Proven Guilty-Jim Butcher 2007-02-06 Wizard for hire Harry Dresden has to track down the things that go bump in the night in this novel in Jim Butcher's #1 New York Times bestselling series. There's no love lost between Harry Dresden, the only wizard in the Chicago phone book, and the White Council of Wizards, who find him brash and undisciplined. But war with the vampires has thinned

their ranks, so the Council has drafted Harry as a Warden and assigned him to look into rumors of black magic in the Windy City. As Harry adjusts to his new role, another problem arrives in the form of the tattooed and pierced daughter of an old friend—all grown up and already in trouble. Her boyfriend is the only suspect in what looks like a supernatural assault straight out of a horror film. Grave Peril-Jim Butcher 2008-11-04 Wizard for hire Harry Dresden gets mixed-up with the dead in this "haunting, fantastical novel"(Publishers Weekly) in the #1 New York Times bestselling series. Harry Dresden's faced some pretty terrifying foes during his career. Giant scorpions. Oversexed vampires. Psychotic werewolves. It comes with the territory, when you're the only professional wizard in the Chicago area phone book. But in all Harry's years of supernatural sleuthing, he's never faced anything like this: the spirit world's gone postal. All over Chicago, ghosts are causing trouble—and not just of the door-slamming, boo-shouting variety. These ghosts are tormented, violent, and deadly. Someone—or something—is purposely stirring them up to wreak unearthly havoc. But why? And why do so many of the victims have ties to Harry? If Harry doesn't figure it out soon, he could wind up a ghost himself... Jim Butcher's the Dresden Files-Jim Butcher 2016 "A bizarre double murder draws the interest of Chicago's only wizard-for-hire. But as Harry Dresden begins his investigation, the clues lead to troubling conclusions about the possible perpetrator, and set him on a path that will place him in the middle of a conflict between the city's three most powerful factions"--

Summer Knight-Jim Butcher 2002-09-03 In the fourth novel in the #1 New York Times bestselling series featuring everyone's favorite

wizard for hire, Harry Dresden is suckered into the tangled—and dangerous—affairs of Faerie... Ever since his girlfriend left town to deal with her newly acquired taste for blood, Harry Dresden has been down and out in Chicago. He can't pay his rent. He's alienating his friends. He can't even recall the last time he took a shower. The only professional wizard in the phone book has become a desperate man. And just when it seems things can't get any worse, in saunters the Winter Queen of Faerie. She has an offer Harry can't refuse if he wants to free himself of the supernatural hold his faerie godmother has over him—and hopefully end his run of bad luck. All he has to do is find out who murdered the Summer Queen's right-hand man, the Summer Knight, and clear the Winter Queen's name. It seems simple enough, but Harry knows better than to get caught in the middle of faerie politics. Until he finds out that the fate of the entire world rests on his solving this case. No pressure or anything...

Working for Bigfoot-Jim Butcher 2015-06-30 Three novellas allow the reader to encounter Dresden at different points in his career as a wizard-for-hire.

Blood Rites-Jim Butcher 2004-08-03 In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

Dead Beat-Jim Butcher 2006-05-02 "The wildest, strangest, best

Dresden adventure to date...Butcher's blending of modern fantasy with classic noir sensibilities ensures that there's never a dull moment."—SF Site Paranormal investigations are Harry Dresden's business and Chicago is his beat, as he tries to bring law and order to a world of wizards and monsters that exists alongside everyday life. And though most inhabitants of the Windy City don't believe in magic, the Special Investigations Department of the Chicago PD knows better. Karrin Murphy is the head of S. I. and Harry's good friend. So when a killer vampire threatens to destroy Murphy's reputation unless Harry does her bidding, he has no choice. The vampire wants the Word of Kemmler (whatever that is) and all the power that comes with it. Now, Harry is in a race against time—and six merciless necromancers—to find the Word before Chicago experiences a Halloween night to wake the dead...

Death Masks-Jim Butcher 2003-08-05 The Dresden Files have taken the genre of paranormal mystery to a new level of action, excitement, and hard-hitting magical muscle. Now, in Death Masks, Jim Butcher's smart-guy private eye may have taken on more than he can handle... Harry Dresden, Chicago's only practicing professional wizard, should be happy that business is pretty good for a change. But he also knows that whenever things are going good, the only way left for them to go is bad. Way bad. Such as: • A duel with the lethal champion of the Red Court, who must kill Harry to end the war between vampires and wizards... • Professional hit men using Harry for target practice... • The missing Shroud of Turin—and the possible involvement of Chicago's most feared mob boss... • A handless and headless corpse the Chicago police need identified... Not to mention the return of Harry's ex-girlfriend Susan, who's still struggling with her semi-vampiric nature. And who seems to have a new man in her life. Some days, it just doesn't pay to get out of bed. No matter how much you're charging.

Welcome to the Jungle-Jim Butcher 2008 Harry Dresden, the only professional wizard listed in the Chicago phone book, takes on

supernatural villains out to turn the world upside down, in an original graphic novel adventure.

Jim Butcher's Dresden Files-Jim Butcher 2014-12-09 A war is raging between the vampire forces of the Red Court and the White Council - a war that the wizards are losing. So desperate are the Council that they've dragooned the experienced and the outcast to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard-for-hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night. This graphic novel collects the critically acclaimed, five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more! Creator Commentary from Jim Butcher: "The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short-story format, and in graphic novels like this one! War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels, and I'm extremely pleased with how well it's coming out."

Agents, hunts Harry while he races against the rise of the next full moon to discover who - or what - is behind the string of murders! Abernathy must now be a part of that collection! High Lord Ben Holiday set forth for Earth, taking his green but beautiful love, Willow, with him. Unfortunately, they were long in returning. Blood Rites-Barbara Ehrenreich 2020-01-07 A New York Times Notable BookAn ALA Notable Book "Original and illuminating." -- The Washington Post What draws our species to war? What makes us see violence as a kind of sacred duty, or a ritual that boys must undergo to "become" men? Newly reissued in paperback, Blood Rites takes readers on an original journey from the elaborate human sacrifices of the ancient world to the carnage and holocaust of twentieth-century "total war." Ehrenreich sifts deftly through the

fragile records of prehistory and discovers the wellspring of war in an unexpected place -- not in a "killer instinct" unique to the males of our species, but in the blood rites early humans performed to reenact their terrifying experiences of predation by stronger carnivores. Brilliant in conception and rich in scope, Blood Rites is a monumental work that continues to transform our understanding of the greatest single threat to human life.

How do you make your plot end up where you intend it to go? From the writing of strong, action-packed scenes to the handling of emotions, let award-winning fantasy author Deborah Chester guide you through the process of putting a book together. Convinced there's no need to shroud the writing process under a veil of mystery, Chester supplies tips that are both practical and proven. They are exactly what she uses in writing her own novels and what she teaches in her writing courses at the University of Oklahoma. Along with explaining story construction step-by-step, Chester illustrates each technique with examples drawn from both traditional and urban fantasy. The technique chapters include exercises to assist novices in mastering the craft of writing fantasy as well as suggestions for avoiding or solving plot problems.
