[...] An extraordinarily moving romance with wonderfully charismatic protagonists." —RT Book Reviews on The Tycoon's Secret Affair WANTED was originally published as Wanted by His Lost Love Fortune's Rocks-Anita Shreve 2001-04-10 This magnificent novel transports readers to the world of a prominent Boston family summmering on the New Hampshire coast, and to the social orbit of a spirited young woman who falls into a passionate, illicit affair with an older man, with cataclysmic results. The Fortune Rock's Quartet collects four of Anita Shreve's most beloved novels-Fortune's Rocks, The Pilot's Wife, Sea Glass, and Body Surfing-for the first time. The novels highlight Shreve's ability to illuminate women's lives across different eras and share a delightful detail: they are all set in the same coastal New England home, one that has inspired Shreve for over a decade. Any house with age to it can tell a million stories about the families who have lived there, and Shreve has been quoted as saying, "You could base an entire life's work on the people who come in and out of a house." Fortune's Rocks depicts a spirited young woman at the turn of the 20th century who falls into a passionate, illicit affair with an older man. In Sea Glass, a young couple's new marriage is rocked to the core by the 1929 stock market crash. The Pilot's Wife brings us to the present day, where Kathryn is unprepared her for the late-night knock that lets her know her husband has been killed in a plane crash. Sydney, the heroine of Body Surfing has already been once divorced and once widowed by the age of 29, and finds the fragile existence she has rebuilt for herself threatened when two brothers vie for her affections. "There's something addictive about Shreve's tales," according to USA Today, and this quality is on full display in the critically acclaimed novels of The Fortune Rock's Quartet. No one writes more compellingly than Anita Shreve about marriage, family, the depths of our strength and resolve, and the supreme courage that it takes to love. The Road-Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post Craving The Rake's Touch-Bronwyn Scott 2014-12-01 London, 1836 Lady Sarah Dryden once dreamed of marrying for love.
