The Book of M-Peng Shepherd 2018-06-05 Brad Thor's Summer 2018 Fiction Pick for THE TODAY SHOW! "Eerie, dark, and compelling, [The Book of M] will not disappoint lovers of The Passage (2010) and Station Eleven (2014)." --Booklist WHAT WOULD YOU GIVE UP TO REMEMBER? Set in a dangerous near future world, The Book of M tells the captivating story of a group of ordinary people caught in an extraordinary catastrophe who risk everything to save the ones they love. It is a sweeping debut that illuminates the power that memories have not only on the heart, but on the world itself. One afternoon at an outdoor market in India, a man's shadow disappears—an occurrence science cannot explain. He is only the first. The phenomenon spreads like a plague, and while those afflicted gain a strange new power, it comes at a horrible price: the loss of all their memories. Ory and his wife Max have escaped the Forgetting so far by hiding in an abandoned hotel deep in the woods. Their new life feels almost normal, until one day Max's shadow disappears too. Knowing that the more she forgets, the more dangerous she will become to Ory, Max runs away. But Ory refuses to give up the time they have left together. Desperate to find Max before her memory disappears completely, he follows her trail across a perilous, unrecognizable world, braving the threat of roaming bandits, the call to a new war being waged on the ruins of the capital, and the rise of a sinister cult that worships the shadowless. As they journey, each searches for answers: for Ory, about love, about survival, about hope; and for Max, about a new force growing in the south that may hold the cure. Like The Passage and Station Eleven, this haunting, thought-provoking, and beautiful novel explores fundamental questions of memory, connection, and what it means to be human in a world turned upside down.

The Eternal Current-Aaron Niequist 2018-08-07 A call for Christians to move past the shallows of idealized beliefs and into a deeper, more vibrant, beatitude-like faith rooted in sacred practices and intimate experiences with God. When the limits of his own faith experience left him feeling spiritually empty, Niequist determined God must have a wider vision for worship and community. In his search, Aaron discovered that there was historical Christian precedent for enacting faith in a different way, an ancient and now future way of believing. He calls this third way "practice-based faith." This book is about loving one's faith tradition and, at the same time, following the call to something deeper and richer. By adopting some new spiritual practices, it is possible to learn to swim again with a renewed sense of vigor and divine purpose.

Maman's Homesick Pie-Donia Bijan 2011-10-11 For Donia Bijan's family, food has been the language they use to tell their stories and to communicate their love. In 1978, when the Islamic revolution in Iran threatened their safety, they fled to California's Bay Area, where the familiar flavors of Bijan's mother's cooking formed a bridge to the life they left behind. Now, through the prism of food, award-winning chef Donia Bijan unwinds her own story, finding that at the heart of it all is her mother, whose love and support enabled Bijan to realize her dreams. From the Persian world of her youth to the American life she embraced as a teenager to her years at Le Cordon Bleu in Paris (studying under the infamous Madame Brassart) to apprenticeships in France's three-star kitchens and finally back to San Francisco, where she opened her own celebrated bistro, Bijan evokes a vibrant kaleidoscope of cultures and cuisines. And she shares thirty inspired recipes from her childhood (Saffron Yogurt Rice with Chicken and Eggplant and Orange Cardamom Cookies), her French training (Ratatouille with Black Olives and Fried Bread and Purple Plum Skillet Tart), and her cooking career (Roast Duck Legs with Dates and Warm Lentil Salad and Rose Petal Ice Cream). An exhilarating, heartfelt memoir, Maman's Homesick Pie is also a reminder of the women who encourage us to shine.

The Lost Ones-Sheena Kamal 2017-07-25 A dark, compulsively readable psychological suspense debut, the first in a new series featuring the brilliant, fearless, chaotic, and deeply flawed Nora Watts—a character as heartbreakingly troubled, emotionally complex, and irresistibly compelling as Stieg Larsson’s Lisbeth Salander and Jo Nesbø’s Harry Hole. It begins with a phone call that Nora Watts has dreaded for fifteen years—since the day she gave her newborn daughter up for adoption. Bonnie has vanished. The police consider her a chronic runaway and aren’t looking, leaving her desperate adoptive parents to reach out to her birth mother as a last hope. A biracial product of the foster system, transient, homeless, scarred by a past filled with pain and violence, Nora knows intimately what happens to vulnerable girls on the streets. Caring despite herself, she sets out to find Bonnie with her only companion, her mutt Whisper, knowing she risks reopening wounds that have never really healed—and plunging into the darkness with little to protect her but her instincts and a freakish ability to detect truth from lies.
