Stone Girl Bone Girl-Laurence Anholt 2006-12-28 Discover the story of Mary Anning, the world's best-known fossil hunter. As a baby, Mary was struck by lightning, then as a little girl she found a fossilised sea monster, the most important prehistoric discovery of its time. This spectacular tale of a little girl who dared to be different and who followed her dreams will inspire young children. Beautiful illustrations and narrative text help children to learn how Mary discovered new fossils - and how her observations rocked the natural history world. Be inspired by Mary's work as a woman in the field of science - especially as her achievements weren't recognised until after her death. Perfect for kids interested in dinosaurs and rocks, and for parents looking for strong female role models in science. If you liked this, you might like the Anholt's Artists series.

Mastering Core Sat Words-William H. Shin 2012-08-01 "Mr. Shin is my current writing teacher who has taught me for almost a year. If I were to study SATs by myself or with a tutor, I would use Mr. shin's book, "Mastering Core SAT Words." His book is different from other publishers because he used words that were used in the past SATs. Also it is currently published, its most updated with new vocabularies that many people are not familiar with. So if you are a student who is studying for SATs, or just looking for handy word books to study from, I strongly recommend "Mastering Core SAT Words!" Soojin Cho (Ridgefield Memorial High School) This book contains as many as 1,395 core SAT words long with synonyms, definitions and example sentences. In addition, in order to help SAT preparation students memorize the words more effectively, certain words have stars(*), which indicate the degrees of difficulty of memorizing the words. Based on my long term SAT teaching experience, SAT preparation students must precisely learn the definitions of the SAT words in this book to enhance their SAT Critical Reading Scores: particularly on the Sentence Completion and the Short Reading Passage sections. Once students have completed the memorization of al the words, they will be able to start dealing with questions related to the Long Passages more easily and efficiently. William H. Shin, Author

The Day I Was Erased-Lisa Thompson 2020-06-02 "Sometimes I think everyone would be better off if I'd never existed in the first place." Nothing's going right for Maxwell Beckett. He's being blamed for his best friend's bloody nose -- it was an accident! -- his parents can't stop shouting at each other, and he just broke his neighbor's bright pink flamingo lawn ornament. So when Maxwell turns off the power in his school during a giant fundraiser, it's the last straw. He's sure that now the whole town hates him. Maxwell is sick and tired of getting things wrong. He wishes he had never been born. And then... his wish comes true. He's been erased. Though Maxwell can walk through the world, nobody recognizes him. Even his own parents don't know him! Every impact he's ever had on his town is gone. But the world might not actually be a better place without Maxwell in it. Can he find a way back in, or is it too late? With echoes of It's a Wonderful Life, this is a humorous and poignant book about the positive impact each of us has on our community and on the people who love us.

We Are All Completely Beside Ourselves-Karen Joy Fowler 2013-05-30 Shortlisted for the 2014 Man Booker Prize Winner of the 2014 PEN/Faulkner Award One of the New York Times Book Review's 100 Notable Books of 2013 Named by The Christian Science Monitor as one of the top 15 works of fiction The New York Times bestselling author of The Jane Austen Book Club introduces a middle-class American family, ordinary in every way but one... Meet the Cooke family: Mother and Dad, brother Lowell, sister Fern, and Rosemary, who begins her story in the middle. She has her reasons. "I was raised with a chimpanzee," she explains. "I tell you Fern was a chimp and already you aren't thinking of her as my sister. But until Fern's expulsion...she was my twin, my funhouse mirror, my whirlwind other half and I loved her as a sister." As a child, Rosemary never stopped talking. Then, something happened, and Rosemary wrapped herself in silence. In We Are All Completely Beside Ourselves, Karen Joy Fowler weaves her most accomplished work to date—a tale of loving but fallible people whose well-intentioned actions lead to heartbreaking consequences. "A gripping, big-hearted book...through the tender voice of her protagonist, Fowler has a lot to say about family, memory, language, science, and indeed the question of what constitutes a human being."—Khaled Hosseini

A Stone Sat Still- 2019-08-27 In this moving companion to the Caldecott Honor-winning They All Saw a Cat, Brendan Wenzel tells the story of a seemingly ordinary stone. But it isn't just a stone—to the animals that use it, it's a resting place, a kitchen, a safe haven...even an entire world. With stunning illustrations in cut paper, pencil, collage, and paint, and soothing rhythms that invite reading aloud, A Stone Sat Still is a gorgeous exploration of perspective, perception, sensory experience, color, size, function, and time, with an underlying environmental message that is timely and poignant. Once again Wenzel shows himself to be a master of the picture book form.
