Teach Me To Love / Man On The Make-Vin Fields 2019-09-04 As a college professor, the town respected him. As a husband who could not pay his way - his wife despised him. As Peter Waring said bitterly after she walked out on him, "Maybe I'm a college teacher - but damn it all, I'm also a man! I want to live like a man . . . love like a man . . ." Yet how could he? Like most faculty members, he had to burn the midnight oil doing extra assignments to improve his lot in the world. For although his wife was rich, she wanted Peter to pay - or to play! When a college campus is rocked by violent revolt, it isn't always the students who are to blame. In this case, it started with Viviam Temple, a highly respectable English teacher - whose husband could no longer satisfy her erotic appetites. It spread quickly to Eric Bentley, another normally staid member of the faculty, who knew a good thing when he saw it - and saw Vivian at her naked best. Then it touched Barry Holmes, an A student who just happened to like doing nude studies instead of his homework!

A Voyage For Madmen-Peter Nichols 2009-10-13 In 1968, nine sailors set off on the most daring race ever held: to single-handedly circumnavigate the globe nonstop.
