The Gift of Change-Marianne Williamson 2009-03-17 Bestselling author of Return to Love and Law of Divine Compensation, Marianne Williamson shows people how to live without fear or worry in The Gift of Change. The time in which we now live is more difficult and stressful than people are willing to admit. We live with an abiding sense of collective anxiety. Williamson shows how we are paralyzed in our current state of fear and anger because we are not facing and dealing with the true causes of our anxieties and fears. Williamson reveals that fear and worry do not need to be the only tools in our tool box for dealing with problems in the world. As we learn to trust God and the love that surrounds us and guides us, we will see that what causes us pain is an opportunity for growth, healing, and miracles that can transform us and our world. Williamson delivers hope and healing as she illuminates ten basic changes that each of us can make as we learn to view the world through the eyes of love instead of fear.

Illuminata-Marianne Williamson 2013-01-30 Marianne Williamson's bestselling A Return to Love ended with a prayer in which she asked God to help us "find our way home, from the pain to peace, from fear to love, from hell to Heaven." Now, in this stunning new collection of thoughts, prayers, and rites of passage, Marianne Williamson returns to prayer. Prayer is practical, Williamson tells us. "To look to God is to look to the realm of consciousness that can deliver us from the pain of living." Illuminata brings prayer into our daily lives, with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for children; prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including two prayers that have had powerful effects on audiences at her lectures: a prayer of amends on behalf of European Americans to African-Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? Another section includes rites of passage, ceremonies of light for the signal events in our lives: blessing of the newborn, coming of age, marriage, and death. There is also a ceremony of the elder, for moving into midlife, and a ceremony of divorce, in which a gentle transition is provided for both the couple and their children. "Read my prayers or someone else's," Williamson says. "By all means, create your own." Illuminata is a way to bring prayer into practical use, creating a sweeter, more abundant life for yourself and the people you care for. "No conventional therapy," she says, "can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world."

Tears to Triumph-Marianne Williamson 2016-06-14 The internationally recognized teacher, speaker, and New York Times bestselling author of A Return to Love argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In Tears to Triumph, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, Tears to Triumph offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

Sarah-Marek Halter 2005 Born into a world of luxury in the ancient Sumerian city of Ur, Sarah flees the arranged marriage planned by her father, a decision that leads to an encounter with Abram, a member of a nomadic tribe of outsiders, with whom she is reunited many years later in her exalted position as high priestess of the goddess Ishtar. Reader's Guide included. Reprint. 75,000 first printing.

The Law of Divine Compensation-Marianne Williamson 2014-10-21 In The Law of Divine Compensation: On Work, Money, and Miracles the #1 New York Times bestselling author Marianne Williamson provides a unique perspective on our financial condition through the lens of A Course in Miracles. She reveals a path to abundance by way of a powerful spiritual principle called the Law of Divine Compensation. The Law says that when we lack faith in our higher selves and focus on the negative, we create and perpetuate our own negative circumstances; conversely, when we have faith in God and in love and all that can go right in our lives, we open ourselves to receive the miracles the universe is holding for us. While millions have suffered heartbreaking and seemingly intractable financial woes, every one of us possesses the power to believe that something else is possible, that our destinies can change, that a miracle can happen. This simple shift in how we think can have a monumental effect on what happens next. In The Law of Divine Compensation you will discover how the power of your thoughts can attract—or deflect—miraculous breakthroughs in your life. Williamson reveals that the Law is not about hoping, dreaming, or wishing we'd win the lottery; rather it is about faith as a mental and emotional muscle we must exercise in order to benefit from. This powerful spiritual principle will us help us overcome financial stress and unleash the divine power of abundance. If we have faith in God's promise of prosperity for all, we need never fear the future.

Enchanted Love-Marianne Williamson 2013-12-17 Three of Marianne Williamson's previous bestsellers -- A Return to Love, A Woman's Worth, and Illuminata -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In Illuminata, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in Enchanted Love, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what

two people really are and how we might become, while still on earth, the angels who reside within us."

A Politics of Love-Marianne Williamson 2019-04-23 In this stirring call to arms, the activist, spiritual leader, and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to—and act out of—our deepest value: love. America's story is one of great social achievement. From the Abolitionists who fought to outlaw slavery, to the Suffragettes who championed women's right to vote, to the Civil Rights proponents who battled segregation and institutionalized white supremacy, to the proponents of the women's movement and gay rights seeking equality for all, citizens for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today, America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining the spirit of social responsibility—the duty we feel toward one another. In this powerful spiritual manifesto, Marianne Williamson offers a tonic for this cultural malignancy. She urges us to imitate the heroes of our past and live out our deepest spiritual commitment: where some have sown hatred, let us now sow love. Williamson argues that we must do more than respond to external political issues. We must address the deeper, internal causes that have led to this current dysfunction. We need a new, whole-person politics of love that stems not just from the head but from the heart, not just from intellectual understanding but from a genuine affection for one another. By committing to love, we will make a meaningful contribution to the joyful, fierce and disruptive energies that are rising at this critical point in time. In the words of Abraham Lincoln, "we must think anew, and act anew . . . and then we shall save our country."

Everyday Grace-Marianne Williamson 2004-10-05 From activist, spiritual leader, New York Times-bestselling author, and 2020 presidential candidate Marianne Williamson comes a book about everyday peace, everyday hope, and everyday grace. In these pages, author Marianne Williamson acts as a guide back to the spiritual source, exploring the ways to nurture a thriving soul in a harsh world. The large and small difficulties of our days challenge us to open our hearts and minds. With an attitude of hope, a call to forgive, and a celebration of miracles, Williamson helps readers to find sacred footing on ordinary ground. For no matter what, there is always an opportunity to be happy. Everyone is entitled to the pleasures of everyday grace.

A Course In Weight Loss-Marianne Williamson 2010 For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing, even dimly, that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop can mark a crucial turning point in your life. At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

The Four Spiritual Laws of Prosperity-Edwene Gaines 2005-09-03 A guide on how to achieve material and spiritual success draws on the author's experiences as a motivational minister to explain the importance of accepting desires, casting aside limitations, and possessing directed faith.

Healing the Soul of America-Marianne Williamson 2014-03-18 *Healing That Reaches Beyond the Self* In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

Crappy to Happy-Cassandra Dunn 2019-04-01

You might think happiness is to be found in a pay rise or a new job, a holiday, a marriage (or divorce), an updated kitchen or that great pair of shoes you've got your eye on. But the cliché is true: happiness truly is in the journey, not the destination.

Psychologist Cassandra Dunn believes that happiness is available to all of us - and not just in some picture-perfect ideal life. Cass has helped thousands of people get from **Crappy to Happy** with her hit podcast. In this book Cass expands on those conversations and provides even more information and practical tools, helping you learn to let go, to find your people, to determine your direction and more.

Your journey to living your best life begins right here and now.

It's Not Your Money-Tosha Silver 2020-09-15 New in paperback from the author of *Outrageous Openness: a witty and spirited guide to radically releasing the burdens of financial fears*. It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance. You yourself become a vehicle for Divine Flow.

A Woman's Worth-Marianne Williamson 2013-01-23 Cutting across class, race, religion, and gender, *A Woman's Worth* speaks powerfully and persuasively to a generation in need of healing, and in search of harmony. With *A Woman's Worth*, Marianne Williamson turns her charismatic voice—and the same empowering, spiritually enlightening wisdom that energized her landmark work, *A Return to Love*—to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society.

Self-Hypnosis and Subliminal Technology-Eldon Taylor 2012-10-08 Everybody has some character trait he or she would like to change, and there are many techniques available to facilitate these changes. Unfortunately, many of them are either impractical or expensive—or both! Most people are somewhat familiar with hypnosis and subliminal technology but are reluctant to use them as serious self-help tools. In large part this is due to the fact that they've been mired in mystique, urban legend, and disinformation. The truth is that both self-hypnosis and subliminal communication are backed by extensive research that demonstrates their efficacy. More important, once learned, they can be customized for any situation and used almost anytime and anywhere. Join Eldon Taylor on your own self-improvement exploration using the tools in this book and on the accompanying audio download. Experience hypnosis and subliminal patterning for yourself!

The Age of Miracles-Marianne Williamson 2009-09-16 From *THE AGE OF MIRACLES* Sometimes what we appear to have lost is simply something it was time to leave behind. Perhaps our system just lets something go, our having moved through the experience and now needing it no more. A friend of mine was sitting once with two of his best friends, a couple he'd partied long and hard with during the 1960s. At about ten in the evening, the couple's twentysomething daughter came home, saw them on the couch, and admonished them, "You guys are so boring! You never go out!" To which all three responded in unison, "We were out, and now we're in." The mind is its own kind of dance floor. If in fact the highest, most creative work is the work of consciousness, then in slowing down we're not doing less; we're doing more. Having slowed down physically, we're in a better space to rev up psychically. We are becoming contemplative. We are shifting from the outer to the inner not in order to begin our demise, but to reseed and regreen the consciousness of the planet. And that's what is happening now: We're going slower in order to go deeper, in order to go faster in the direction of urgently needed change in the world. - Marianne Williamson

The Wisdom of Insecurity-Alan W. Watts 2011-11-16 We live in an age of unprecedented anxiety. Spending all our time trying to anticipate and plan for the future and to lamenting the past, we forget to embrace the here and now. We are so concerned with tomorrow that we forget to enjoy today. Drawing from Eastern philosophy and religion, Alan Watts shows that it is only by acknowledging what we do not—and cannot—know that we can learn anything truly worth knowing. In *The Wisdom of Insecurity*, he shows us how, in order to lead a fulfilling life, we must embrace the present—and live fully in the now. Featuring an

Introduction by Deepak Chopra.

Hitchhiking with Larry David-Paul Samuel Dolman 2014-06-03 Describes the author's experiences as a broken-hearted, middle-aged man who after visiting his neurotic divorcing parents one summer was spontaneously befriended by the Seinfeld actor and writer, a bond that led to a shared spiritual quest of healing and life exploration.

Healing the Soul of America - 20th Anniversary Edition-Marianne Williamson 2018-07-24 Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of Healing the Soul of America shares her timeless, visionary message of political healing. In the twentieth anniversary edition of Healing the Soul of America, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every citizen. “Marianne Williamson...is attempting to...help not only her followers but an entire nation” (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news, America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental leaders show that the country is in desperate need of restoration. We need a new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. Healing the Soul of America is a blueprint for all three and there has never been a more urgent need. The Laws of Prosperity-E. Bernard Jordan 2011-09-06 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Fiery Trial: Abraham Lincoln and American Slavery-Eric Foner 2011-09-26 “A masterwork [by] the preeminent historian of the Civil War era.”—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

The Map of Consciousness Explained-David R. Hawkins 2020-10-20 "The Map of Consciousness Explained is an essential primer on the late Dr. David R. Hawkins's teachings on human consciousness and their associated energy fields. Using muscle testing, Dr. Hawkins conducted more than 250,000 calibrations during 20 years of research to define a range of values, attitudes, and emotions that correspond to levels of consciousness. This range of values—along with a logarithmic scale of 1 to 1,000—became the Map of Consciousness, which Dr. Hawkins first wrote about in his New York Times bestseller, Power vs. Force. In this book, readers will gain an introduction and deeper understanding of the Map, with visual charts and practical applications to help them heal, recover, and evolve to higher levels of consciousness and energy"--

Divine Compensation-Dr. D. K. Olukoya 2015-05-13 Our God is a God who adequately rewards the services and faithfulness of His people. He is not a debtor, but Satan works behind the scene to rob us of the reward of our labour. This Book tells us what to do and the correct prayers to say in order not to miss our Divine Compensation.

Your Holiness-Debbie Ford 2018-03-06 On the fifth anniversary of her death and written during Debbie Ford's long battle with cancer, Your Holiness is a thoughtful and poignant exploration of the godliness that resides in all of us. The extraordinary way in which the manuscript to this book was found sets the foundation for its incredible message: medium James Van Praagh received a message from Debbie Ford's spirit telling him that she had an unpublished manuscript saved on her computer. James passed on the news to Debbie's sister, Arielle Ford, who found the manuscript exactly where it was said to be. Infused with Debbie's trademark frank honesty and keen insight, Your Holiness is a blueprint for recognizing and accepting our latent spirituality. Debbie combines motivational prayers with deeply personal stories about her own spiritual journey - how she struggled and eventually found her internal faith - and translates her experience into a practical path for transformation. Engaging and accessible, clear and unwavering, philosophical yet practical, Your Holiness is a gift to the soul that both guides and nourishes. At a time when so much in our world feels uncertain and suffering is widespread and persistent, Debbie's voice is more essential than ever. Your Holiness grounds us in the here and now while delivering a timeless and empowering message of relentless love and strength. The Divine Providence-Emanuel Swedenborg 1905

Money Miracles-Kerry C. O'Hallaron 2014-05-26 What if everything they've told you about how to make money and get the things you want is wrong?! What if “getting ahead” financially were not only easy, but fun? What if the process of improving your own financial position could actually make the world a better place? In fact, what if it were required that you make the world a better place while improving your own financial position? What if attracting any amount of money were as simple as following a formula; and what if the formula did not work, and you could go back and repeat the process, learning and correcting what you had done wrong? What if you learned that most financially successful people throughout history got that way by knowing these questions were true, and by following the aforementioned “formula”? What if spiritual, business, and financial leaders since the beginning of time have tried to share this information, and we simply haven't listened? In this important new work, Kerry O'Hallaron explores each of these questions and more. He lays out his findings in an easy-to-read, humorous and uplifting format, without departing from the book's premise. Can the above questions be true? You decide. Many have, long before O'Hallaron's time. He simply brings us a modern interpretation of a timeless classic. Read, enjoy, and employ the important teachings as you learn an elegantly simple approach to enjoying new streams of income and the many delightful things you can buy when you have money!

Life Simplified-Nianell 2019-09-16 In Nianell's darkest moment she discovered that she was never truly alone. Just before she wanted to take a leap out of this life, a voice within her said: ‘Do you really think you would have chosen this life, if this was it?’ All that I had learned from the wonderful teachers I'd had in my life popped into my mind in that moment. Their journeys, their struggles, their failures, their pain, their successes, their teachings. If they had not had the courage to share their stories with us, and what they learned from them, we would all still be fumbling around in the dark. What I learned from them saved my life. I do what I do because I know how easy it is to forget who you are, how easy it is to forget your worth, and how easy it is to miss out on living a magnificent life. I'm here to remind you, in Life Simplified, that you are love. You chose this life to learn how to love, and how to allow yourself to be loved. By reminding you, I remind myself. Love and Light, Nianell.
