The Story of Land and Sea-Katy Simpson Smith 2014-08-26 Set in a small coastal town in North Carolina during the waning years of the American Revolution, this incandescent debut novel follows three generations of family—fathers and daughters, mother and son, master and slave, characters who yearn for redemption amidst a heady brew of war, kidnapping, slavery, and love. Drawn to the ocean, ten-year-old Tabitha wanders the marshes of her small coastal village and listens to her father’s stories about his pirate voyages and the mother she never knew. Since the loss of his wife Helen, John has remained land-bound for their daughter, but when Tab contracts yellow fever, he turns to the sea once more. Desperate to save his daughter, he takes her aboard a sloop bound for Bermuda, hoping the salt air will heal her. Years before, Helen herself was raised by a widowed father. Asa, the devout owner of a small plantation, gives his daughter a young slave named Moll for her tenth birthday. Left largely on their own, Helen and Moll develop a close but uneasy companionship. Helen gradually takes over the running of the plantation as the girls grow up, but when she meets John, the pirate turned Continental soldier, she flouts convention and her father’s wishes by falling in love. Moll, meanwhile, is forced into marriage with a stranger. Her only solace is her son, Davy, whom she will protect with a passion that defies the bounds of slavery. In this elegant, evocative, and haunting debut, Katy Simpson Smith captures the singular love between parent and child, the devastation of love lost, and the lonely paths we travel in the name of renewal.

The Land of Story-books-Shu-Fang Lai 2019 This volume of twenty essays presents a unique insight into the world of Scottish children's literature throughout the long nineteenth century. As well as revisiting much-loved authors such as Stevenson, Barrie, and MacDonald, it explores the neglected role of women writers in shaping the inheritance of Scottish children's literature, the significant contribution of Gaelic writers, and the role of folklore and tradition. Essays also examine the significance of children as literary protagonists, and as readers themselves. In recovering these marginal voices and texts, and in showing how well-known stories explore questions of culture, identity, and language, The Land of Story-Booksseeks to restore the traditions of children's writing to the heart of Scottish literary history.

Of Land and Sea-Lisa Dawn 2010-03-29 What happens when two princesses fall in love with the same prince?Helena of Kamdren has always believed in mermaids, but she had no idea about the sacrifices that the mysterious maiden Coralie made to be with her betrothed. Learn the untold story of the little mermaid who lost her chance at love and the woman who gained it in her place in this retelling of Hans Christian Andersen's classic fairy tale.

The Riches of This Land-Jim Tankersley 2020-08-11 Vivid character-driven narrative, fused with important new economic and political reporting and research, that busts the myths about middle class decline and points the way to its revival. For over a decade, Jim Tankersley has been on a journey to understand what the hell happened to the world’s greatest middle-class success story -- the post-World-War-II boom that faded into decades of stagnation and frustration for American workers. In The Riches of This Land, Tankersley fuses the story of forgotten Americans-- struggling women and men who he met on his journey into the travails of the middle class-- with important new economic and political research, providing fresh understanding how to create a more widespread prosperity. He begins by unraveling the real mystery of the American economy since the 1970s - not where did the jobs go, but why haven't new and better ones been created to replace them. His analysis begins with the revelation that women and minorities played a far more crucial role in building the post-war middle class than today's politicians typically acknowledge, and policies that have done nothing to address the structural shifts of the American economy have enabled a privileged few to capture nearly all the benefits of America's growing prosperity. Meanwhile, the "angry white men of Ohio" have been sold by Trump and his ilk a theory of the economy that is dangerously backward, one that pits them against immigrants, minorities, and women who should be their allies. At the culmination of his journey, Tankersley lays out specific policy prescriptions and social undertakings that can begin moving the needle in the effort to make new and better jobs appear. By fostering an economy that opens new pathways for all workers to reach their full potential -- men and women, immigrant or native-born, regardless of race -- America can once again restore the upward flow of talent that can power growth and prosperity.

The Story of Land- 1976

God Land-Lyz Lenz 2019-07-19 In the wake of the 2016 election, Lyz Lenz watched as her country and her marriage were torn apart by the competing forces of faith and politics. A mother of two, a Christian, and a lifelong resident of middle America, Lenz was bewildered by the pain and loss around her—the empty churches and the broken hearts. What was happening to faith in the heartland? From drugstores in Sydney, Iowa, to skeet shooting in rural Illinois, to the mega churches of Minneapolis, Lenz set out to discover the changing forces of faith and tradition in God's country. Part journalism, part memoir, God Land is a journey into the heart of a deeply divided America. Lenz visits places of worship across the heartland and speaks to the everyday people who often struggle to keep their churches afloat and to cope in a land of instability. Through a thoughtful interrogation of the effects of faith and religion on our lives, our relationships, and our country, God Land investigates whether our divides can ever be bridged and if America can ever come together.

We Belong to the Land-Elias Chacour 2015-11-15 Nominated several times for the Nobel Peace Prize, world-renowned Palestinian priest, Elias Chacour, narrates the gripping story of his life spent working to achieve peace and reconciliation among Israeli Jews, Christians, and Muslims. From the destruction of his boyhood village and his work as a priest in Galilee to his efforts to build school, libraries, and summer camps for children of all religions, this peacemaker’s moving story brings hope to one of the most complex struggles of our time.

By Land and By Sea-Robin Neillands 2004-03-01 This is the story of a fighting force. In the words of the marines themselves, Robin Neillands, formerly of 45 Commando RM, describes what it is really like to wear the legendary green beret, in peace and in war. This vivid account charts the story of the Royal Marine Commandos from their bloody baptism on the beaches of Dieppe to the final yomp into Stanley at the end of the Falklands War in 1982.

The Land and Its Story; Or, The Sacred Historical Geography of Palestine-Nathaniel Clark Burt 1869

A Land More Kind Than Home-Wiley Cash 2012-03-27 A stunning debut reminiscent of the beloved novels of John Hart and Tom Franklin, A Land More Kind Than Home is a mesmerizing literary thriller about the bond between two brothers and the evil they face in a small western North Carolina town For a curious boy like Jess Hall, growing up in Marshall means trouble when your mother catches you spying on grown-ups. Adventurous and precocious, Jess is enormously protective of his older brother, Christopher, a mute whom everyone calls Stump. Though their mother has warned them not to snoop, Stump can’t help sneaking a look at something he’s not supposed to—an act that will have catastrophic repercussions, shattering both his world and Jess’s. It’s a wrenching event that thrusts Jess into an adulthood for which he’s not prepared. While there is much about the world that still confuses him, he now knows that a new understanding can bring not only a growing danger and evil—but also the possibility of freedom and deliverance as well. Told by three resonant and evocative characters—Jess; Adelaide Lyle, the town midwife and moral conscience; and Clem Barefield, a sheriff with his own painful past—A Land More Kind Than Home is a haunting tale of courage in the face of cruelty and the power of love to overcome the darkness that lives in us all. These are masterful portrayals, written with assurance and truth, and they show us the extraordinary promise of this remarkable first novel.

Our Land Before We Die-Jeff Guinn 2005-01-13 In Our Land Before We Die, Jeff Guinn traces the little-known history of the runaway slaves who fled to the Florida Everglades to live alongside the Seminole Indians. Deeply rooted in tribal oral history, and based on extensive interviews with descendants, this book describes the incredible circumstances of a people who sought shelter in the shadow of a tribe whose land and welfare already hung in the balance. And yet, in their tireless journey—from Florida to Indian Territory in Oklahoma; on the seven-hundred-mile flight from persecution that took them across the Rio Grande into Mexico; and then back across the Rio Grande to Texas—they never surrendered the hope of one day attaining land of their own. Our Land Before We Die brings to life the largely forgotten history of a courageous people and the descendants for whom this story is their only legacy.

Land Wars-Brian J. DeMare 2019 Land Wars: The Story of China's Agrarian Revolution explores how Mao's narrative of rural revolution became a reality, at great human cost.

Evolution of Land and Life in Oman: an 800 Million Year Story-Mohammed Hilal Al Kindi 2018-03-27 This book takes readers on a fascinating journey to discover the story of land and ancient life evolution in Oman since at least 800 million years ago. Oman is well known for its marvelous geology. What tectonics affected this part of the world and what organisms lived there? How did the climate and life develop? Did life forms become more complex and varied or become extinct and disappear forever? The book thoroughly reconstructs this land and ancient life evolution and offers readers an understanding on how land, climate and life have proceeded and developed in Oman through the millions of years.

Land of Hope-Wilfred M. McClay 2021-01-26 For too long we’ve lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans’ sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as Land of Hope brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of Land of Hope will find both in its pages.

Love in a Fearful Land-Henri J. M. Nouwen 1985 This is Henri Nouwen's personal account of a pilgrimage to Santiago Atitlan, a Mayan town in the highlands of Guatemala. It was there that an American priest, Father Stanley Rother, was murdered by a death squad in the parish where he served. In traveling to Santiago Nouwen hoped to learn more about this modern martyr about the faith that drew him there, and the love that held him in place, even when his life was threatened.

Free Men-Katy Simpson Smith 2016-02-16 From the author of the highly acclaimed The Story of Land and Sea comes a captivating novel, set in the late eighteenth-century American South, that follows a singular group of companions—an escaped slave, a white orphan, and a Creek Indian—who are being tracked down for murder. In 1788, three men converge in the southern woods of what is now Alabama. Cat, an emotionally scarred white man from South Carolina, is on the run after abandoning his home. Bob is a talkative black man fleeing slavery on a Pensacola sugar plantation, Istilicha, edged out of his Creek town’s leadership, is bound by honor to seek retribution. In the few days they spend together, the makeshift trio commits a shocking murder that soon has the forces of the law bearing down upon them. Sent to pick up their trail, a probing French tracker named Le Clerc must decide which has a greater claim: swift justice, or his own curiosity about how three such disparate, desperate men could act in unison. Katy Simpson Smith skillfully brings into focus men whose lives are both catastrophic and full of hope—and illuminates the lives of the women they left behind. Far from being anomalies, Cat, Bob, and Istilicha are the beating heart of the new America that Le Clerc struggles to comprehend. In these territories caught between European, American, and Native nations, a wilderness exists where four men grapple with the importance of family, the stain of guilt, and the competing forces of power, love, race, and freedom—questions that continue to haunt us today.

The Story of the Holy Land-Peter Walker 2018-06-22 This is a highly illustrated, visually led guide through the story of the Holy Land, from Bible times to the present day. The Holy Land frequently features in today's headlines as a much fought-for territory. Many know part of its story, as recounted in the Bible, but what happened after Jesus' time? This book explores the Old Testament and New Testament history of the Holy Land, as well as everything that happened later--the Muslim conquest, the crusades, and the modern rediscovery of Bible sites--unearthing the rich layers of history of this sacred place.

This Land Is Your Land-Michael J. Lannoo 2018-08-10 Field biology is enjoying a resurgence due to several factors, the most important being the realization that there is no ecology, no conservation, and no ecosystem restoration without an understanding of the basic relationships between species and their environments—an understanding gleaned only through field-based natural history. With this resurgence, modern field biologists find themselves asking fundamental existential questions such as: Where did we come from? What is our story? Are we part of a larger legacy? In This Land Is Your Land, seasoned field biologist Michael J. Lannoo answers these questions and more in a tale rooted in the people and institutions of the Midwest. It is a story told from the ground up, a rubber boot–based natural history of field biology in America. Lannoo illuminates characters such as John Wesley Powell, William Temple Hornaday, and Olaus and Adolph Murie—homegrown midwestern field biologists who either headed east to populate major research centers or went west to conduct their fieldwork along the frontier. From the pioneering work of Victor Shelford, Henry Chandler Cowles, and Aldo Leopold to contemporary insights from biologists such as Jim Furnish and historians such as William Cronon, Lannoo’s unearthing of American—and particularly midwestern—field biologists reveals how these scientists influenced American ecology, conservation biology, and restoration ecology, and in turn drove global conservation efforts through environmental legislation and land set-asides. This Land Is Your Land reveals the little-known legacy of midwestern field biologists, whose ethos and discoveries have enabled us to preserve and understand not just their land, but all lands.

The Story of Radio Mind-Pamela E. Klassen 2018-04-23 At the dawn of the radio age in the 1920s, a settler-mystic living on northwest coast of British Columbia invented radio mind: Frederick Du Vernet—Anglican archbishop and self-declared scientist—announced a psychic channel by which minds could telepathically communicate across distance. Retelling Du Vernet’s imaginative experiment, Pamela Klassen shows us how agents of colonialism built metaphysical traditions on land they claimed to have conquered. Following Du Vernet’s journey westward from Toronto to Ojibwe territory and across the young nation of Canada, Pamela Klassen examines how contests over the mediation of stories—via photography, maps, printing presses, and radio—lucidly reveal the spiritual work of colonial settlement. A city builder who bargained away Indigenous land to make way for the railroad, Du Vernet knew that he lived on the territory of Ts’msyen, Nisga’a, and Haida nations who had never ceded their land to the onrush of Canadian settlers. He condemned the devastating effects on Indigenous families of the residential schools run by his church while still serving that church. Testifying to the power of radio mind with evidence from the apostle Paul and the philosopher Henri Bergson, Du Vernet found a way to explain the world that he, his church and his country made. Expanding approaches to religion and media studies to ask how sovereignty is made through stories, Klassen shows how the spiritual invention of colonial nations takes place at the same time that Indigenous peoples—including Indigenous Christians—resist colonial dispossession through stories and spirits of their own.

Unearthing the Land-Thomas A. Rumer 1999 "A much-publicized labor strike erupted during the broiling, violent summer of 1934, breaking the monotony of field work for that season. But the marsh had already begun showing the signs of exploitation - the rich organic soil was evaporating in astounding, incalculable tonnage. Once as deep as a tall pioneer, the muck was now little more than a foot thick."

This Land-Owen Jones 2020-09-24 The No.1 bestselling author of The Establishment returns with an urgent analysis of where the Left - and Britain - goes next 'An absorbing, nuanced account of the making of electoral disaster' Gaby Hinsliff, Guardian Books of the Year 'A whodunnit political page-turner' Melissa Benn, New Statesman Books of the Year We live in an age of upheaval. The global crisis of Covid-19 has laid bare the deep social and economic inequalities which were the toxic legacy of austerity. These revolutionary times are an opportunity for a radical rethink of Britain as we know it, as the politically impossible suddenly becomes imaginable. And yet, the Left's last attempt to upend the established order and transform millions of lives came to a crashing halt on 12th December 2019, when Jeremy Corbyn led the Labour party to its worst electoral defeat since 1935. In This Land, Owen Jones provides an insider's honest and unflinching appraisal of a movement: how it promised to change everything, why it went so badly wrong, where this failure leaves its values and ideas, and where the Left goes next in the new world we find ourselves in. He takes us on a compelling, page-turning journey through a tumultuous decade in British politics, gaining unprecedented access to key figures across the political spectrum. It is a tale of high hopes and hubris, dysfunction and disillusionment. There is, Jones urges, no future for any progressive project that does not face up to and learn from its errors. We have the opportunity to build a fairer country and a more equal world, but if our time is to come, then we must learn from our past.

The Story of Land Warfare-Paul Murray Kendall 1981 There is little general agreement about the battles which have most decisively changed the course of history. Those given the fullest description in this book have been chosen on two considerations: each has played a marked part in the making of history and each illustrates an important change in the making of war.

Winterhawk's Land-Michael Dante Michael Dante played the title role in Winterhawk (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.

From a Heavenly Land: Julia's Story-Cathy Slusser 2014-05-18 Seeking religious freedom, Joseph and Julia Atzeroth leave Bavaria and travel across the ocean to build a new life in America. Propelled by Julia's precarious health and the lure of free land, the Atzeroths make their way to the west coast of Florida where they face wild animals, hurricanes, Seminoles and threats from other settlers. Throughout their journey, Julia struggles to find her way, not only through the wilderness, but to an understanding of what God desires from her. Though life as a pioneer is filled with turmoil and hard work, Julia discovers that God offers grace and mercy despite her many failings. This second novel in the From a Heavenly Land trilogy, told from the perspective of the mother, Julia Atzeroth, is the backstory of the family's life before "Eliza's Story" begins. In her engaging second novel, Cathy Slusser, a professional historian in Manatee County, Florida, carries you from 19th century Germany to a lush tropical island, as one woman's true story shows the determination and faith necessary to make a new home in the Florida frontier.

Pure Land-Annette McGivney 2017-10-02 "Tomomi Hanamure, a Japanese citizen who loved exploring the rugged wilderness of the American West, was killed on her birthday May 8, 2006. She was stabbed 29 times as she hiked to Havasu Falls on the Havasupai Indian Reservation at the bottom of Grand Canyon. Her killer was an 18-year old Havasupai youth named Randy Redtail Wescogame who had a history of robbing tourists and was addicted to meth. It was the most brutal murder ever recorded in Grand Canyon's history."--Amazon.com.
