New World Translation of the Holy Scriptures (Study Edition)
(Matthew Through Acts)-Watchtower Bible and Tract Society of
New York 2019-09-11 Volume 1

The Harp of God-Joseph Franklin Rutherford 1921

Index of Watchtower Errors 1879 to 1989-David A. Reed 1990-06-01

Teachings of the Jehovah's Witnesses and how they differ from historic Christianity are documented in this study of Watchtower publications from 1879 to 1989. Helpful for having profitable discussions with Jehovah's Witnesses.

The Oxford Handbook of Latin American Christianity-David Thomas Orique 2020-01-10 By 2025, Latin America's population of observant Christians will be the largest in the world. Nonetheless, studies examining the exponential growth of global Christianity tend to overlook this region, focusing instead on Africa and Asia.

Research on Christianity in Latin America provides a core point of departure for understanding the growth and development of Christianity in the "Global South." In The Oxford Handbook of Latin American Christianity an interdisciplinary contingent of scholars examines Latin American Christianity in all of its manifestations from the colonial to the contemporary period. The essays here

provide an accessible background to understanding Christianity in Latin America. Spanning the era from indigenous and African-descendant people's conversion to and transformation of Catholicism during the colonial period through the advent of Liberation Theology in the 1960s and conversion to Pentecostalism and Charismatic Catholicism, *The Oxford Handbook of Latin American Christianity* is the most complete introduction to the history and trajectory of this important area of modern Christianity.

How to Rescue Your Loved One from the Watchtower-David A. Reed 1989

Millions Now Living Will Never Die!-Joseph Franklin Rutherford 1920

Anthropological Perspectives on the Religious Uses of Mobile Apps-Jacqueline H. Fewkes 2019-10-10 This edited volume deploys digital ethnography in varied contexts to explore the cultural roles of mobile apps that focus on religious practice and communities, as well as those used for religious purposes (whether or not they were originally developed for that purpose). Combining analyses of local contexts with insights and methods from the global subfield of digital anthropology, the contributors here recognize the complex ways that in-app and on-ground worlds interact in a wide range of communities and traditions. While some of the case studies emphasize the cultural significance of use in local contexts and relationships to pre-existing knowledge networks and/or non-digital relationships of power, others explore the globalizing and democratizing influences of mobile apps as communication technologies. From Catholic confession apps to Jewish Kaddish assistance apps and Muslim halal food apps, readers will see how religious-themed mobile apps create complex sites for potential new forms of religious expression, worship, discussion, and practices.

Faith On The March-A.H. Macmillan 1957

30 Years a Watchtower Slave-William J. Schnell 2002-01-01 At first, the Watchtower Society seemed harmless to William J. Schnell, even valuable as a way to develop his faith in God and pass it on to others. This book is Schnell's fascinating account of his involvement with the cult, which effectively enticed him in the 1920s and continues to lure countless individuals today. Readers will learn, as Schnell did, that the Jehovah's Witness religion he had

anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day, and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods, and doctrines of the Watchtower Society, arming them to forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors, and the stranger at the door. With more than 300,000 copies sold, *30 Years a Watchtower Slave* is truly one of the classic testimonies of freedom from a powerful cult.

Religiosity in East and West-Sarah Demmrich

Historical Dictionary of New Religious Movements-George D. Chrystides 2012 In this newly updated second edition of the Historical Dictionary of New Religious Movements, George D. Chrystides traces the rise and development of new religious movements throughout the world. An updated introduction summarizes the phenomenon of new religious movements and lays out the changes to the dictionary since the 2001 edition, while the main body of the dictionary consists of close to 600 cross-referenced entries on key figures, ideas, themes, and places related to various new religious movements. An index organizes the information in the dictionary, and a comprehensive bibliography leads the researcher to further sources.

Reasoning from the Scriptures with the Jehovah's Witnesses-Ron Rhodes 2009-07-01 Christians have great news to offer Jehovah's Witnesses. In this revised and updated version of the top-selling Reasoning from the Scriptures with the Jehovah's Witnesses (more than 90,000 copies sold), author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God's truths with those who come calling. Convenient side-by-side comparisons of the New World Translation and the Bible, along with answers to each doctrinal error espoused by the Witnesses Point-by-point lists of the favorite tactics and arguments used by the Witnesses—along with effective, biblical responses to each Questions you can ask to challenge the Jehovah's Witnesses' confidence in the Watchtower Society With easy-to-understand helps, concise information, direct comparisons of beliefs, and a compassionate presentation, this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to

confidently share the gospel.

What Does the Bible Really Teach?.- 2005 Biblical theology and doctrines of Jehovah's Witnesses.

Apocalypse Delayed-M. James Penton 1997-01-01 M. James Penton offers a comprehensive overview of a remarkable religious movement, from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world-wide. This second edition features an afterword by the author and an expanded bibliography.

Jehovah's Witnesses-Watchtower Bible and Tract Society of New York 1993 History and teachings of Jehovah's Witnesses organization.

Studies in the Scriptures-Charles Taze Russell 1916

The Book of Revelation Made Easy- 2008

Rock Music-Mark Spicer 2017-07-05 This volume gathers together twenty articles from among the best scholarly writing on rock music published in academic journals over the past two decades. These diverse essays reflect the wide range of approaches that scholars in various disciplines have applied to the study of rock, from those that address mainly the historical, sociological, cultural and technological factors that gave rise to this music, to those that focus primarily on analysis of the music itself. This collection of articles, some of which are now out of print or otherwise difficult to access, provides an overview of the current state of research in the field of rock music, and includes an introduction which contributes to the ongoing debate over the distinction (or lack thereof) between ?rock? and ?pop?.

Rammed Earth Conservation-C. Mileto 2012-05-31 Includes a free CD containing the full contents of the book.The rammed earth technique, in all its variants, is widespread all over the world. This enormously prevalent building technique harbours an important richness of varieties both in application and in materials used. Interventions on historical rammed earth buildings have also been carried o

Jehovah's Witnesses-George D. Chrystides 2016-12-05 From its origins in nineteenth century Adventism until the present day, the Watch Tower Society has become one of the best known but least understood new religious movements. Resisting the tendency to

define the movement in terms of the negative, this volume offers an empathetic account of the Jehovah's Witnesses, without defending or seeking to refute their beliefs. George Chryssides critically examines the historical and theological bases of the organization's teachings and practices, and discusses the changes and continuities which have defined it. The book provides a valuable resource for scholars of new religious movements and contemporary religion. Let God Be True-Watch Tower Bible And Tract Society 2012-04-01 Jehovah's Witnesses-Firpo W. Carr 2002

When Prophecy Fails-Leon Festinger 2013-04-01 The study reported in this volume grew out of some theoretical work, one phase of which bore specifically on the behavior of individuals in social movements that made specific (and unfulfilled) prophecies. We had been forced to depend chiefly on historical records to judge the adequacy of our theoretical ideas until we by chance discovered the social movement that we report in this book. At the time we learned of it, the movement was in mid-career but the prophecy about which it was centered had not yet been disconfirmed. We were understandably eager to undertake a study that could test our theoretical ideas under natural conditions. That we were able to do this study was in great measure due to the support obtained through the Laboratory for Research in Social Relations of the University of Minnesota. This study is a project of the Laboratory and was carried out while we were all members of its staff. We should also like to acknowledge the help we received through a grant-in-aid from the Ford Foundation to one of the authors, a grant that made preliminary exploration of the field situation possible.

Battlefield of the Mind-Joyce Meyer 2008-03-25 !--StartFragment-- In her most popular bestseller ever, the beloved author and minister Joyce Meyer shows readers how to change their lives by changing their minds. Joyce Meyer teaches how to deal with thousands of thoughts that people think every day and how to focus the mind the way God thinks. And she shares the trials, tragedies, and ultimate victories from her own marriage, family, and ministry that led her to wondrous, life-transforming truth--and reveals her thoughts and feelings every step of the way. Download the free Joyce Meyer author app.

Blood on the Altar-David A. Reed More kids are dying right now in
apostoliclighthouse.com
on January 23, 2021 by guest

obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas, says former Witness elder David A. Reed. How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry? Reed cites dozens of well-documented cases and media reports naming victims, doctors, and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes he details an enforcement apparatus that reaches even into clinics and hospitals. He brings to light secret instructions for hospital employees to turn over confidential patient records to the church, and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God, but actually fabricated by the church hierarchy. After leaving the sect, he spent years researching its history and activities resulting in evidence revealed here for the first time. Reed's warning cannot be ignored. For anyone with a family member involved with Jehovah's Witnesses, this book is a vital resource. It will also provide some fun questions to ask the local Watchtower salesman next time he appears on the doorstep. - Atheist Coalition One of the most lucid exposures of a religious sect I have ever read. . . the equivalent of a years worth of '60 Minutes' programs. Reed and the publisher deserve the thanks of millions of Americans for exposing the dangers of a multi-billion dollar book distributing sect. Truly an amazing study. One of the finest works ever published in this genre. . . . Must reading for health care professionals along with teachers, clergy, psychologists, and media professionals. This text gets my strongest, my very highest recommendation. -

The Finished Mystery-Charles Taze Russell 1918

Farewell to Manzanar-Jeanne Wakatsuki Houston 2002-04-29 During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her father,

confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century's 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a devastating Japanese American experience includes an inspiring afterword by the authors.

The Divine Plan of the Ages-Charles Taze Russell 1922

Pray for the Kingdom-Anonymous 2019-03-16 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.
