The Spy-James Phelan 2017-06-13 A sinister group - code-named Zodiac - has launched devastating global attacks. Twelve targets across the world, twelve code-named missions. Operating distinct sleeper cells, they are the ultimate terrorist organisation, watching and waiting for a precise attack to activate the next group. It is a frightening and deadly efficient way to stay one step ahead. And cause the most chaos. For ex-CIA operative Jed Walker, chaos is his profession. On the outer, burned by his former agency, he is determined to clear his name. Stopping Zodiac is the only way. Desperate to catch the killers and find the mastermind, he can't afford to lose the next lead, but that means that sometimes the terrorists have to win. Ultimately, it all comes down to Walker: he's the only one who can break the chain and put the group to sleep . . . permanently. It's exactly eighty-one hours until deadline.

The Agency-James Phelan 2018-01-30 An action thriller where the line between the good guys and the bad can be hard to see. It's 2005 and Jed Walker has just joined the CIA. As a ten-year veteran of Air Force Special Operations, Walker is used to being at the pointy end of things. But normally the front line is much further from home. Sent to New Orleans on the trail of Russians wanting to claim back what was stolen from them in Afghanistan, it doesn't take long for Walker to realise that in the murky world of espionage, the rules of war do not apply. Teaming up with a feisty M16 operative, to do what is right for the nation Walker must take steps that will betray The Agency. As Hurricane Katrina hits, to forever change a city, it's clear to Walker that that this is a high-stakes game where the winner takes all, and he must succeed. From Langley to Louisiana, Washington to Moscow, THE AGENCY moves like a tempest through a treacherous landscape of doublecrosses, false identities, and enemies old and new. Jed Walker is going to be pushed to the limit - of what he can do, what he can take, and what he knows is right. 'A terse, tense brand of hard-boiled action suspense . . . addictive.' THE AGE

Dark Heart-James Phelan 2017-06-13 Jed Walker is ex-CIA - he thought he was out of the game. An ominous global threat brought him back into play. But just when Walker thinks he is winning, the bad guys change it up a gear and the odds get stacked higher against him. In the global theatre of war, winning is the only option if you want to stay alive. Discovering a terror outfit is running people smuggling out of the Middle East, Walker thinks they are driven purely by profit and greed. But it is much worse than that. He must work against time and powerful adversaries to uncover the truth behind the operation and prevent a global catastrophe being unleashed. If he lives, Jed Walker will learn the true cost of life . . . and the knowledge will change him forever.

The Hunted-James Phelan 2018-01-04 'Jed Walker is right there in Reacher's rear-view mirror.' Lee Child When the hunters become the hunted, ex-CIA agent Jed Walker is the man you need. In 2011, Seal Team Six killed Osama Bin Laden. Now, four years later, someone is eliminating Team Six - one by one they are turning up dead. Jed Walker, ex-CIA, is an outsider back in the game. He's been chasing down a sinister group code-named Zodiac that the big guns - MI5, CIA, the Pentagon - have failed to eradicate. But as Walker follows the trail of bodies, uncovering secrets and making connections he's not supposed to make, he finds the answers are closer to home than he ever imagined. Revenge is the obvious motive, but nothing is ever that simple in love or in war. Can Walker find who's responsible before the body count grows higher? Can he stop another terror attack before more innocent bystanders suffer? When the line between the good and the bad become blurred, when the hunters become the hunted, only one man can save us all. Praise for James Phelan: 'James Phelan has produced a big, juicy, rollicking tale in the spirit of Robert Ludlum. We haven't seen an international thriller like this for a long time' Jeffery Deaver 'A fast and furious ride through a complicated maze of timely political intrigue. James Phelan has earned a new avid fan' Steve Berry 'A corker ... Phelan writes in swift, gritty prose, never wasting a word. An espionage novel with grunt.' Sydney Morning Herald

Kill Switch-James Phelan 2017-06-13 The countdown has begun ... The world is under cyber attack. The secretive terror outfit of linked lone-wolf operatives, known as Zodiac, has activated another terrorist cell. Chaos will be unleashed at six-hour intervals, with each event more catastrophic than the last, culminating in a devastating global catastrophe within 48 hours. The options for the hackers are endless: bring down California's telecom system; remote detonate explosives at an army base in Virginia; cause Amtrak's signals to fail; collapse air traffic control in US airspace. Consequences are unthinkable. The US President has the power to enact the Internet Freedom Act - the 'Kill Switch'. Turning off the Net will stop the attacks, and give the CIA and the Pentagon time to track down those responsible. But it's not that simple. Fourteen people with the key to restart the Internet are missing. The US will plummet into pandemonium if electronic communications cease. The rest of the world will follow. Jed Walker, ex CIA-operative, has thwarted Zodiac twice before. But, this time, nothing will prepare him for what he uncovers. Walker has 48 hours, and the countdown has begun ...

Lachlan Fox in Fox Hunt-James Phelan 2010 When the world faces a deadly threat from a lost weapon, Lachlan Fox, disillusioned ex-Navy operative, is forced back into action. Lachlan Fox has made a career out of being in the wrong place at the wrong time. As a shore assault specialist in an Australian Navy Clearance Diver Team, he came up against bad guys and even worse odds. Having been discharged from the Navy, Fox tries to enjoy the quiet life, but during a visit from his best friend Alister Gammaldi, Fox's life is thrown out of balance. On a diving trip off Christmas Island the pair recover an obviously military but unidentifiable pod from the sea floor of the Indian Ocean - setting in motion a chain of events that will drag them both into the corrupt world of international politics and arms races. From East Timor and Christmas Island to Grozny, Washington to New York, Venice to Iran, Lachlan Fox is forced back into action to save the world from a deadly threat.

Fox Hunt-James Phelan 2019 "The White House is only starting to suspect the worst. While most of the world's Intel resources have been tied up in Afghanistan and Iraq, the President of Chechnya has been making plans - and the clock is ticking. A world away, off Christmas Island, ex-navy operative Lachlan Fox is on a diving trip with his best friend. From the moment they lift a mysterious metallic object off the sea floor, the two men set in motion a chain of events that will drag them into the corrupt world of international politics and arms races."--Publisher description.

Red Ice-James Phelan 2010-08-01 The gripping new Lachlan Fox novel from the author of Fox Hunt, Patriot Act, Blood Oil and Liquid Gold. Just a few days after the conclusion of Liquid Gold, Lachlan Fox is thrown back into the midst of the action when the dangerous and powerful Umbra organization offers to trade a man they've taken hostage for one of their own operatives. After the CIA claim they won't negotiate with terrorists, Umbra begins to cut off the natural gas supply to Europe. This is just a small indication of the level of chaos they're prepared to inflict. Assassinations follow... Red Ice is a post-cold war thriller set in an unstable Europe, where control of resources equals true power. It's a novel in which Russia is under the influence of corrupt capitalists, the pace is non-stop, the stakes are inconceivably high, the villain a true megalomaniac - and ex-Navy hero Lachlan Fox is seriously challenged. Liquid Gold-James Phelan 2010-07-01 The fourth in a series of high-octane thrillers featuring Lachlan Fox. Six names and one GPS location. A death list. He remembered an old Russian proverb ... If there is a person, there is a problem. If there is no person, there is no problem. Time to make these problems disappear. When ex-navy operative turned investigative journalist Lachlan Fox blows open the story of the decade, simmering tensions between India and Pakistan hit boiling point. A continent's water - liquid gold - is at stake and one man thinks nothing of a potential all-out war when there is big money to be made. Before helpless millions die, Fox is determined to expose the corrupt Umbra Corporation, and the man behind it, to the world. With hefty prices on their heads, Fox and his trusted man-at-arms, Al Gammaldi, are pitted against time, terrorist cells and rogue secret agents funded by dirty money. Flanked by news agency GSR and the FBI, Fox and Gammaldi are going to give as good as they get, but nothing can prepare them for the ferocity of this fight. Fox knows that the truth alone triumphs ... and this time it's going to hurt. Dark Heart (16pt Large Print Edition)-Humanities Distinguished Professor of English James Phelan 2017-02-28 In war-torn Syria, a massacre survivor is pulled from beneath a pile of bodies. She is given one instruction: 'Find Jed Walker.' Walker is ex-CIA - a man who thought he was long out of the game. Discovering a terror outfit is running people-smuggling from the Middle East and into the United States, he is drawn back in to fight their evil trade. At first Walker thinks these human traffickers are driven purely by profit and greed. But it is much worse than that - and it has ties to the highest levels of power. As the body count rises, and deadly enemies stalk from the shadows, Walker uncovers the shocking truth behind an operation intended to bring America to its knees. As he attempts to make things right, Jed Walker will learn the true cost of life - and pay a devastating price.

The Serpent Papers-Jessica Cornwell 2015-06-16 The Serpent Papers introduces readers to Anna Verco, a young literary researcher whose involvement in a series of mysterious murders in contemporary Barcelona brings her face to face with the ancient worlds of alchemy, magic and explosive historical secrets concealed in long-hidden manuscripts. Jessica Cornwell's debut novel is a stylish, sophisticated literary thriller that will enthrall readers of *The Historian*, *The Name of the Rose*, *The Thirteenth Tale* and *The Da Vinci Code*. Barcelona, Summer 2003. Three women are sacrificed to an unknown purpose, their skin carved with a cryptic alphabet, and their tongues cut from their mouths. Sent beautiful, sinister letters—clues, or confessions?—Inspector Fabregat cannot decipher the warnings within. As Barcelona explodes in revelry on the Festival of St. Joan, Natalia Hernandez, flower of the National Theatre and Catalan idol, lies broken on the steps of the Cathedral. The city bays for blood, and Fabregat chases riddles and shadows—signs that whisper of secrets beyond his grasp. Barcelona, Winter 2014. Anna Verco—academic, book thief, savant—unearths letters hidden for centuries from a lightning-struck chapel in Mallorca. What they reveal compels her and Fabregat to reignite the Hernandez investigation. Every page she turns conceals a coded message; every street she treads leads her deeper into the labyrinth. As Fabregat baits her with suspects, and threats darken her steps, Anna hunts her own prey—the book that began it all, a medieval revelation written in the language of witches and alchemists: *The Serpent Papers*. Anna believes this book will unlock the mystery. She does not yet know she is the key.

The Bigamist-Mary Turner Thomson 2011-07-15 In April 2006, Mary Turner Thomson received a call that blew her life apart. The woman on the other end of the line told her that Will Jordan, Mary's husband and the father of her two younger children, had been married to her for fourteen years and they had five children together. The Bigamist is the shocking true story of how one man manipulated an intelligent, independent woman, conning her out of £200,000 and leaving her to bring up the children he claimed he could never have. It's a story we all think could never happen to us, but this shameless con man has been doing the same thing to various other women for at least 27 years, spinning a tangled web of lies and deceit to cover his tracks. How far would you go to help the man you love? How far would he go to deceive you? And what would you do when you found out it was all a lie?

Oman Under Arabian Skies-Rory Patrick Allen 2010-01-01 The Sultanate of Oman is a land of oases, deserts, rolling sands, shifting dunes and mountains upon which ancient cities have been carved from stone. A land that boasts the Queen of Sheba, Sinbad the sailor and The Lost City of Ubar buried for millennia under the Arabian Sands. A country that was heralded for its wealth in Frankincense and from here the ancient Frankincense trail began. Oman is a country where the Bedouin still wander the deserts as they have since time immemorial. A mystical land where eagles soar over the mountain that is home to the Tomb of the prophet Job, a prophet in Judaism, Christianity and Islam. In the mountains nearby live an ancient people whose language predates Aramaic. The age of the language remains a mystery. It is a spoken language with no written form. In these mountains one finds caves that are decorated with prehistoric art. Mines and distinctive cone like tombs dating from the Bronze Age feature all over the country. It is a country that has tales of wizardry and magic, jinns and exorcisms. Embark on a magical and mystical Arabian Odyssey to the ancient land of Oman.

Personal-Lee Child 2014-09-02 #1 NEW YORK TIMES BESTSELLER • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher—and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zoloff. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses—and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for Personal "The best one yet."—Stephen King "Reacher is the stuff of myth, a great male fantasy. . . . One of this century's most original, tantalizing pop-fiction heroes. . . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense."—The Washington Post "Yet another satisfying page-turner."—Entertainment Weekly "Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it's Reacher the Teacher who wows here."—Marilyn Stasio, The New York Times

Quarantine-James Phelan 2013-09-24 Stay and hide. Run and fight. Either way you risk it all. The Spy Novels of John Le Carre-M. Aronoff 1998-12-14 Using espionage as a metaphor for politics, John le Carré explores the dilemmas that confront individuals and governments as they act during and in the aftermath of the Cold War. His unforgettable characters struggle to maintain personal and professional integrity while facing conflicting personal, institutional, and ideological loyalties. In The Spy Novels of John le Carré, author Myron Aronoff interprets the ambiguous ethical and political implications of the work of John le Carré, revealing him to be one of the most important political writers of our time. Aronoff shows how through his writing, le Carré poses the difficult question of to what extent are western governments justified in pursuing *raison d'état* without undermining the very democratic freedoms that they claim to defend. He also draws parallels between the self-parody of le Carré and that of the seventeenth-century Dutch artist Jan Steen, and explains how it expresses a unique form of ambiguous moralism. In this volume Aronoff relates le Carré's fictional world to the real world of espionage, and demonstrates the need to balance the imperatives of ethics and politics in regard to some of the most pressing issues facing the world today.

The secretive terror outfit of linked lone-wolf operatives, known as Zodiac, has activated another terrorist cell. Chaos will be unleashed at six-hour intervals, with each event more catastrophic than the last, culminating in a devastating global catastrophe within 48 hours. The options for the hackers are endless: bring down California's telecom system; remote detonate explosives at an army base in Virginia; cause Amtrak's signals to fail; collapse air traffic control in US airspace. Consequences are unthinkable. The US President has the power to enact the Internet Freedom Act - the 'Kill Switch'. Turning off the Net will stop the attacks, and give the CIA and the Pentagon time to track down those responsible. But it's not that simple. Fourteen people with the key to restart the Internet are missing. The US will plummet into pandemonium if electronic communications cease. The rest of the world will follow. Jed Walker, ex CIA-operative, has thwarted Zodiac twice before. But, this time, nothing will prepare him for what he uncovers. Walker has 48 hours, and the countdown has begun ...

The Botanist's Daughter-Kayte Nunn 2018-07-31 Discovery. Desire. Deception. A wondrously imagined tale of two female botanists, separated by more than a century, in a race to discover a life-saving flower . . . In Victorian England, headstrong adventuress Elizabeth takes up her late father's quest for a rare, miraculous plant. She faces a perilous sea voyage, unforeseen dangers and treachery that threatens her entire family. In present-day Australia, Anna finds a mysterious metal box containing a sketchbook of dazzling watercolours, a photograph inscribed 'Spring 1886' and a small bag of seeds. It sets her on a path far from her safe, carefully ordered life, and on a journey that will force her to face her own demons. In this spellbinding botanical odyssey of discovery, desire and deception, Kayte Nunn has so exquisitely researched nineteenth-century Cornwall and Chile you can almost smell the fragrance of the flowers, the touch of the flora on your fingertips . . . 'Two incredibly likeable, headstrong heroines . . . watching them flourish is captivating. With these dynamic women at the helm, Kayte weaves a clever tale of plant treachery involving exotic and perilous encounters in Chile, plus lashings of gentle romance. Compelling storytelling' The Australian Women's Weekly 'I loved The Botanist's Daughter. I was transported to the 1880s and Chile, to contemporary Sydney and Kew. A gripping, warm-hearted read' JOY RHOADES, author of The Woolgrower's Companion 'The riveting story of two women, divided by a century in time, but united by their quest to discover a rare and dangerous flower said to have the power to heal as well as kill. Fast-moving and full of surprises, The Botanist's Daughter brings the exotic world of 19th-century Chile thrillingly to life' KATE FORSYTH **Contains BONUS extract from Kayte's new novel THE FORGOTTEN LETTERS OF ESTHER DURRANT**
