A Field Guide to the Life and Times of Roger Conant-Roger Conant 1997 Roger Conant was an author, educator, researcher, and conservationist with a dual career in zoos and in herpetology. His contribution to the Peterson Field Guide Series made him one of the most influential American herpetologists of the twentieth century. This in-depth autobiography is as much a history of American Zoos and North American Herpetology as it is an account of the diverse and exciting life of Roger Conant. Details included in this book make it a hidden treasure for twentieth century folklore as well. Conant also studied extensively in Mexico and offers detailed accounts of his several excursions which were spread throughout much of the twentieth century.  
Studio Photography: Essential Skills-John Child 2013-03-05 Studio photography is a common career path for aspiring photographers and students but the professional and commercial nature of the field makes it a challenging area to break into. Whilst other introductory books on the subject are often bogged down with too much technical detail or too many 'show-off' shots, Studio Photography: Essential Skills offers a practical and accessible guide to the fundamental techniques for successful studio photography. Whether photographing a person or a product, you need control over the light, mood and look to arrive at the perfect result for a particular assignment. This book takes a commercial and creative approach and considers the important elements of lighting, exposure, capture, art direction and the studio setting to ensure a successful shoot. With a clearly structured learning approach and a wide variety of activities and assignments to inspire and engage you, this is an informative, stimulating guide to the basics. Broaden your skills and increase your earning potential with Studio Photography: Essential Skills!
