The Wall in My Head-Words Without Borders 2009 On the night of November 9, 1989, after months of unrest in Europe and East Germany, the checkpoints between East and West Berlin were suddenly opened, reuniting the two sides of the divided city and bringing together a divided Europe and led to the end of the Cold War. This collection of essays from Words Without Borders is an exciting anthology that features fiction, essays and original documents and trace the path of the revolutionary spirit from its origins to the present day.

Words Without Borders-Alane Salierno Mason 2008-12-10 Featuring the work of more than 28 writers from upwards of 20 countries, this collection transports us to the frontiers of twenty-first century literature. In these pages, some of the most accomplished writers in world literature—among them Edwidge Danticat, Ha Jin, Cynthia Ozick, Javier Marias, and Nobel laureates Wole Soyinka, Günter Grass, Czeslaw Milosz, Wislawa Szymborska, and Naguib Mahfouz—have stepped forward to introduce us to dazzling literary talents virtually unknown to readers of English. Most of their work—short stories, poems, essays, and excerpts from novels—appears here in English for the first time. The Chilean writer Ariel Dorfman introduces us to a story of extraordinary poise and spiritual intelligence by the Argentinian writer Juan Forn. The Romanian writer Norman Manea shares with us the sexy, sinister, and thrillingly avant garde fiction of his homeland's leading female novelist. The Indian writer Amit Chaudhuri spotlights the Bengali writer Parashuram, whose hilarious comedy of manners imagines what might have happened if Britain had been colonized by Bengal. And Roberto Calasso writes admiringly of his fellow Italian Giorgio Manganelli, whose piece celebrates the Indian city of Madurai. Every piece here—be it from the Americas, Africa, Europe, the Middle East, South Asia, East Asia, Southeast Asia, or the Caribbean—is a discovery, a colorful thread in a global weave of literary exchange. Edited by Samantha Schnee, Alane Salierno Mason, and Dedi Felman

Cockfight-Maria Fernanda Ampuero 2020-06-23 This Ecuadorian short story collection explores domestic horrors and everyday violence, a "grotesque, unflinching" portrait of twenty-first-century Latin America (Publishers Weekly). "Ampuero's literary voice is tough and beautiful at once: her stories are exquisite and dangerous objects." —Yuri Herrera, author of Signs Preceding the End of the World In lucid and compelling prose, María Fernanda Ampuero sheds light on the hidden aspects of home: the grotesque realities of family, coming of age, religion, and class struggle. A family's maids witness a horrible cycle of abuse, a girl is auctioned off by a gang of criminals, and two sisters find themselves at the mercy of their spiteful brother. With violence masquerading as love, characters spend their lives trapped reenacting their past traumas. Heralding a brutal and singular new voice, Cockfight explores the power of the home to both create and destroy those within it.

Three Strong Women-Marie NDiaye 2012-08-07 In this new novel, the first by a black woman ever to win the coveted Prix Goncourt, Marie NDiaye creates a luminous narrative triptych as harrowing as it is beautiful. This is the story of three women who say no: Norah, a French-born lawyer who finds herself in Senegal, summoned by her estranged, tyrannical father to save another victim of his paternity; Fanta, who leaves a modest but contented life as a teacher in Dakar to follow her white boyfriend back to France, where his delusional depression and sense of failure poison everything; and Khady, a penniless widow put out by her husband's family with nothing but the name of a distant cousin (the aforementioned Fanta) who lives in France, a place Khady can scarcely conceive of but toward which she must now take desperate flight. With lyrical intensity, Marie NDiaye masterfully evokes the relentless denial of dignity, to say nothing of happiness, in these lives caught between Africa and Europe. We see with stunning emotional exactitude how ordinary women discover unimagined reserves of strength, even as their humanity is chipped away. Three Strong Women admits us to an immigrant experience rarely if ever examined in fiction, but even more into the depths of the suffering heart.

The Dishwasher-Stéphane Larue 2019-08-06 A NEW YORK TIMES NEW & NOTEWORTHY BOOK A NOW MAGAZINE BEST BOOK TO READ FOR SUMMER 2019 It's October in Montreal, 2002, and winter is coming on fast. Past due on his first freelance gig and ensnared in lies to his family and friends, a graphic design student with a gambling addiction goes after the first job that promises a paycheck: dishwasher at the sophisticated La Trattoria. Though he feels out of place in the posh dining room, warned by the manager not to enter through the front and coolly assessed by the waitstaff in their tailored shirts, nothing could have prepared him for the tension and noise of the kitchen, or the dishpit's clamor and steam. Thrust on his first night into a roiling cast of characters all moving with the whirlwind speed of the evening rush, it's not long before he finds himself in over his head once again. A vivid, magnificent debut, with a soundtrack by Iron Maiden, The Dishwasher plunges us into a world in which everyone depends on each other—for better and for worse.

The Book of Disappearance-Ibtisam Azem 2019-07-30 What if all the Palestinians in Israel simply disappeared one day? What would happen next? How would Israelis react? These unsettling questions are posed in Azem's powerfully imaginative novel. Set in contemporary Tel Aviv forty eight hours after Israelis discover all their Palestinian neighbors have vanished, the story unfolds through alternating narrators, Alaa, a young Palestinian man who converses with his dead grandmother in the journal he left behind when he disappeared, and his Jewish neighbor, Ariel, a journalist struggling to understand the traumatic event. Through these perspectives, the novel stages a confrontation between two memories. Ariel is a liberal Zionist who is critical of the military occupation of the West Bank and Gaza, but nevertheless believes in Israel's project and its national myth. Alaa is haunted by his grandmother's memories of being displaced from Jaffa and becoming a refugee in her homeland. Ariel's search for clues to the secret of the collective disappearance and his reaction to it intimately reveal the fissures at the heart of the Palestinian question. The Book of Disappearance grapples with both the memory of loss and the loss of memory for the Palestinians. Presenting a narrative that is often marginalized, Antoon's translation of the critically acclaimed Arabic novel invites English readers into the complex lives of Palestinians living in Israel.

Why Translation Matters-Edith Grossman 2010-01-01 "Why Translation Matters argues for the cultural importance of translation and for a more encompassing and nuanced appreciation of the translator's role. As the acclaimed translator Edith Grossman writes in her introduction, "My intention is to stimulate a new consideration of an area of literature that is too often ignored, misunderstood, or misrepresented." For Grossman, translation has a transcendent importance: "Translation not only plays its important traditional role as the means that allows us access to literature originally written in one of the countless languages we cannot read, but it also represents a concrete literary presence with the crucial capacity to ease and make more meaningful our relationships to those with whom we may not have had a connection before. Translation always helps us to know, to see from a different angle, to attribute new value to what once may have been unfamiliar. As nations and as individuals, we have a critical need for that kind of understanding and insight. The alternative is unthinkable." --Jacket.

Jasmine Days-Benyamin (Shanaz Habib) 2018-06

A Thousand Peaceful Cities-Jerzy Pilch 2010 In the last days of the post-Stalinist thaw in 1963 Poland, Jerzyk becomes involved with an assassination plot arranged by his father, uncle, and their friend Mr. Traba in an attempt to take back their lives.

Democracy Without Borders?-Marc F. Plattner 2008 The Futurist movement was founded and promoted by Filippo Tommaso Marinetti, beginning in 1909 with the First Futurist Manifesto, in which he inveighed against the complacency of "cultural necrophiliacs" and sought to annihilate the values of the past, writing that "there is no longer any beauty except the struggle. Any work of art that lacks a sense of aggression can never be a masterpiece." In the years that followed, up until his death in 1944, Marinetti, through both his polemical writings and his political activities, sought to transform society in all its aspects. As Gnter Berghaus writes in his introduction, "Futurism sought to bridge the gap between art and life and to bring aesthetic innovation into the real world. Life was to be changed through art, and art was to become a form of life." This volume includes more than seventy of Marinetti's most important writings--many of them

translated into English for the first time--offering the reader a representative and still startling selection of texts concerned with Futurist art, literature, politics, and philosophy.

Me Against the World-Kazufumi Shiraishi 2016-08-26 A jaded journalist inherits an abandoned manuscript penned by an old acquaintance who has recently passed away. The writing--a collection of ruminations on the nature of existence by a fifty-three-year old businessman who, as far as the journalist remembers, was a kind and gentle soul--is nothing short of shocking. In it, this apparent everyman--whom we know only as Mr. K--writes that he has a son, daughter, and wife, but has no love for them. He claims that humans are like cancer cells, destroying Mother Earth with their unrestrained propagation. He looks at our mortal destiny with an unflinching honesty and turns to psychic mediums for clues to the afterlife, wondering what immortality--if it were possible--would mean for our spiritual well-being. Me Against the World takes the reader down the rabbit hole of the raging mind of this man, who only rejects the world in order to save it from itself.

Capital Without Borders-Brooke Harrington 2016-09-12 How do the one percent keep getting richer despite financial crises and the myriad of taxes on income, capital gains, and inheritance? Brooke Harrington interviewed professionals who specialize in protecting the fortunes of the world's richest people: wealth managers. To gain access to their tactics and mentality, she trained to become one of them.

Third World Women and the Politics of Feminism-Chandra Talpade Mohanty 1991 "The essays are provocative and enhance knowledge of Third World women's issues. Highly recommended . . ." --Choice " . . . the book challenges assumptions and pushes historic and geographical boundaries that must be altered if women of all colors are to win the struggles thrust upon us by the 'new world order' of the 1990s." --New Directions for Women "This surely is a book for anyone trying to comprehend the ways sexism fuels racism in a post-colonial, post-Cold War world that remains dangerous for most women." --Cynthia H. Enloe " . . . provocative analyses of the simultaneous oppressions of race, class, gender and sexuality . . . a powerful collection." --Gloria Anzaldúa " . . . propels third world feminist perspectives from the periphery to the cutting edge of feminist theory in the 1990s." --Aihwa Ong " . . . a carefully presented wealth of much-needed information." --Audre Lorde " . . . it is a significant book." --The Bloomsbury Review " . . . excellent . . . The nondoctrinaire approach to the Third World and to feminism in general is refreshing and compelling." --World Literature Today " . . . an excellent collection of essays examining 'Third World' feminism." --The Year's Work in Critical and Cultural Theory These essays document the debates, conflicts, and contradictions among those engaged in developing third world feminist theory and politics. Contributors: Evelyne Accad, M. Jacqui Alexander, Carmen Barroso, Cristina Bruschini, Rey Chow, Juanita Diaz-Cotto, Angela Gilliam, Faye V. Harrison, Cheryl Johnson-Odim, Chandra Talpade Mohanty, Ann Russo, Barbara Smith, Nayereh Tohidi, Lourdes Torres, Cheryl L. West, & Nellie Wong.

A Thousand Rooms of Dream and Fear-Atiq Rahimi 2011 Iarhad lives in Kabul in 1979, and the early days of the pro-Soviet coup are about to change his life forever.

Beyond the Rice Fields-Naivo 2017-10-31 The first novel from Madagascar ever to be translated into English, Naivo's magisterial Beyond the Rice Fields delves into the upheavals of the nation's precolonial past through the twin narratives of a slave and his master's daughter. Fara and her father's slave, Tsito, have shared a tender intimacy since her father bought the young boy who'd been ripped away from his family after their forest village was destroyed. Now in Sahaso, amongst the cattle and rice fields, everything is new for Tsito, and Fara at last has a companion to play with. But as Tsito looks forward toward the bright promise of freedom and Fara, backward to a twisted, long-denied family history, a rift opens that a rapidly shifting political and social terrain can only widen. As love and innocence fall away, their world becomes defined by what tyranny and superstition both thrive upon: fear. With captivating lyricism and undeniable urgency, Naivo crafts an unsentimental interrogation of the brutal history of nineteenth-century Madagascar as a land newly exposed to the forces of Christianity and modernity, and preparing for a violent reaction against them. Beyond the Rice Fields is a tour de force about the global history of human bondage and the competing narratives that keep us from recognizing ourselves and each other, our pasts and our destinies.

Tender Is the Flesh-Agustina Bazterrica 2020-08-04 Working at the local processing plant, Marcos is in the business of slaughtering humans--though no one calls them that anymore. His wife has left him, his father is sinking into dementia, and Marcos tries not to think too hard about how he makes a living. After all, it happened so quickly. First, it was reported that an infectious virus has made all animal meat poisonous to humans. Then governments initiated the "Transition." Now, eating human meat--"special meat"--is legal. Marcos tries to stick to numbers, consignments, processing. Then one day he's given a gift: a live specimen of the finest quality. Though he's aware that any form of personal contact is forbidden on pain of death, little by little he starts to treat her like a human being. And soon, he becomes tortured by what has been lost--and what might still be saved.

The Vegetarian-Han Kang 2016-02-02 Winner of the 2016 Man Booker International Prize NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Publisher's Weekly • BuzzFeed • Entertainment Weekly • Time • Wall Street Journal • Bustle • Elle • The Economist • Slate • The Huffington Post • The St. Louis Dispatch • Electric Literature Featured in the New York Times selection of "15 remarkable books by women that are shaping the way we read and write fiction in the 21st century" A beautiful, unsettling novel about rebellion and taboo, violence and eroticism, and the twisting metamorphosis of a soul Before the nightmares began, Yeong-hye and her husband lived an ordinary, controlled life. But the dreams--invasive images of blood and brutality--torture her, driving Yeong-hye to purge her mind and renounce eating meat altogether. It's a small act of independence, but it interrupts her marriage and sets into motion an increasingly grotesque chain of events at home. As her husband, her brother-in-law and sister each fight to reassert their control, Yeong-hye obsessively defends the choice that's become sacred to her. Soon their attempts turn desperate, subjecting first her mind, and then her body, to ever more intrusive and perverse violations, sending Yeong-hye spiraling into a dangerous, bizarre estrangement, not only from those closest to her, but also from herself. Celebrated by critics around the world, The Vegetarian is a darkly allegorical, Kafka-esque tale of power, obsession, and one woman's struggle to break free from the violence both without and within her.

Journal of an Ordinary Grief-Mahmoud Darwish 2012-02-29 A collection of autobiographical essays by one of the greatest poets to come from Palestine. "Every beautiful poem is an act of resistance," asserts Darwish. Both voice of the Palestinian people and one of the most transcendent poets of his generation, Mahmoud Darwish also wrote several remarkable volumes of autobiographical essays over the course of his life. First published in Beirut in 1973, these probing essays ask vital questions about the existentially complex realities the Palestinians in Israel face and the ambiguity of Darwish's own identity as an Israeli Palestinian. They call upon myth, memory, and language to delve into the poet's experience of house arrest, his encounters with Israeli interrogators, and the periods he spent in prison. Meditative, lyrical, rhythmic, Darwish gives absence a vital presence in these linked essays. Journal is a moving and intimate account of the loss of homeland and, for many, of life inside the porous walls of occupation--no ordinary grief.

No Presents Please-Jayant Kaikini 2020-07-28 For readers of Jhumpa Lahiri and Rohinton Mistry, as well as Lorrie Moore and George Saunders, here are stories on the pathos and comedy of small-town migrants struggling to build a life in the big city, with the dream world of Bollywood never far away. Jayant Kaikini's gaze takes in the people in the corners of Mumbai--a bus driver who, denied vacation time, steals the bus to travel home; a slum dweller who catches cats and sells them for pharmaceutical testing; a father at his wit's end who takes his mischievous son to a reform institution. In this metropolis, those who seek find epiphanies in dark movie theaters, the jostle of local trains, and even in roadside keychains and lost thermos flasks. Here, in the shade of an unfinished overpass, a factory-worker and her boyfriend browse wedding invitations bearing wealthy couples' affectations--"no presents please"--and look once more at what they own. Translated from the Kannada by Tejaswini Niranjana, these resonant stories, recently awarded the DSC Prize for South Asian Literature, take us to photo framers, flower markets, and Irani cafes, revealing a city trading in fantasies while its strivers, eating once a day and sleeping ten to a room, hold secret ambitions close.

Infinite Jest-David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.

La Grande-Juan Jose Saer 2014-06-24 Moving between past and present, La Grande centers around two related stories: that of Gutierrez, his sudden departure from Argentina 30 years before, and his equally mysterious return; and that of 'precisionism,' a literary movement founded by a rather dangerous fraud. Dozens of characters populate these storylines, including Nula, the wine salesman, ladies' man, and part-time philosopher; Luca, the woman he's lusted after for years; and Tomatis, a journalist whom Saer fans have encountered many times before.

Mr. K Released-Matei Visniec 2019-07-15 Mirroring Romania's drastic transition from totalitarianism to Western-style freedom in the late 1980s, Mr. K Released captures the disturbingly surreal feeling that many newly liberated prisoners face when they leave captivity. Employing his trademark playful absurdity, Matei Visniec introduces us to Mr. K, a Kafkaesque figure who has been imprisoned for years for an undisclosed crime in a penitentiary with mysterious tunnels. One day, Mr. K finds himself unexpectedly released. Unable to comprehend his sudden liberation, he becomes traumatized by the realities

of freedom—more so than the familiar trauma of captivity or imprisonment. In the hope of obtaining some clarification, Mr. K keeps waiting for an appointment with the prison governor, however, their meeting is constantly being delayed. During this endless process of waiting, Mr. K gets caught up in a clinical exploration of his physical surroundings. He does not have the courage or indeed inclination to leave, but can move unrestricted within the prison compound, charting endless series of absurd circles in which readers might paradoxically recognize themselves.

The Walk—Robert Walser 2013-05-02 Ranging from one-page fantasies to novella-length studies of everyday existence, *The Walk* reveals the irresistible genius of one of the twentieth century's greatest writers. Under-appreciated even in his own lifetime, Robert Walser has nonetheless been recognised by such writers as W.G. Sebald, Susan Sontag, Franz Kafka, Herman Hesse and J.M. Coetzee. Like Kafka and Sebald, Walser wrote about the solitude and unease of human existence. Honest, wry and idiosyncratic, his stories are snapshots of the lives great artists, poor young men, beautiful women and talking animals alike. Ranging from the realist to the allegorical, the short fiction collected in this volume demonstrates Walser's uncanny ability to capture both life's strangeness and its small joys.

Minor Detail—Adania Shibli 2020-05-26 A searing, beautiful novel meditating on war, violence, memory, and the sufferings of the Palestinian people *Minor Detail* begins during the summer of 1949, one year after the war that the Palestinians mourn as the Nakba—the catastrophe that led to the displacement and exile of some 700,000 people—and the Israelis celebrate as the War of Independence. Israeli soldiers murder an encampment of Bedouin in the Negev desert, and among their victims they capture a Palestinian teenager and they rape her, kill her, and bury her in the sand. Many years later, in the near-present day, a young woman in Ramallah tries to uncover some of the details surrounding this particular rape and murder, and becomes fascinated to the point of obsession, not only because of the nature of the crime, but because it was committed exactly twenty-five years to the day before she was born. Adania Shibli masterfully overlays these two translucent narratives of exactly the same length to evoke a present forever haunted by the past.

We Have Never Been Modern—Bruno Latour 2012-11-01 With the rise of science, we moderns believe, the world changed irrevocably, separating us forever from our primitive, premodern ancestors. But if we were to let go of this fond conviction, Bruno Latour asks, what would the world look like? His book, an anthropology of science, shows us how much of modernity is actually a matter of faith. What does it mean to be modern? What difference does the scientific method make? The difference, Latour explains, is in our careful distinctions between nature and society, between human and thing, distinctions that our benighted ancestors, in their world of alchemy, astrology, and phrenology, never made. But alongside this purifying practice that defines modernity, there exists another seemingly contrary one: the construction of systems that mix politics, science, technology, and nature. The ozone debate is such a hybrid, in Latour's analysis, as are global warming, deforestation, even the idea of black holes. As these hybrids proliferate, the prospect of keeping nature and culture in their separate mental chambers becomes overwhelming—and rather than try, Latour suggests, we should rethink our distinctions, rethink the definition and constitution of modernity itself. His book offers a new explanation of science that finally recognizes the connections between nature and culture—and so, between our culture and others, past and present. Nothing short of a reworking of our mental landscape. *We Have Never Been Modern* blurs the boundaries among science, the humanities, and the social sciences to enhance understanding on all sides. A summation of the work of one of the most influential and provocative interpreters of science, it aims at saving what is good and valuable in modernity and replacing the rest with a broader, fairer, and finer sense of possibility.

Savage Theories—Pola Oloixarac 2017-01-10 "A stunning vibrant maximalist whirlwind of a novel. Oloixarac's wit and ambition are evident on every page. By comparison, most other contemporary fiction seems a little dull and simple-minded." —Hari Kunzru, author of *White Tears* and *Gods Without Men* A debut novel of seduction and madness, hate and love, set in the world of Argentine academia and animated by the spirits of Wittgenstein, Rousseau, Nabokov and Bolaño Rosa Ostreech, a pseudonym for the novel's beautiful but self-conscious narrator, carries around a trilingual edition of Aristotle's *Metaphysics*, struggles with her thesis on violence and culture, sleeps with a bourgeois former guerrilla, and pursues her elderly professor with a highly charged blend of eroticism and desperation. Elsewhere on campus, Pabst and Kamtchowsky tour the underground scene of Buenos Aires, dabbling in ketamine, group sex, video games, and hacking. And in Africa in 1917, a Dutch anthropologist named Johan van Vliet begins work on a theory that explains human consciousness and civilization by reference to our early primate ancestors—animals, who, in the process of becoming human, spent thousands of years as prey. *Savage Theories* wryly explores fear and violence, war and sex, eroticism and philosophy. Its complex and flawed characters grapple with a mess of impossible, visionary theories, searching for their place in our fragmented digital world.

The Guilty—Juan Villoro 2015-04 "The literature of Juan Villoro...is opening up the path of the new Spanish novel of the millennium." Roberto Bolaño

Kingdom Without Borders—Miriam Adeney 2015-08-10 The twenty-first century has opened with a rapidly changing map of Christianity. While its influence is waning in some of its traditional Western strongholds, it is growing at a phenomenal pace in the global South. And yet this story has largely eluded the corporate news brokers of the West. Layered as it is with countless personal and corporate stories of remarkable faith and witness, it nevertheless lies ghostlike behind the newsprint and webpages of our print media, outside the camera's vision on the network evening news. Miriam Adeney has lived, traveled and ministered widely. She has walked with Christians in and from the far reaches of the globe. As she pulls back the veil on real Christians—their faith, their hardships, their triumphs and, yes, their failures—an inspiring and challenging story of a kingdom that knows no borders takes shape. This is a book that coaxes us out of our comfortable lives. It beckons us to expand our vision and experience of the possibilities and promise of a faith that continues to shape lives, communities and nations.

The Book of Anna—Carmen Boullosa 2020-04-14 Russia, 1905. Behind the gates of the Karenin Palace, Sergei, son of Anna Karenina, meets Tolstoy in his dreams and finds reminders of his mother everywhere: the almost-living portrait that the Tsar intends to acquire and the opium-infused manuscripts she wrote just before her death, one of which opens a trapdoor to a wild feminist fairytale. Across the city, Clementine, an anarchist seamstress, and Father Gapón, the charismatic leader of the proletariat, tip the country ever closer to revolution. Boullosa lifts the voices of coachmen, sailors, maids, and seamstresses in this playful, polyphonic, and subversive revision of the Russian revolution, told through the lens of Tolstoy's most beloved work.

The Accusation—Bandi 2017-03-07 A PEN Translates Award-winning collection of short stories about life in North Korea under Kim Jong-Il, written in secret by a dissident author. *The Accusation* is a revelatory work of fiction that exposes the truth of the North Korean regime. Set during the period of Kim Jong-Il's leadership, the seven stories that make up *The Accusation* throw light on different aspects of life in this most bizarre and horrifying of dictatorships. One story, "Life of a Swift Seed," tells of a war hero and former ardent Communist who plants an elm tree in his back garden to commemorate one of his brothers-in-arms. When the tree is to be cut down to make way for a power line, the man is ready to defend it with his life, leaving a family friend to decide whether to intercede. In another story, "City of Specters," a Pyongyang mother's young son misbehaves during a party rally, crying out when he sees a portrait of Karl Marx, whom he thinks is a monster of Korean myth known as the Eobi. In one other story, a mother attempts to feed her husband during the worst years of North Korea's famine, and in another, a woman in a perilous situation meets the Dear Leader himself. As a whole, *The Accusation* is a vivid and frightening portrait of what it means to live in a completely closed-off society, and a heartbreaking yet hopeful portrayal of the humanity that persists even in such dire circumstances. "Searing fiction by an anonymous dissident . . . A fierce indictment of life in the totalitarian North."—*New York Times*

Using Life—Ahmed Naji 2017-11-14 Upon its initial release in Arabic in the fall of 2014, *Using Life* received acclaim in Egypt and the wider Arab world. But in 2016, Ahmed Naji was sentenced to two years in prison after a reader complained that an excerpt published in a literary journal harmed public morality. His imprisonment marks the first time in modern Egypt that an author has been jailed for a work of literature. Writers and literary organizations around the world rallied to support Naji, and he was released in December 2016. His original conviction was overturned in May 2017 but, at the time of printing, he is awaiting retrial and banned from leaving Egypt. Set in modern-day Cairo, *Using Life* follows a young filmmaker, Bassam Bahgat, after a secret society hires him to create a series of documentary films about the urban planning and architecture of Cairo. The plot in which Bassam finds himself ensnared unfolds in the novel's unique mix of text and black-and-white illustrations. The Society of Urbanists, Bassam discovers, is responsible for centuries of world-wide conspiracies that have shaped political regimes, geographical boundaries, reigning ideologies, and religions. It is responsible for today's Cairo, and for everywhere else, too. Yet its methods are subtle and indirect: it operates primarily through manipulating urban architecture, rather than brute force. As Bassam immerses himself in the Society and its shadowy figures, he finds Cairo on the brink of a planned apocalypse, designed to wipe out the whole city and rebuild anew.

Story-Based Inquiry: A Manual for Investigative Journalists—Mark Lee Hunter 2011

What's Left of the Night—Ersi Sotiropoulos 2018-10-02 In June 1897, the young Constantine Cavafy arrives in Paris on the last stop of a long European tour, a trip that will deeply shape his future and push him toward his poetic inclination. With this lyrical novel, tinged with an hallucinatory eroticism that unfolds over three unforgettable days, celebrated Greek author Ersi Sotiropoulos depicts Cavafy in the midst of a journey of self-discovery across a continent on the brink of massive change. He is by turns exhilarated and tormented by his homosexuality; the Greek-Turkish War has ended in Greece's defeat and humiliation; France is torn by the Dreyfus Affair, and Cavafy's native Alexandria has surrendered to the indolent rhythms of the East. A stunning portrait of a budding author—before he became one of the 20th century's greatest poets—that illuminates the complex relationship of art, life, and the erotic desires that trigger creativity.
