The Christmas Child- 1909

The Christmas child, and other stories. By Hesba Stretton-Sarah Smith 1908

The Best Christmas Pageant Ever-Barbara Robinson 1983 The six mean Herdman kids lie, steal, smoke cigars (even the girls) and then become involved in the community Christmas pageant.

The Christmas Wish-Lori Evert 2013-09-10 Celebrate the season with this New York Times bestselling Nordic tale, in the holiday tradition of The Snowman, and The Polar Express, that will have readers of all ages believing in the magic of Christmas. This is one to pull out every year and savor all winter long! Long ago, a brave little girl named Anja wanted to be one of Santa's elves. So she leaves a note for her family and helps her elderly neighbor prepare for the holiday, then she straps on her skis, and heads out into the snowy landscape. From a red bird to a polar bear to a reindeer, a menagerie of winter animals help Anja make her way to Santa. A generous trim-size, matte cover, extraordinary photographs, and foiled title make this a special book for the holiday season. And don't miss the other "Wish" books: The Reindeer Wish The Tiny Wish The Brave Little Puppy The Puppy's Wish The Polar Bear Wish A Little Book for Christmas-Cyrus Townsend Brady Passes childhood, and I look down the nearer years. There rise before me remembrances of Christmas Days on storm-tossed seas, where waves beat upon the ice-bound ship. I recall again the bitter touch of water-warping winter, of drifts of snow, of wind-swept plains. In the gamut of my remembrance I am once more in the poor, mean, lonely little sanctuary out on the prairie, with a handful of Christians, mostly women, gathered together in the freezing, draughty building. In later years I worship in the great cathedral church, ablaze with lights, verdant and fragrant with the evergreen pines, echoing with joyful carols and celestial harmonies. My recollections are of contrasts like those of life—joy and sadness, poverty and ease. And the pictures are full of faces, many of which may be seen no more by earthly vision. I miss the clasp of vanished hands, I crave the sound of voices stilled. As we old and older grow, there is a note of sadness in our glee. Whether we will or not we must twine the cypress with the holly. The recollection of each passing year brings deeper regret. How many have gone from those circles that we recall when we were children? How many little feet that pattered upon the stair on Christmas morning now tread softer paths and walk in broader ways; sisters and brothers who used to come back from the far countries to the old home—alas, they cannot come from the farther country in which they now are, and perhaps, saddest thought of all, we would not wish them to come again. How many, with whom we joined hands around the Christmas tree, have gone? Circles are broken, families are separated, loved ones are lost, but the old world sweeps on. Others come to take our places. As we stood at the knee of some unforgotten mother, so other children stand. As we listened to the story of the Christ Child from the lips of some grey old father, so other children listen and we ourselves perchance are fathers or mothers too. Other groups come to us for the deathless story. Little heads which recall vanished halcyon days of youth bend around another younger mother. Smaller hands than ours write letters to Santa Claus and hear the story, the sweetest story ever told, of the Baby who came to Mary and through her to all the daughters and sons of women on that winter night on the Bethlehem hills.

Olive, the Other Reindeer-Vivian Walsh 1997-10 Thinking that "all of the other reindeer" she hears people singing about include her, Olive the dog reports to the North Pole to help Santa Claus on Christmas Eve.

The Children's Book of Christmas Stories-Asa Don Dickinson 2011-10-01 This fine book from the turn of the 19th Century contains 35 wonderful and inspiring Christmas stories for children. These stories were already well-received before they were pulled together to make this book. Included are excerpts from "A Christmas Carol" by Charles Dickens and the Christian Bible, stories from Hans Christian Andersen's Fairy Tales, from Ireland, Germany, the American West, and from the big cities in England and the United States. * * * * Written in easy-to-read 13-point type, and divided between stories for little kids, intermediate kids, and the older set, each of the stories has already won the approval of thousands of children, and each is packed with the true Christmas spirit: that small thoughtful actions can have big, and happy, consequences. Some stories will bring a tear to your eyes, other will make you laugh. All are enjoyable. This book will become a cherished addition to your library for years to come. * * * * The stories in this book are: Christmas at Fezziwig's Warehouse (Charles Dickens), The Fir-Tree (Hans Christian Andersen), The Christmas Masquerade (Mary E. Wilkins Freeman), The Shepherds and the Angels (Adapted from the Bible), The Telltale Tile (Olive Thorne Miller), Little Girl's Christmas (Winnifred E. Lincoln), A Christmas Matinee (M. A. L. Lane), Toinette and the Elves (Susan Coolidge), The Voyage of the Wee Red Cap (Ruth Sawyer Durand), A Story of the Christ-Child (a German Legend for Christmas Eve told by Elizabeth Harrison), Jimmy Scarecrow's Christmas (Mary E. Wilkins Freeman), Why the Chimes Rang (Raymond McAlden), The Birds' Christmas (founded on fact-F. E. Mann), The Little Sister's Vacation (Winnifred M. Kirkland), Little Wolff's Wooden Shoes (Fran ois Copp e, adapted and translated Alma J. Foster), Christmas in the Alley (Olive Thorne Miller), A Christmas Star (Katherine Pyle), The Queerest Christmas (Grace Margaret Gallaher), Old Father Christmas (J. H. Ewing), The Golden Cobwebs (Sara Cone Bryant), How Christmas Came to the Santa Maria Flats (Elia W. Peattie), The Legend of Babouscka (From the Russian Folk Tale), Christmas in the Barn (F. Arnstein), The Philanthropist's Christmas (James Weber Linn), The First Christmas-Tree (Lucy Wheelock), The First New England Christmas (G. L. Stone and M. G. Fickett), The Cratchits' Christmas Dinner (Charles Dickens), Christmas in Seventeen Seventy-Six (Anne Hollingsworth Wharton), Christmas Under the Snow (Olive Thorne Miller), Mr. Bluff's Experience of Holidays, (Oliver Bell Bunce), Master Sandy's Snapdragon (Elbridge S. Brooks), A Christmas Fairy, John Strange Winter), The Greatest of These (Joseph Mills Hanson), Little Gretchen and the Wooden Shoe (Elizabeth Harrison), and Christmas on Big Rattle (Theodore Goodridge Roberts). * * * * In making this volume, we discovered that the Gutenberg eBook versions are missing a story - "The Golden Cobwebs" - instead having a short excerpt from "A Christmas Carol" that is duplicated by the longer excerpt "The Cratchit's Christmas Dinner" later in this book. This edition restores the missing story. This volume contains the full text of the original book published in 1913. * * * * Check our other Children's, Juvenile, and Adult books at www.FlyingChipmunkPublishing.com, or Like us on Facebook for our latest releases.

The Christmas Kid-Pete Hamill 2012-10-30 "Hamill, a master raconteur, mines his own roots in this enchanting new anthology." ---New York Times Pete Hamill's collected stories about Brooklyn present a New York almost lost but not forgotten. They read like messages from a vanished age, brimming with nostalgia---for the world after the war, the days of the Dodgers and Giants, and even, for some, the years of Prohibition and the Depression. THE CHRISTMAS KID is vintage Hamill. Set in the borough where he was born and raised, it is a must-read for his many fans, for all who love New York, and for anyone who seeks to understand the world today through the lens of the world that once was.

Return of the Christmas Kid-Joe Lovitt 1996 All-church Christmas production, set in a toy store, features six scenes reminiscent of Dicken's 'Christmas Carol' and 'It's a Wonderful Life.'

The Christmas Child-Max Lucado 2003 Finding himself in a small Texas town on Christmas Eve, a lonely journalist from Chicago learns the stories of a hand-carved manger, a father's guilt, and a young girl's faith, and is prompted to reevaluate his past.

Tabloid City-Pete Hamill 2011-05-05 In a stately West Village town house, a wealthy socialite and her secretary are murdered. In the 24 hours that follow, a flurry of activity surrounds their shocking deaths: The head of one of the city's last tabloids stops the presses. A cop investigates the killing. A reporter chases the story. A disgraced hedge fund manager flees the country. An Iraq War vet seeks revenge. And an angry young extremist plots a major catastrophe. The City is many things: a proving ground, a decadent carnival, or a palimpsest of memories -- a historic metropolis eclipsed by modern times. As much a thriller as it is a gripping portrait of the city of today, Tabloid City is a new fiction classic from the writer who has captured New York perfectly for decades.

The Christmas Poopy-Joshua Rapp Iverson 2014-10-22 On the eve before Christmas, Santa Claus receives an intriguing letter from a father whose only yuletide wish is for a Christmas poopy. With the help of the very sensible Mrs. Claus, some dutiful elves, and a child who finally decides to be a big kid, papa's Christmas wish finally comes true. Written to allow both girls and boys to put themselves in the protagonist's shoes, this humorous and lovingly crafted book will help both young and old discover the "true spirit of the Christmas poopy."

The Christmas Kid-Michael Allin 2007-04-01 Casey Rickert is in trouble. He's just lost his plane ticket back home to Kansas City in an unfriendly poker game. He has a Lit paper due on a book he's never read, and on top of everything else, even though he took off finals week to go surfing, his cutback still hasn't improved. But Casey's talent for getting into and out of trouble has earned him the nickname "The Wizard," and he views this latest assortment of predicaments merely as opportunities for yet another brilliant recovery. Lately, though, Casey's predilection for trouble seems to be outstripping even his own marvelously cosmic equilibrium. His brother Davy's death almost a year ago upended Casey's world and left him shaken, vulnerable, and hurtling from one disaster to the next. Wandering through Santa Barbara in a desperate attempt to get home, Casey's chance impersonation of Santa Claus opens up to him a hidden world of goodwill toward men, unanswered Christmas wishes, and beard itch. Still wearing the Santa suit, Casey embarks on a journey from Los Angeles to Kansas City, rediscovering kindness, hope, and love from the people he meets along the way. Michael Allin's The Christmas Kid is an inspiring story of redemption.

North River-Pete Hamill 2007-06-11 It is 1934, and New York City is in the icy grip of the Great Depression. With enormous compassion, Dr. James Delaney tends to his hurt, sick, and poor neighbors, who include gangsters, day laborers, prostitutes, and housewives. If they can't pay, he treats them anyway. But in his own life, Delaney is emotionally numb, haunted by the slaughters of the Great War. His only daughter has left for Mexico, and his wife Molly vanished months before, leaving him to wonder if she is alive or dead. Then, on a snowy New Year's Day, the doctor returns home to find his three-year-old grandson on his doorstep, left by his mother in Delaney's care. Coping with this unexpected arrival, Delaney hires Rose, a tough, decent Sicilian woman with a secret in her past. Slowly, as Rose and the boy begin to care for the good doctor, the numbness in Delaney begins to melt. Recreating 1930s New York with the vibrancy and rich detail that are his trademarks, Pete Hamill weaves a story of honor, family, and one man's simple courage that no reader will soon forget.

Six Christmas Stories-C.K. Edwards 2015-05-14 Five years ago my wife ordered me to write a Christmas short story that we could give to neighbors as a present. In the spirit of Christmas, and because that's just the way I roll, I said "Of course, Honey" as I cowered in the corner. I've been writing one a year since. Here are the first six. Hence the title. Some are lighthearted, some more serious. From dealing with the loss of a son on Christmas day to building the greatest snow fort of all time, I've tried to make each story different. I hope you enjoy them. Merry Christmas.

The Christmas Child (Illustrated)-Hesba Stretton 2015-11-16 This carefully crafted ebook: "The Christmas Child (Illustrated)" is formatted for your eReader with a functional and detailed table of contents. Excerpt: "And now Christmas was coming. Joan had never kept Christmas, and knew nothing about it. But at Aunt Priscilla's farm it was a great day, as it always had been since she could remember. Every relative who could come to the farm was invited weeks beforehand; and nothing else was talked of but Christmas Day. The Sunday evening before it came old Nathan's sermon was all about the shepherds in the field, and how they found the little babe lying in the manger; and he told the story so well that Joan did not go to sleep at all, but sat listening to him with her dark eyes wide open." Hesba Stretton was the pen name of Sarah Smith (1832-1911), an English writer of children's books. Her moral tales and semi-religious stories, chiefly for the young, were printed in huge numbers. She became a regular contributor to Household Words and All the Year Round under Charles Dickens's editorship.

Brooklyn Fictions-James Peacock 2014-11-20 Vast and diverse, Brooklyn is often portrayed in literature as a place of traditional community values and face-to-face relations, distinct from anonymous, capital-driven Manhattan. Brooklyn Fictions discovers what such representations of the New York borough can teach us about diversity and the individual, the local and the global. Combining analysis of popular texts such as Sister Souljah's The Coldest Winter Ever with more canonical novels such as Jonathan Lethem's The Fortress of Solitude, this study draws on the work of a variety of theorists on community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces. With cities often depicted as sites of conflict and fear, this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature.
