sarwar, Leslie Contreras Schwartz, Larry Watts, and Deborah D.E.E.P. Mouton. From the introduction by Gwendolyn Zepeda: In a 2004 essay, Hunter S. Thompson described Houston as a "cruel, crazy town on a filthy river in East Texas with no zoning laws and a culture of sex, money and violence. It's a shabby, sprawling metropolis ruled by brazen women, crooked cops and super-rich pansexual cowboys who live by the code of the West--which can mean just about anything you need it to mean, in a pinch." For what it's worth, that quote is now posted on a banner somewhere downtown and regularly, gleefully repeated by our local feature writers. Houston is a port city on top of a swamp and, yes, it has no zoning laws. And that means it's culturally diverse, internally incongruous, and ever-changing. At any intersection here, I might look out my car window and see a horse idly munching St. Augustine grass. And, within spitting distance of that horse, I might see a "spa" that's an obvious brothel, a house turned drug den, or a swiftly rising bayou that might overtake a car if the rain doesn't let up...Overall, this collection represents the very worst our city has to offer, for residents and visitors alike. But it also presents some of our best voices, veteran and emerging, to any reader lucky enough to pick up this book.

Wolf Boys-Dan Slater 2016-09-13 The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story, journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas--his border town--are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel: Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel war spills over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In Wolf Boys, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, Wolf Boys is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

Maximum Harm-Michele R. McPhee 2017-04-04 In Maximum Harm, veteran investigative journalist Michele R. McPhee unravels the complex story behind the public facts of the Boston Marathon bombing. She examines the bombers' roots in Dagestan and Chechnya, their struggle to assimilate in America, and their growing hatred of the United States - a deepening antagonism that would prompt federal prosecutors to dub Dzhokhar Tsarnaev "America's worst nightmare." The difficulties faced by the Tsarnaev family of Cambridge, Massachusetts, are part of the public record. Circumstances less widely known are the FBI's recruitment of the older brother, Tamerlan 'Tsarnaev, as a "mosque crawler" to inform on radical separatists here and in Chechnya; the tracking down and killing of radical Islamic separatists during the six months he spent in Russia - travel that raised eyebrows, since he was an several terrorist watchlists; the FBI's botched deals and broken promises with regard to his immigration; and the disenchantment, rage, and growing radicalization of Tamerlan and Dzhokhar, along with their mother, sisters, and Tamerlan's wife, Katherine. Maximum Harm is also a compelling examination of the Tsarnaev brothers' movements in the days leading up to the Boston Marathon bombing on April 15, 2013, the subsequent investigation, the Tsarnaevs' murder of MIT police officer Sean Collier, the high-speed chase and shootout that killed Tamerlan, and the manhunt in which the authorities finally captured Dzhokhar, hiding in a Watertown backyard. McPhee untangles the many threads of circumstance, coincidence, collusion, motive, and opportunity that resulted in the deadliest attack on the city of Boston to date.

Blood Lines-Kathryn Casey 2009-07-21 Readers loved Sarah Armstrong, the feisty and vulnerable profiler in Kathryn Casey's first mystery, Singularity. She's back in this second book in the series with her hands full with two cases at once: A persistent and potentially lethal stalker pursues pop mega-star Cassidy Collins, and a high-energy Houston businesswoman is found dead in her house. Though the businesswoman's death is being called a suicide, when Sarah is shown photographs of the scene, something seems off. It looks too perfect, almost staged, and Billie Cox apparently had every reason to live. The victim's sister is convinced Billie was murdered and urges Sarah to take a closer look. During her investigation, Sarah uncovers a multimillion-dollar scam and traces a trail of greed to Billie's murderer. Meanwhile, teenage idol Cassidy receives threatening e-mails and text messages and hears creepy whispers over her headset at performances. Cassie's next performance is at a Houston rodeo, for which her handlers request extra security. Sarah once again teams up with FBI agent David Garrity, and together they plot to outwit and capture the stalker, but at the concert the unthinkable happens. . . . Kathryn Casey spins a tight plot with memorable characters and great action scenes, while paying close attention to Sarah's struggles as a widow and mother, to create a multilayered, exciting, and satisfying read.
