Z-Vassilis Vassilikos 1968

Z, 50th Anniversary Edition-Vassilis Vassilikos 2017-02-28 A progressive parliamentary deputy is scheduled to appear at a political rally. Meanwhile, local political bosses plot his assassination. Thugs are recruited to disrupt the rally. Rumors begin to spread. But the forces already set in motion are irresistible. Z is the story of a crime, a time, a place, and people transformed by events. Z was published in Greece in 1966, and banned there one year later. It is based on an actual political assassination in 1963 in Salonika. The victim was Gregory Lambrakis, a socialist legislator and outspoken critic of the government. But Lambrakis's killers could not have anticipated the public response. His funeral became a political event; by the time the cortege reached Athens, 400,000 people were following the coffin in silence. In the nation's capital, the letter Z suddenly appeared on walls, sidewalks, posters--everywhere. Z stands for the Greek verb *zei*, "he lives." From the Trade Paperback edition.

The Few Things I Know About Glafkos Thrassakis-Vassilis Vassilikos 2011-01-04 A brilliant work of the imagination as well as a meditation on writing itself, the story follows a biographer's investigation into the life and works of a famous, yet highly mysterious, deceased Greek author named Glafkos Thrassakis. At the crossroads where magical realism and political fiction meet, Vassilis Vassilikos's buoyant literary imagination flourishes beyond the confines of conventional narrative structures.

The Harpoon Gun-Vasilēs Vasilikos 1973 A profound trilogy on the theme of Greeks in Exile.

A Bend in the River-V. S. Naipaul 2018-08-21 In the "brilliant novel" (The New York Times) V.S. Naipaul takes us deeply into the life of one man — an Indian who, uprooted by the bloody tides of Third World history, has come to live in an isolated town at the bend of a great river in a newly independent African nation. Naipaul gives us the most convincing and disturbing vision yet of what happens in a place caught between the dangerously alluring modern world and its own tenacious past and traditions.

The Parthenon Bomber-Christos Christopoulos 2017-06-20 A novel at once metaphorical and iconoclastic, The Parthenon Bomber exposes the painful and maddening paradox of contemporary Greece. "Blow up the Acropolis" was the 1944 call to action by the surrealist circle the Harbingers of Chaos. Sixty years later, a young man obliges. The Parthenon has been destroyed, the city orphaned. Is it still Athens? All eyes are on the empty hill, now smoky and ashen. Cries of distress, indifference, and fanaticism fill the air. What were his reasons? How will he be punished for this unspeakable act of violence? What does it mean for Greece, now deprived of its greatest symbol? This provocative tale reveals the unique dilemma of a country still searching for an identity beyond its past as the birthplace of Western civilization.

The Changing Light at Sandover-James Merrill 2019-11-27 James Merrill's audacious and dazzling epic poem, The Changing Light at Sandover, remains as startling today as when it first emerged in separate volumes over a period of several years. Individual parts won the Pulitzer Prize and the National Book Award, and the entire poem, when it was collected into one volume in 1982, won the National Book Critics Circle Award. It is now an American classic, here in a definitive new hardcover edition that includes Voices from Sandover, Merrill's recasting of the poem for the stage. The book carries us to the scene of Merrill's Ouija board sessions with his partner, David Jackson—the candlelit Stonington dining room with its flame-colored walls and the famous Willowware cup they used as a pointer in their occult travels. In a shimmering interplay of verse forms, Merrill set down their extended conversations with their familiar and guide, Ephraim (a first-century Greek Jew), W. H. Auden, W. B. Yeats, Plato, a brilliant peacock named Mirabell, and other old friends who had passed to the other side. JM (whom the spirits call "scribe") and DJ ("hand") are also introduced to the lonely eminence God B ("God Biology"), his sister Mother Nature, and a host of angels and lesser residents of the empyrean who are variously involved in the ways of this world. The laughter, the missteps, and the schoolroom frustrations of the earthly pair's gradual enlightenment make this otherworldly journey, finally, and utterly human one. A unique exploration of the writer's role in a postatomic, postreligious age, Sandover has been compared to the work of Yeats, Proust, Milton, and Blake. Merrill's tale of the joys and tragedies of man's powers, and his message about the importance of our endangered efforts to make a good life on earth, will stand as one of the most profound experiences available to readers of poetry.

Zigzag Through the Bitter-orange Trees-Ersē Sôtēropoulou 2007 Zigzag through the Bitter-Orange Trees weaves together the stories of four disparate young people in modern Greece: Lia, dying in the hospital from a mysterious virus; her brother Sid, the disaffected wanderer, her only remaining connection to the outside world; Lia's nurse Sotiris, an unstable blend of cowardice and desire; and the twelve-year-old rebel Nina, who dreams to break away from the humdrum life around her. Their four voices mingle in a black comedy of isolation and yearning, illusion and vengeance and the hunger for connection. With disarming power, Sotiropoulos portrays the conflicted world of the young - passionate and cynical, beautiful and grotesque.

The Man with the Golden Arm-Nelson Algren 2011-01-04 A novel of rare genius, The Man with the Golden Arm describes the dissolution of a card-dealing WWII veteran named Frankie Machine, caught in the act of slowly cutting his own heart into wafer-thin slices. For Frankie, a murder committed may be the least of his problems. The literary critic Malcolm Cowley called The Man with the Golden Arm "Algren's defense of the individual," while Carl Sandburg wrote of its "strange midnight dignity." A literary tour de force, here is a novel unlike any other, one in which drug addiction, poverty, and human failure somehow suggest a defense of human dignity and a reason for hope.

Iconostasis of Anonymous Saints-Giannēs Ritsos 1999 "This work of Ritsos, is it a novel with an emphatic question-mark added by the poet himself? Is it a 'roman fleuve' in the sense of Proust's 'Remembrance of Things Past'? Is it a wild prose-poetic fling in a 'sarcastic climate'? Or is it an autobiography of Greece's most human poet, whom Aragon hailed as the 'greatest poet of his time?' And what about the strange title? How are the established Orthodox saints, traditionally decorating the panels near the altar, how are they replaced by 'anonymous' human beings? -- everyday people from Ritsos' neighbourhood; members of his large family and simply inhabitants of Monemvasin; unassuming fellow-prisoners on exile islands and a closely-knit band of friends. All these 'anonymities' are skillfully counterpointed with the hero -- Ion -- and Ion's alter ego -- Ariostos -- and woven into a fascinating tapestry of reminiscences and reflections, vivid memories from childhood and adolescence, speculations on Greece's recent history, confessions bordering on psycho-analytical introspection, and, occasionally, surrealistic dreams. Ritsos' 'Iconostatis' is embellished with an almost Joycean richness of word, including outrageous puns, unprecedented,

though ineffably 'poetic', erotica and miraculous flights of language. In the other two volumes, still to appear in English, Ritsos adds the finishing touches to his vast mosaic, bringing his visionary cycle full circle"--Publisher's description, vol. 1, back cover.

Cinematic Overtures-Annette Insdorf 2017-11-07 A great movie's first few minutes provide the key to the rest of the film. Like the opening paragraphs of a novel, they draw the viewer in, setting up the thematic concerns and stylistic approach that will be developed over the course of the narrative. A strong opening sequence leads the viewer to trust the filmmakers. Other times, opening shots are intentionally misleading as they invite alert, active participation with the film. In *Cinematic Overtures*, Annette Insdorf discusses the opening sequence so that viewers turn first impressions into deeper understanding of cinematic technique. From Joe Gillis's voice-over in *Sunset Boulevard* as he lies dead in a swimming pool to the hallucinatory opening of *Apocalypse Now*, from the stream-of-consciousness montage as found in *Hiroshima, mon amour* to the slowly unfolding beginning of *Schindler's List*, *Cinematic Overtures* analyzes opening shots from a range of Hollywood as well as international films. Insdorf pays close attention to how the viewer makes sense of these scenes and the cinematic world they are about to enter. Including dozens of frame enlargements that illustrate the strategies of opening scenes, Insdorf also examines how films explore and sometimes critique the power of the camera's gaze. Along with analyses of opening scenes, the book offers a series of revelatory and surprising readings of individual films by some of the leading directors of the past seventy-five years. Erudite but accessible, *Cinematic Overtures* will lead film scholars and ardent movie fans alike to greater attentiveness to those fleeting opening moments.

Lost Property-Ben Sonnenberg 2020-06-16 A smart and hilarious memoir of privilege and excess told by the son of a powerful, seductive member of the New York elite. Ben Sonnenberg grew up in the great house on Gramercy Park in New York City that his father, the inventor of modern public relations and the owner of a fine collection of art, built to celebrate his rise from the poverty of the Jewish Lower East Side to a life of riches and power. His son could have what he wanted, except perhaps what he wanted most: to get away. *Lost Property*, a book of memoirs and confessions, is a tale of youthful riot and rebellion. Sonnenberg recounts his aesthetic, sexual, and political education, and a sometimes absurd flight into "anarchy and sabotage," in which he reports to both the CIA and East German intelligence during the Cold War and, cultivating a dandy's nonchalance, pursues a life of sexual adventure in 1960s London and New York. The cast of characters includes Orson Welles, Glenn Gould, and Sylvia Plath; among the subjects are marriage, children, infidelity, debt, divorce, literature, and multiple sclerosis. The end is surprisingly happy.

Cinema of Theo Angelopoulos-Angelos Koutsourakis 2015-10-08 Bringing together established and emerging scholars from multiple disciplines, the collection's unique contribution is to show how Angelopoulos created singularly intricate forms whose aesthetic contours invite us to think critically about modern history.

"A tale well told, set in a novel and engaging locale" (*Los Angeles Times*). Moments before she is to go on the air with a startling newsbreak, Yanna is suddenly murdered. Caught between a bumbling junior officer and higher-ups all too easily influenced by news executives determined to protect their own, Costas Haritos sets out to get to the bottom of the matter—and ends up neck deep in a dark form of smuggling that has emerged in Albania after the dictatorship. "The material is rich, the characters are drawn with depth, and Haritos himself is an intriguing find." —Paul Skenazy, *The Washington Post*

The Romance of Tristan and Iseult-J. Bédier 2005-02-18 This immortal tale concerns the doomed love between a knight and a princess. Diaries of Exile-Yannis Ritsos 2013-01-01 Yannis Ritsos is a poet whose writing life is entwined with the contemporary history of his homeland. Nowhere is this more apparent than in this volume, which presents a series of three diaries in poetry that Ritsos wrote between 1948 and 1950, during and just after the Greek Civil War, while a political prisoner first on the island of Limnos and then at the infamous camp on Makronisos. Even in this darkest of times, Ritsos dedicated his days to poetry, trusting in writing and in art as collective endeavors capable of resisting oppression and bringing people together across distance and time. These poems offer glimpses into the daily routines of life in exile, the quiet violence Ritsos and his fellow prisoners endured, the fluctuations in the prisoners' sense of solidarity, and their struggle to maintain humanity through language. This moving volume justifies Ritsos's reputation as one of the truly important poets in Greece's modern literary history.

The Walnut Trees of Altenburg-André Malraux 1992-03 "One of the key texts of Malraux's work . . . [its] pages must be counted among the most haunting in all of twentieth century literature."—Victor Brombert "The description of the gas attack on the Russian front in 1915 will never be forgotten by anyone who has read it. . . . [Malraux] writes with the precision, the certitude and the authority of an obsessed person who knows that he has found the essence of what he has been looking for."—Conor Cruise O'Brien, from the Foreword Malraux's greatest novel, *Man's Fate*, gave a grim, lurid picture of human suffering. [The Walnut Trees of Altenburg], written by a life-long observer of violent upheaval and within the shadows of World War II, gives a calm, thoughtful vision of humanistic endeavor that can transcend the absurdity of existence. Mature readers will find this a rewarding visit to one of the most accomplished writers of our time."—Choice

Marks of Identity-Juan Goytisolo 2007 An exile returns to Spain from France to find that he is repelled by the fascism of Franco's Spain and drawn to the world of Muslim culture. In *Marks of Identity*, Juan Goytisolo, one of Spain's most celebrated novelists, speaks for a generation of Spaniards who were small children during the Spanish Civil War, grew up under a stifling dictatorship, and, in many cases, emigrated in desperation from their dying country. Upon his return, the narrator confronts the most controversial political, religious, social, and sexual issues of our time with ferocious energy and elegant prose. Torn between the Islamic and European worlds around him, he finds both ultimately unsatisfactory. In the end, only displacement survives.

A Pacifist's Life and Death-Evi Gkotzaridis 2016-04-26 The shadow of a man standing on the back of a three-wheel pickup truck and smashing with a club the head of another man without the police even pretending to chase the killers was to haunt Greeks for many years. With hindsight, it seemed uncannily like a foretaste of what awaited Greece when the Junta stepped in on April 1967, and put a brutal end to all its democratic illusions. Using written and oral evidence, this book weaves a narrative of the life and death of Grigorios Lambrakis: athletic champion, doctor, politician and Greece's most committed defender of democracy and peace of the post-Civil War period. It surveys the destiny of a people at key historical junctures, probes their abiding political divisions, the obstacles in asserting peace in the shadow of Civil and Cold War, and traces the origins of the deep state and paramilitarism. It shows how, as the all-consuming fear of Communism intensified, these phenomena were able to entrench themselves, gain ever more autonomy, and eventually preside over the murder of a member of parliament. In addition, the book places under the microscope what Mikis Theodorakis once called 'the Middle Ages of Karamanlis',

namely a regime whose baleful contradictions became fertile ground for total anomie: a situation devastatingly laid bare to the world by this murder and the investigation that followed.

Merrill-James Merrill 2017 A beautiful hardcover selection of poems by one of the giants of contemporary American poetry. EVERYMAN'S LIBRARY POCKET POETS. James Merrill once called his body of work "chronicles of love and loss," and in twenty books written over four decades he used the details of his own life--comic and haunting, exotic and domestic--to shape a portrait that in turn mirrored the image of our world and our moment. Like Wallace Stevens and W. H. Auden before him, Merrill sought to quicken the pulse of a poem in surprising and compelling ways--ways, indeed, that changed how we came to see our own lives. Years ago, the critic Helen Vendler wrote of Merrill, "He has become one of our indispensable poets." This volume brings together an entirely new pocket-sized selection of the best of Merrill's work. His poetry dazzles at every turn, and this balanced and compact selection will be an ideal introduction to the work for both students and general readers, and an instant favorite among his familiars.

Costa-Gavras, the Political Fiction Film-John J. Michalczyk 1984

Z: A Novel of Zelda Fitzgerald-Therese Anne Fowler 2013-03-26 THE INSPIRATION FOR THE TELEVISION DRAMA Z: THE BEGINNING OF EVERYTHING I wish I could tell everyone who thinks we're ruined, Look closer...and you'll see something extraordinary, mystifying, something real and true. We have never been what we seemed. When beautiful, reckless Southern belle Zelda Sayre meets F. Scott Fitzgerald at a country club dance in 1918, she is seventeen years old and he is a young army lieutenant stationed in Alabama. Before long, the "ungettable" Zelda has fallen for him despite his unsuitability: Scott isn't wealthy or prominent or even a Southerner, and keeps insisting, absurdly, that his writing will bring him both fortune and fame. Her father is deeply unimpressed. But after Scott sells his first novel, This Side of Paradise, to Scribner's, Zelda optimistically boards a train north, to marry him in the vestry of St. Patrick's Cathedral and take the rest as it comes. What comes, here at the dawn of the Jazz Age, is unimagined attention and success and celebrity that will make Scott and Zelda legends in their own time. Everyone wants to meet the dashing young author of the scandalous novel—and his witty, perhaps even more scandalous wife. Zelda bobs her hair, adopts daring new fashions, and revels in this wild new world. Each place they go becomes a playground: New York City, Long Island, Hollywood, Paris, and the French Riviera—where they join the endless party of the glamorous, sometimes doomed Lost Generation that includes Ernest Hemingway, Sara and Gerald Murphy, and Gertrude Stein. Everything seems new and possible. Troubles, at first, seem to fade like morning mist. But not even Jay Gatsby's parties go on forever. Who is Zelda, other than the wife of a famous—sometimes infamous—husband? How can she forge her own identity while fighting her demons and Scott's, too? With brilliant insight and imagination, Therese Anne Fowler's New York Times bestseller brings us Zelda's irresistible story as she herself might have told it.
