You Don't Know Me-Ray Charles Robinson, JR. 2010-06-08 A deeply personal memoir of the private Ray Charles - the man behind the legend - by his eldest son. Ray Charles is an American music legend. A multiple Grammy Award-winning composer, pianist, and singer with an inimitable vocal style and a catalog of hits including "What I Say," "Georgia on My Mind," "Unchain My Heart," "I Can't Stop Loving You," and "America the Beautiful," Ray Charles's music is loved by fans around the world. Now his eldest son, Ray Charles Robinson Jr., shares an intimate glimpse of the man behind the music, with never-before-told stories. Going beyond the fame, the concerts, and the tours, Ray Jr. opens the doors of his family home and reveals their private lives with fondness and frankness. He shares his father's grief and guilt over his little brother's death at the age of five — as well of moments of personal joy, like watching his father run his hands over the Christmas presents under their tree while singing softly to himself. He tells of how Ray overcame the challenges of being blind, even driving cars, riding a Vespa, and flying his own plane. And, in gripping detail, he reveals how as a six-year-old boy he saved his father's life one harrowing night. Ray Jr. writes honestly about the painful facts of the addiction that nearly destroyed his father's life. His father's struggles with heroin addiction, his arrests, and how he ultimately kicked the drug cold turkey are presented in unflinching detail. Ray Jr. also shares openly about how, as an adult, he fell victim to the same temptations that plagued his father. He paints a compassionate portrait of his mother, Della, whose amazing voice as a gospel singer first attracted Ray Charles. Though her husband's drug use, his womanizing, and the paternity suits leveled against him constantly threatened the stability of the Robinson home, Della exhibited incredible resilience and inner strength. Told with deep love and fearless candor, You Don't Know Me is the powerful and poignant story of the Ray Charles the public never saw — the father and husband and fascinating human being who also happened to be one of the greatest musicians of all time. From the Hardcover edition.

THOUGHTS OF A MAN Reflections Of Love and Society-Raymond Spencer 2011-02-04 Raymond began his path in "Conflict Resolution" and "Advanced Problem Solving" while in prison as an inmate representative. He served as the liaison for the inmate population and the prison administration. While in prison, Mr. Spencer graduated from "Jim Brown's Amer-I-Can Program" and became a facilitator and advocate. Book knowledge and street credibility have made Raymond the voice of reason for the thug and the administrator. Great communication skills coupled with the ability to negotiate on multiple levels, makes Raymond a vital component in today's society. Raymond also partnered with several community groups, including "DaScene", Earl Best; "The Street Doctor", "The Street Warriors", Ras Baraka and others to address the many injustices that plague "The City of Newark", and its residents. Raymond is also affiliated with our local school system by way of partnerships with "Louise A. Spencer School" and The Giants Academy, "East Orange High School"(alma mater, 1985), and "The Isaiah House"; a shelter for teenage girls. Raymond Spencer's Love and passion for the family structure propels him forward in his personal journey to reconnect the family ties and save our children.

Poetry and Reflections-Dr. Aomar Benslimane 2012-07-09 Contemplations, often dark that spring up along walks of shattered memories conjured by the rhythms of New York and the world conversation in the shadows of globalization as it unfolded in the last few years paying tribute to those that shaped it. The book moves seamlessly across cultural and historical boundaries evoking the New York City cultural settings, the Algerian Amazigh identity, the global climate change conversation and finally the latest world events viewed through the author

Reflections from Behind the Glass-Jasper A. Lee 2020-10-23 We see the world through various glasses—rose-colored glasses, glass ceilings, even the looking glass. While our greatest insights arise from seeing things through these glasses, it is not until we look beyond them that we understand who we are and who we can be. When we cannot see the glass, we risk being trapped in our own glass cell, or, worse, a house of mirrors of our own making.

Follow Me, I Don't Know Where I'm Going-Nicole Venzke Peterson 2019-07-08 On September 15, 2016, after playing soccer in the rain with his school-aged children, 45-year-old Tim Peterson left the park in his truck with his baby boy, followed by his middle children and wife behind. His last words to Nicki were "Follow me. I don't know where I'm going." Moments later at County Road 11 and Evergreen in Burnsville, Minnesota, their lives changed forever. Follow Me, I Don't Know Where I'm Going, blogger Nicole Venzke Peterson's first book, is at once a tender and humorous love story, a touching and enlightening glimpse into the grief of a too-young widow, and an inspirational and practical diary of a faith journey. For those who have loved, lost, or simply lived life, this emotional and spiritual book is sure to bring hope to readers.

You Don't Know Me-David Klass 2010-09-14 Fourteen-year-old John creates alternative realities in his mind as he tries to deal with his mother's abusive boyfriend, his crush on a beautiful, but shallow classmate, and other problems at school.

You Don't Know About Me-Brian Meehl 2011-05-10 Sixteen-year-old Billy Allbright is about to bust out of his sheltered cocoon and go on a gonzo road trip. He just doesn't know it yet. His ticket to freedom? A mysterious Bible containing two resurrection stories. The second is about a man Billy's never met, and who is supposedly dead: his father. But the road to a risen-from-the-grave dad, and the unusual inheritance he promises, is far from straight. Billy zigzags across the American West in a geocaching treasure hunt. When his journey includes a runaway baseball star, nudists who perform sun dances, a girl with neon green body parts, and con artists who blackmail him into their "anti-action movie," Billy soon realizes that the path to self-discovery is mega off-road. From the Hardcover edition.

You Don't Know Jack-Erin McCarthy 2013-10-09 Love. Sex. Destiny. And A Six-Foot-Four Psychic In A Bridesmaid's Dress? Honey, You Don't Know Jack. . . Jamie Peters no longer believes in true love. True idiots, true scumbags, true moochers--these she believes in wholeheartedly, and she's got the checkered dating history to prove it. So she's more than a little skeptical when her cross-dressing psychic tells her she's about to meet her soul mate--during an accident. Yeah, sounds about right. And then it happens. A knight in shining armor steps between her and a mugger on a subway platform. Just a regular, honest, upright Jack. The kind they don't make anymore. . . Jonathon Davidson doesn't believe in destiny--or lying to beautiful women as a rule. But now that Jamie thinks he's just an ordinary guy, how can he possibly tell her that he's really, (A) her roommate's brother, (B) a millionaire to boot, and (C) the jerk who's investigating her application to his grandfather's charitable trust because she may be involved in something illegal? Yeah, rhetorical question. He can't. Not until he knows what's going on. Besides, it would require being able to resist Jamie's luscious curves long enough to say, "Hi, my name is Big Liar. Let's get naked." Sometimes, destiny sucks. . .

All I Know Now-Carrie Hope Fletcher 2015-09-17 "This is a best friend in book form."—Andrew Kaufman, author of All My Friends Are Superheroes Today, Carrie Hope Fletcher is living her dream as an actress and YouTube star. But not long ago, she was trying to survive the many perils of the Teen Age . . . The Rumor Mill: The more a rumor is spread, the farther it gets from the truth. It's like a giant taffy pull. The Disgusting Business of Falling in Love: I've never known something to be so gleefully wonderful and soul-crushingly exhausting. The Twitter-Sphere: If the Internet is starting to crush your soul . . . close the laptop! Bears: Self-explanatory. Thankfully, she made it through! And although memories of her struggles, woes, and foibles stick around (as Soul Shrapnel, if you will), they look a little different today, thanks to The Amazing Goggles of Hindsight. So, in All I Know Now, Carrie shares, well, exactly that—heartfelt

advice and hopeful thoughts on growing up. She just did it herself. She has the stuffed animals to prove it!

Hum If You Don't Know the Words-Bianca Marais 2018-03-06 Perfect for readers of *The Secret Life of Bees* and *The Help*, a perceptive and searing look at Apartheid-era South Africa, told through one unique family brought together by tragedy. Life under Apartheid has created a secure future for Robin Conrad, a ten-year-old white girl living with her parents in 1970s Johannesburg. In the same nation but worlds apart, Beauty Mbali, a Xhosa woman in a rural village in the Bantu homeland of the Transkei, struggles to raise her children alone after her husband's death. Both lives have been built upon the division of race, and their meeting should never have occurred...until the Soweto Uprising, in which a protest by black students ignites racial conflict, alters the fault lines on which their society is built, and shatters their worlds when Robin's parents are left dead and Beauty's daughter goes missing. After Robin is sent to live with her loving but irresponsible aunt, Beauty is hired to care for Robin while continuing the search for her daughter. In Beauty, Robin finds the security and family that she craves, and the two forge an inextricable bond through their deep personal losses. But Robin knows that if Beauty finds her daughter, Robin could lose her new caretaker forever, so she makes a desperate decision with devastating consequences. Her quest to make amends and find redemption is a journey of self-discovery in which she learns the harsh truths of the society that once promised her protection. Told through Beauty and Robin's alternating perspectives, the interwoven narratives create a rich and complex tapestry of the emotions and tensions at the heart of Apartheid-era South Africa. *Hum If You Don't Know the Words* is a beautifully rendered look at loss, racism, and the creation of family.

You Don't Love Me Yet-Jonathan Lethem 2008-04-08 Bestselling author Jonathan Lethem delivers a hilarious novel about love, art, and what it's like to be young in Los Angeles. Lucinda Hoekke's daytime gig as a telephone operator at the Complaint Line—an art gallery's high-minded installation piece—is about as exciting as listening to dead air. Her real passion is playing bass in her forever struggling, forever unnamed band. But recently a frequent caller, the Complainer, as Lucinda dubs him, has captivated her with his philosophical musings. When Lucinda's band begins to incorporate the Complainer's catchy, existential phrases into their song lyrics, they are suddenly on the cusp of their big break. There is only one problem: the Complainer wants in. BONUS MATERIAL: This edition includes an excerpt from Jonathan Lethem's *Dissident Gardens*.

Shannon Genealogy-Richard Cutts Shannon 1905 Nathaniel Shannon was born in 1655 at Londonderry, Ulster Province, Ireland. He immigrated to America in 1687 and settled at Boston. He and his wife, Elizabeth, had three sons, 1689-1698. He died in 1723 at Boston. His son, Nathaniel (1689-ca. 1723), married Abigail Vaughan, daughter of Major William and Margaret Cutts Vaughan, at Portsmouth, New Hampshire, in 1714. They had two sons, 1715/6-1717. According to family tradition, he went to the West Indies in 1720, and remained there on business until his death, shortly before his father's death. Abigail Shannon died at Portsmouth in 1762. Descendants lived in New Hampshire, Maine, Massachusetts, New York, and elsewhere.

You Don't Even Know Me-Sharon Flake 2010-03-08 This collection of original stories and poems provides rare insight into the minds of adolescent African American boys. There's Tow-Kaye, getting married at age seventeen to the love of his life, who's pregnant. James writes in his diary about his twin brother's terrible secret, while Tyler explains what it's like to be a player with the ladies. And Eric takes us on a tour of North Philly on the Fourth of July, when the heat could make a guy go crazy. Sharon G. Flake's talent for telling it like it is will leave readers thinking differently, feeling deeply, and definitely wanting more.

Don't Count on It!-John C. Bogle 2010-10-26 Praise for *Don't Count On It!* "This collection of Jack Bogle's writings couldn't be more timely. The clarity of his thinking—and his insistence on the relevance of ethical standards—are totally relevant as we strive to rebuild a broken financial system. For too many years, his strong voice has been lost amid the cacophony of competing self-interests, misdirected complexity, and unbounded greed. Read, learn, and support Jack's mission to reform the industry that has been his life's work." —PAUL VOLCKER, Chairman of the President's Economic Recovery Advisory Board and former Chairman of the Federal Reserve (1979-1987) "Jack Bogle has given investors throughout the world more wisdom and plain financial 'horse sense' than any person in the history of markets. This compendium of his best writings, particularly his post-crisis guidance, is absolutely essential reading for investors and those who care about the future of our society." —ARTHUR LEVITT, former Chairman, U.S. Securities and Exchange Commission "Jack Bogle is one of the most lucid men in finance." —NASSIM N.TALEB, PhD, author of *The Black Swan* "Jack Bogle is one of the financial wise men whose experience spans the post-World War II years. This book, encompassing his insights on financial behavior, pitfalls, and remedies, with a special focus on mutual funds, is an essential read. We can only benefit from his observations." —HENRY KAUFMAN, President, Henry Kaufman & Company, Inc. "It was not an easy sell. The joke at first was that only finance professors invested in Vanguard's original index fund. But what a triumph it has been. And what a focused and passionate drive it took: it is a zero-sum game and only costs are certain. Thank you, Jack." —JEREMY GRANTHAM, Cofounder and Chairman, GMO "On finance, Jack Bogle thinks unconventionally. So, this sound rebel turns out to be right most of the time. Meanwhile, many of us sometimes engage in self-deception. So, this book will set us straight. And in the last few pages, Jack writes, and I agree, that Peter Bernstein was a giant. So is Jack Bogle." —JEAN-MARIE EVEILLARD, Senior Adviser, First Eagle Investment Management Insights into investing and leadership from the founder of The Vanguard Group Throughout his legendary career, John Bogle-founder of the Vanguard mutual fund group and creator of the first index mutual fund-has helped investors build wealth the right way, while, at the same time, leading a tireless campaign to restore common sense to the investment world. A collection of essays based on speeches delivered to professional groups and college students in recent years, in *Don't Count on It* is organized around eight themes Illusion versus reality in investing Indexing to market returns Failures of capitalism The flawed structure of the mutual fund industry The spirit of entrepreneurship What is enough in business, and in life Advice to America's future leaders The unforgettable characters who have shaped his career Widely acclaimed for his role as the conscience of the mutual fund industry and a relentless advocate for individual investors, in *Don't Count on It*, Bogle continues to inspire, while pushing the mutual fund industry to measure up to their promise.

Reflections-S. S. Bhatti 2013 This book is titled *Reflections* because it is a compilation of Reflective Essays written over several years in response to different situations, circumstances, and conditions of communication. A talk on Creativity, for example, prompted him to explore if 'the state or quality of being creative' is limited to only Art, which is often believed to be confined to drawing, painting, and sculpture, or it is inherently linked to everything which human beings habitually do. And he discovered that Creativity is intrinsic to all fields of human endeavour, be it the Humanities, or Science, or Technology, or any such thing. It is quite simply a Holistic Thinking-Feeling-Reflecting Adventure into the realm of the human spirit. He proclaims that Life lasts only because it is intrinsically Creative—and Creativity has to be lived, not merely talked about or researched, by drawing upon its one and only Source: LIFE! The contents of this wonderful collection should hopefully inspire the reader to make 'reflection' a life-long habit of the mind to put him in touch with his native talent for developing his power of thinking to full potential as the most beautiful expression of his own humanity.

Know My Name-Chanel Miller 2020-08-18 A NEW YORK TIMES BESTSELLER *Know My Name* is a gut-punch, and in the end, somehow, also blessedly hopeful. --Washington Post Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter. (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. *Know My Name* will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic.

What You Don't Know About Charlie Outlaw-Leah Stewart 2018-03-27 One of Entertainment Weekly's "5 Books to Read if You Loved *A Star is Born*" "More than a glitzy Hollywood tale... It's a surprisingly insightful, even poignant

meditation on stardom."--Entertainment Weekly ("Must List") The celebrated author of *The Myth of You and Me* explores an untraditional love story through the lens of a character actor who must finally become the hero of her own story. After a series of missteps in the face of his newfound fame, actor Charlie Outlaw flees to a remote island in search of anonymity and a chance to reevaluate his recent breakup with his girlfriend, actress Josie Lamar. But soon after his arrival on the peaceful island, his solitary hike into the jungle takes him into danger he never anticipated. As Charlie struggles with gaining fame, Josie struggles with its loss. The star of a cult TV show in her early twenties, Josie has spent the twenty years since searching for a role to equal that one, and feeling less and less like her character, the heroic Bronwyn Kyle. As she gets ready for a reunion of the cast at a huge fan convention, she thinks all she needs to do is find a part and replace Charlie. But she can't forget him, and to get him back she'll need to be a hero in real life.

Lost in the Victory-Susan Johnson Hadler 1998 In 1990, Ann Mix began a search to find out about her father, who had been killed in World War II. She eventually met others whose fathers had been killed and discovered that, like her, they had little information about their fathers. As a result, Ann founded the American WWII Orphans Network to locate war orphans and become a depository for sources of information about WWII servicemen who were fathers.

I Remember Nothing-Nora Ephron 2010-11-09 Nora Ephron returns with her first book since the astounding success of *I Feel Bad About My Neck*, taking a cool, hard, hilarious look at the past, the present, and the future, bemoaning the vicissitudes of modern life, and recalling with her signature clarity and wisdom everything she hasn't (yet) forgotten. Ephron writes about falling hard for a way of life ("Journalism: A Love Story") and about breaking up even harder with the men in her life ("The D Word"); lists "Twenty-five Things People Have a Shocking Capacity to Be Surprised by Over and Over Again" ("There is no explaining the stock market but people try"; "You can never know the truth of anyone's marriage, including your own"; "Cary Grant was Jewish"; "Men cheat"); reveals the alarming evolution, a decade after she wrote and directed *You've Got Mail*, of her relationship with her in-box ("The Six Stages of E-Mail"); and asks the age-old question, which came first, the chicken soup or the cold? All the while, she gives candid, edgy voice to everything women who have reached a certain age have been thinking . . . but rarely acknowledging. Filled with insights and observations that instantly ring true—and could have come only from Nora Ephron—I Remember Nothing is pure joy.

Jack McAfghan-Kate McGahan 2015-04-02 An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend. Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives. This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

The Answer Is . . .-Alex Trebek 2020-07-21 A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

I Love America, But America Don't Love Me-Eddie Byirt 2019-10-25 I love America, but America don't love me (*Memoirs and Reflections*) is a collection of experiences in a 64-year span. Having grown up in an era strife with racial overtones and undertones, Eddie Byirt has endured one episode after another. He has been able to live a decent life with empathy, love, and morals. It is his hope that America can adopt these values as well.

Beyond the Wind Chimes-Phyllis Adair Ward 2016-11-23 I can sit for hours over a cup of tea and talk to Phyllis about almost any topic. She is such a great storyteller, and there is always a lesson to be learned. Phyllis new book is so much like her personality, full of mirth, a history lesson, nurturing words, and a brief glimpse into a remarkable mind. The story of Fifty-Four made me smile and remember what I was thinking at that age and what I could expect to come to mind as I move into my next phase of life (Dr. Joye M. Carter, author of *My Strength Comes from Within: An Autobiography*; *I Speak for the Dead*; and *Let Me Give You a Peace of My Mind*). *Beyond the Wind Chimes* is a poignant collection of short stories written by the talented Phyllis Adair Ward, author of *Wind Chimes* and *Promises*. I found myself wiping a tear or two or simply scratching my head. The stories are whimsical, thought-provoking, and a very easy read. It is a must read accompanied by a cup of coffee or tea (Beatrice Toney Bailey, author of *Farewell, My Friend*). If you love Phyllis, you will love this book. If you don't know Phyllis, read it, and your heart will be touched. She has written poems, stories, essays, and commentaries infused with warmth and connection. Meet Miss Lorraine and Dr. Adams if you want a heart-warmer. Meet mothers and grandmothers, cousins, aunts, and uncles. You will find humor, kindness, and tragedy, along with gratitude for the miracles of living. Here is a fine model for aging gracefully with only a few complaints. Phyllis succeeds in her goal for this book, I want to write acceptable or unacceptable words. I want to empty out my heart and soul on paper. That's my gift to the world. The only one I really have. She gives abundantly. (Linda Caldwell Lee, author of *Mystics, Me and Moby: A Spiritual Road Trip* and *What Happiness Required*).

Ever Since Darwin: Reflections in Natural History-Stephen Jay Gould 1992-07-17 More than any other modern scientists, Stephen Jay Gould has opened up to millions the wonders of evolutionary biology. His genius as an essayist lies in his unmatched ability to use his knowledge of the world, including popular culture, to illuminate the realm of science. *Ever Since Darwin*, Stephen Jay Gould's first book, has sold more than a quarter of a million copies. Like all succeeding collections by this unique writer, it brings the art of the scientific essay to unparalleled heights.

Abraham Lincoln: Speeches and Writings Vol. 1 1832-1858 (LOA #45)-Abraham Lincoln 1989-10-01 Abraham Lincoln measured the promise—and cost—of American freedom in lucid and extraordinarily moving prose, famous for its native wit, simple dignity of expressions, and peculiarly American flavor. This volume, with its companion, *Abraham Lincoln: Speeches and Writing 1859-1865*, comprises the most comprehensive selection ever published. Over 240 speeches, letters, and drafts take Lincoln from rural law practice to national prominence, and chart his emergence as an eloquent antislavery advocate and defender of the constitution. Included are the complete Lincoln-Douglas debates, perhaps the most famous confrontation in American political history.

You're Not Listening-Kate Murphy 2020-01-07 When was the last time you listened to someone, or someone really listened to you? "If you're like most people, you don't listen as often or as well as you'd like. There's no one better qualified than a talented journalist to introduce you to the right mindset and skillset—and this book does it with science and humor." -Adam Grant, #1 New York Times bestselling author of *Originals* and *Give and Take* "An essential book for our times." -Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* At work, we're taught to lead the conversation. On social media, we shape our personal narratives. At parties, we talk over one another. So do our politicians. We're not listening. And no one is listening to us. Despite living in a world where technology allows constant digital communication and opportunities to connect, it seems no one is really listening or even knows how. And it's making us lonelier, more isolated, and less tolerant than ever before. A listener by trade, New York Times contributor Kate Murphy wanted to know how we got here. In this always illuminating and often humorous deep dive, Murphy explains why we're not listening, what it's doing to us, and how we can reverse the trend. She makes accessible the psychology, neuroscience, and sociology of listening while also introducing us to some of the best listeners out there (including a CIA agent, focus group moderator, bartender, radio producer, and top furniture salesman). Equal parts cultural observation, scientific exploration, and rousing call to action that's full of practical advice, *You're Not Listening* is to listening what Susan Cain's *Quiet* was to introversion. It's time to stop talking and start listening.
